**Exec Board Meeting Minutes**

Monday, August 28th, 2017  
6:00 - 8:00pm

**Attendance:** Liza Murphy, Susan Beschta, Imebet Blair-Carter, Annette Tacconelli, Adam Rabiner, Lisa Bleyer, Dianne Darbouze, Lavita McMath Turner, Elizabeth Beer, Kemala Karmen, Astrid Reedy & Elizabeth Dore (conference call), Cary Sanchez, John Breen

A. **Meeting Opener**
   a. Welcome
   b. Exec Board Meetings 2017-2018 – Members are allowed to participate in two meetings via a conference call in lieu of personal attendance per school year.

B. **Committee Reports**
   a. **Graphic Coordinator** – Liza Murphy
      - We would like to build our database of graphic designers if anyone knows of a designer in the ICE community please put us in contact with them.

   b. **PTA Recognition Coordinator** – Cary Sanchez
      - Cary is seeking ideas of how to show PTA volunteers our appreciation for the work they do. Please contact Cary with any ideas you have.
      - Currently Exec Board members receive BOGO on tickets for all fundraisers in addition to early sign-up to PT Conferences.

   c. **Parent Teacher Conference Schedule** – Wednesday, November 8th & Friday, November 10th

   d. **Teacher-Staff Appreciation** – Jenny Collins an 8th grade parent will co-ordinate gift giving for Teacher-Staff Appreciation. In December Jenny will solicit cash donations and also coordinate the May gifts. Alissa Payne will organize the May Teacher-Staff Appreciation Day feast. Annette will organize massage therapy.

   e. **Construction Beautify Committee** - Folks will put up shelves as per Pete’s request.

   f. **Volunteer Database** – Lisa Bleyer
      - During the first few weeks of school Lisa will send out reminders asking for volunteers with the goal being to expand the list of volunteers. The goal is to get four hours per year per volunteer. PTA Committee heads can ask Lisa for referrals to volunteers and Lisa will refer and track.

   g. **Parent Action Committee** – Kemala Karmen
      - Kemala would like to update the high school database of schools who will accept applicants without test scores. Stephanie & Kari may help. There is a potential upcoming problem from the wording in the NYS Essa Plan because the language appears to punitively apply to schools with statistically low test taking participation. The apparent goal is to incentivize schools to encourage more kids to take the test.

   h. **Grade Rep Committee**
      - 6-12 Grade Wide Picnics - The potluck picnic will be on September 16, 2017 on Randall’s Island right after the 5K run. The goal is to build community and the hope is that families from all the grades will participate.
      - Throughout the year, each month, a different grade will be responsible for hosting the PTA Meeting including: set-up, clean-up, and providing snacks for attendees.

   i. **Fundraising Committee**
      - **Family Contribution Drive** – All Executive Board members present voted to increase the annual request for funds from $600 to $700 per child, per year. Starting in September for 8-10 weeks there will be a weekly blast requesting these donations.
New approach this year: the initial email will be sent slightly later to avoid the initial chaos of the start of school year. The letter will include stats in it explaining how the money is used.

For folks who have already signed up for a monthly contribution submission, they will have to cancel the current subscription and create a new one to reflect payment towards the $700/year contribution. We will send out written instructions.

C. Adjournment
• **5K Run Walk** – So far 39 families have registered. A graphic artist is needed. There will be eight prizes. Elizabeth has a contact to get Kind Bars as a snack for participants. We already have movie vouchers. On the day of the event volunteers are needed. A suggestion was made that we reach out to all ICE sports teams with the goal being to get more community participation.
  - Volunteer needs: 8 volunteers (4 volunteers 2-3 hrs before + 4 arrive 1 hr before
    - Before race (4 people): Mark out route, distribute numbers,
    - During race (4 people): Timing runners
• **Back To School Fundraiser** – This will be on October 14, 2017 from 3:30 p.m. to 7:30 p.m. at Pete’s Candy Shop in Brooklyn. A suggestion was made that we include a raffle. Everyone liked that idea.
• **School store/Merch**
  - New graphic artist since last year—very successful, keep producing
  - Great reliable printer now on board
  - Need to map out dates for merch table: Conferences work well. Maybe at back to school party?
  - Is selling online at all viable? Fulfillment is complicated to set up
• **Photo Day / Senior Photos** – Annette is organizing. There was a proposal to offer a new service for seniors: A photo of the senior outside of school. Potential issues were noted: possible increased liability, and kids are doing their internships and not on campus.

**b. PTA Meeting Presentation Committee**
- September PTA Meeting – After-school Program, Pete, Executive Board.

- November PTA Meeting – Financial Aid

**F. Meeting Adjourn**
A. Attendance

B. Minutes for Approval -- Imebet Blair-Carter
Minutes read. Motion to approve was seconded. Approved.

C. Treasurer’s Report -- Adam Rabiner

We are down on Family Contributions compared to last year. But, so far, we have earned more in our Fund Raisers. Expenses are down this year compared to last year because we have not had to contribute towards so many school supplies this year.

