OUTDOOR AREA OF THE TEMPORARY JUVENILE UNIT AT BERGEN PRISON

Location: Bergen
Built: 2010
Client: The Directorate of Norwegian Correctional Service
Cost: NKr 850 000
Consultant: Siv.ing. Finn-Erik Nilsen AS

Fence around outdoor area of the temporary juvenile unit at Bergen prison. Recycled road signs replace the regular barbed wire perimeter providing the inmates with references to places outside their limited situation. Places they might know or dream of.
