Dear David,

I am writing to tell you how grateful I am that you shared your talk with our school for the Drug-Free and Safe Schools week. I had heard so many wonderful things about you and your presentation but nothing I heard can compare with what you brought to our school. Thank you!

The students were definitely listening, taking in their own "greatness", and impressed with your life. Everyone was still talking about the assembly the next day. The classroom talks were special for many students. Our eighth grade students want to hear and discuss more with you. They want you to attend our end of the year retreat. They were touched, motivated, and excited to share your honesty with each other.

Your straightforward talk and stories should be shared with every young person!

I am so glad I was able to schedule Talk Is Cheap; the Message isn't this school year. I plan on booking you for next year!

Thank you so much! You are awesome! Continue to bring faith, hope, and love to the young people of the world!

Blessings,