*Do we ever stop sending Family Contribution requests?* Not really, but beyond March, we focus more on Spring Fling.

We will have more info on Family Contributions as more checks that came in over the holidays are accounted for. Upcoming meeting with Pete and Mark.

D. Committee Reports

a. Teacher Staff Custodian & Security Holiday Gifts: There was a great turnout and the gift distribution went successfully. Thank you to all involved. Followed by fantastic student talent show. Ice skate swap went very well — about a dozen skates were distributed for free!

b. 2018 Fundraisers

- Yankees Ticket Fundraiser
  - Last year’s Yankees game (April ’17) was very successful
  - Mark will select a game for us to attend
  - After selling 50 tickets, ICE gets to keep the proceeds after 50 tickets are sold

- Spring Fling – Friday, June 1st
  - Planning has begun, more volunteers welcome!

c. MS/HS Meet & Greet

- Last year in Manhattan (50 parents attended), Brooklyn (20 parents attended)
- This year we will hold separate events for MS and HS families. No date set as yet, but probably will be early February. Stay tuned

d. PTA Meeting Presentation Topics

- January 17: (Imebet) Pete will present on a topic connected to sexual harassment
- February 7: (Kemala) Feb 7 falls during Black Lives Matter in Schools Seek. Proposed panel discussion on standardized testing and its racial implications
  - Moderator: Cynthia Copeland (NYU, ICE parent)
  - Proposed panelists: Zipp Mills (former NYC principal); Jose Wilson (author, blogger, organizer of BLM in Schools Week); and one consortium teacher who can speak about how consortium assessment is fairer to students of all backgrounds; or possibly a consortium student.
- April: Film screening—Open to suggestions. Some options: *Miss Representation, Thirteenth.*
E. Announcements for ICE Community – Dianne Darbouze
   a. Upcoming Events
      M 1/15   No School (MLK)
      W 1/17   PTA Meeting (Pete’s presentation); 8th Grade hosting
      M 1/29   No School (Professional Development). Wk of 1/29: HS mid terms
      01/21    PTA Executive Board meeting

F. Other Business
   a. NY State & Testing — Amy Gropp Forbes
      • NY State proposal under ESSA when students opt out, student academic records
        will not be affected, but schools’ records will be impacted. Students who opt out
        will be recorded as receiving a “1”, which will (inaccurately) show the school as low
        performing. Very punitive measure.

Room 518
6:00 - 7:00pm

A. Meeting Opener
   • Welcome

     • Fundraisers: We are also ahead in fundraiser revenue
     • Revenue: Total revenue ahead by about 5% (about $6K)
     • Expenses: Slightly below where they were last year. Per event we are spending less. Spending more on music department
     • New expense. ADMISSIONS - Polaroids of applicants on admissions (about $160 for film). Camera replacement $60. Can PTA commit to covering the annual cost of film. (Side issue: Check whether families need to sign a release to have child’s photo taken).

       o How exec board can best support Spring Fling:
         • Provide info about how funds raised are used so committee can use it as a selling point.
           Amy suggested taking general wording from family contribution campaign OR take largest line items from budget, but recommends that we not specifically earmark money for one objective in case priorities change.
           Trips are a big item (e.g Nepal, local trips): making sure all students who want to participate in trips. “Spotlight on the Budget” in the newsletter.
           Adding photos to newsletter to increase readership?

  - New panel member: Chris Lopez, 12th grade student
  - Need to figure out tech needs: talk to mark about projector, mics, etc.

     • As of today, e-blast graphics have almost been finalized by parent volunteer
     • 50 tickets @ $35/each.
     • We need grade reps to really push the event
     • ICE will appear on the jumbo tickets.
     • Will get box seat tickets to auction off at Spring Fling

   • Spring Fling 2018 – Kristen
     • Volunteer found to sell raffle tickets
     • Still need a few more volunteers for soliciting items. A few volunteers have dropped out.
     • Still need some financial info about how money is spent
     • Food + drink committee — met with them last week.

   • ICE PAC – Kemala Karmen
     • February PTA Meeting: ICE PAC Testing Panel event RECAP
       o Over 100 attendees, mostly not from ICE community
       o Still putting together a video of the event, hopefully on ICE website
         • Right now excerpts of the talk can be seen on Vimeo
         • Word of mouth about the event has gone out
       o Student panelist did wonderfully
       o Side note: Appears that ICE students aren’t aware that SAT prep offered is available regardless of ability to pay. 11th Grade Advisors need to make sure their students understand this.

