MIKE KELLY AT LIBERTY STREET BISTRO

JASON HUA AT THE DUTCH

“ Jane is someone who always exceeds any concept I have for a dish whether it be on a practical or aesthetic level. ”

JASON HUA, CHEF, THE DUTCH

“ Herold’s handmade pots have life which adds another dimension to working with them, as well as to the guests’ experience of a meal. Everything that comes from her hands is individual and has a voice. ”

BRYCE SHUMAN, CHEF

All dishes made to order in your choice of glaze color and customized in size and shape for your food.

STANDARD PLATE SIZES

Dinner: 10.5”

Side: 8.5”

Share: 7”

B&B: 5.5”

Lead time: Normally 6-8 weeks, sometimes less.

Prices available on request. I can send a quote when I know approximate quantities and which items interest you.

Human contact is still the best. If you’re not too far away please make a date to come to the pottery. Here you can see (and touch) a huge range of shapes and discuss any ideas you may have for dishes you’d like created.

I look forward to working with you!
