EDUCATION

Johns Hopkins University—Bologna, Italy/Washington, D.C.

May 2018 (expected)

Paul H. Nitze School of Advanced International Studies (SAIS)

- M.A.; concentrations in Energy, Resources, and the Environment, and in International Economics
- Research Assistant, Sarah Jordaan; analyzed climate change vulnerability and accountability within multilateral nuclear energy treaties
- Editor-in-Chief, *The SAIS Observer*; led staff of three international bureaus in producing student newspaper
- Selected for SAIS' "Frontiers in Energy, Science, and Technology" (FEST) research trip to Myanmar; worked as lead editor for report on the country's rural electrification based on data collected via stakeholder and government meetings (January 2017)

University of California, Berkeley—Berkeley, CA

May 2015

- B.A. in English and B.A. in Political Science; Phi Beta Kappa, Dean's List
 - Semester abroad at Sciences Po, Paris (August 2014–December 2014)
 - Managing Editor, *Berkeley Fiction Review*; media reach, submissions, and circulation all more than doubled during management
-

EXPERIENCE

Fellow, *Associated Press*—Mexico City, Mexico

June 2017–August 2017

- Recipient of the Overseas Press Club Foundation's 2017 Stan Swinton Fellowship; 15 fellows chosen from pool of 175 applicants
- Wrote short and long news updates, translated articles from Spanish, and produced features picked up by major U.S. newspapers
- Notable projects included 1) writing a feature (and producing a short video) on vulnerable pre-Aztec farming techniques, 2) analyzing data on Mexico's homicide rates, and 3) producing a podcast on reporters' experience covering conflict in Venezuela

Production Intern, *Marketplace Morning Report (American Public Media)*—Los Angeles, CA

March 2016–July 2016

- Co-produced daily radio show with host David Brancaccio, broadcasted to 9 million national listeners per week
- Role on six-person overnight team included researching guests, cutting tape, pitching stories, writing summaries for digital team, and drafting station updates
- Supported direction of five live broadcasts per day; trained to substitute for show's assistant producer

Reporter/Marketing Coordinator, *Chronicle of Social Change*—San Francisco/Los Angeles, CA

June 2015–July 2016

- Contributed regular news, analysis, opinion, and research to a child welfare reporting website with a national reach
- Researched and pitched to potential donors and subscribers; coordinated sales, distribution, and social media for the *Chronicle*
- Notable projects included: 1) investigating out-of-county placements for California foster youth for a *Chronicle* series (which was picked up by KALW City Visions), and 2) writing an op-ed on Oakland desegregation, which was distributed via the school district newsletter

Research and Writing Intern, *Food First*—Oakland, CA

May 2015–September 2015

- Drafted, edited, and conducted research for policy briefs and longer texts, including an overview of land/resource grabbing, an analysis of the Overseas Private Investment Corporation and its work in the DRC, and a book summarizing Food First's work in the food movement
-