     • ICE PAC Next Steps: State Testing Opt-out Letters
       o Time to collect opt-out letters for state testing at parent-teacher conferences, week of March 5th
       o Amy Gropp Forbes suggested also creating an online opt-out letter using Google

March 14 PTA Meeting – Imebet
- Will be held in 508, not 518
- Pete will present. Topic TBD
- 7th Grade will be hosting

April 25th PTA Meeting: Film Screening – Imebet / Amy
- Last meeting the Exec Board screened trailers, and I Am Not A Racist, Am I?
- Several Exec Board members viewed the film.
- Screening fee is $750 and includes trained facilitators
- Amy + Imebet will have a conference call Tues Mar 6 with the facilitator
- Do we want to charge admission or a suggested contribution?
  o Last year ticket prices $10/adults, $5/students, sold in advance and at the door.
  We also sold food, earning an additional $400.
  o This year: suggested contribution
- Do we want to limit to ICE families or open it up to the general public?
  o Last year’s screening was open to the public. This year, the topic is more sensitive, so we may want to maintain an intimate atmosphere, and worry less about raising the funds.
  o Compromise: Limit to ICE community and their friends/invited guests.
  We won’t publicize to general public.
- Recommended age range 8th grade and up, but parents should consider their individual child’s ability to deal with very frank discussion about race.

Latin Parent Committee — Ileen + Meibell
- Despite efforts to outreach to Spanish-speaking parents — translated newsletters, translation at PTA meetings — no response! Why? Reluctance? Not informed?
- How do we make contact, while still respecting family privacy?
  o Perhaps at parent-teacher conferences, Spanish teachers can offer printed information at conferences. Maybe a brief survey (1-2 questions) to find out if they are aware of and appreciate the available services
  o No 6th grade Spanish classes, have to make a separate effort
  o Ask class advisors to reach out to Spanish-speaking parents
  o Brenda Hill offered to attend next ICE staff meeting and appeal to advisors about reaching out to Spanish speakers

Summer Camp Scholarships — Lisa Bleyer
- Lisa is reaching out to camps that might be willing to offer need-based scholarships to ICE students. If anyone has connections with camps, particularly sleepaway camps, please contact Lisa.

E. Planning Session #1
Exec Board Goals: Did we reach our objectives in 2017-2018?
- Ideas for generating more parent involvement
  - Get new ICE parents in 6th grade rep roles (rather than continuing parent) — coming from elementary school, may be more engaged in maintaining frequent communication
  - Rotating lead grade reps — e.g. each 6th grade reps take turns takes the lead on generating e-mail communications, others just forward emails; change roles each month.
  - Continue to recruit parents at incoming 6th grade welcome meeting
- Ideas for generating more family contributions
  - Pete is an impassioned speaker — ask him to advocate for family contributions at 1st PTA meeting of the year
  - Generate more buzz for Spring Fling — perhaps designate a volunteer to do an email campaign to build excitement via emails, rather than just sending out the same email.
- Executive Board 2018–19
  - One co-treasurer position opening up

F. Spring Fling-A-Thon BOGO - Imebet
- Exec Board Members - What will you do with your free ticket?
  - Start BOGO earlier than last year
  - Won’t be accepting “I don’t know anyone!” excuse this year! 😊
  - Bring a friend, reach out in your grade
- New Parent tickets will be offered at a discount instead of for free this year

G. Volunteer Thank-You Party — Cary Sanchez-Leguimel
- Cary will host at her Brooklyn home mid-late May
- Party at school last year was low in attendance (expected 40, only 10 came) and it was a lot of work to bring everything to school. This time more efficient to host at home.

H. Meeting Adjourn
A. Opening Remarks
   a. Welcome – Dianne Darbouze
   b. Review of May’s minutes for approval – Astrid Lewis Reedy

B. Treasurer’s Report
   a. **Budget update** – Kirsti Craig & Andrea Santamaria
      - Spring Fling
         o Early numbers a little over $30K. (Last year was over $44K).
         o We will probably be around 20% below what we brought in last year.
         o Expenses were slightly higher this year;
         o Auction will remain up until end of June.
      - Revenue:
         o Family contributions 6% down from last year
         o Revenues in general are down
      - Expenses
         o Music Dept expense was up this year due to bringing on new teacher next year this $32K will come out of Pete’s budget.
         o We were able to save money in a few places

C. Committee Reports
   a. **Fundraising Committee**
      - Spring Fling Committee – Kristen Couse
         o Brief update on event
         o Spring Fling process and timeline necessary to organize this event:
            o Next year’s committee:
               ▪ Kristen (event chair) will stepping down for next year.
               ▪ Rachel (food & drink) will be leaving
               ▪ A number of people staying on.
            o Kristen will provide a series of documents (Google Drive) outlining what goes into putting on this event, timelines, etc
            o Kristen’s suggestions:
               o Soliciting & Donation Management and Event Planning Responsibilities should be two separate roles.
                  (perhaps serving as co-coordinators?)
               o A good role to continue is the Outreach person — reaching out to people. Add copywriting duties, sending eblasts.
            o Bidding -for-Good: Proxy bidding system worked fine this year
            o Recommend going back to giving incoming families free tickets.
               Charging half-price this year was not successful.
            o Event date? May vs June event date vs other months ...
