MATERIALS:

Nurturing Fibres Supertwist sock (100% Merino, Fingering / 4 ply, 100 grams)

2 colours x 50g each

1 x 3.25mm Circular needle or DPNS

1 x 2.75mm Circular needle Or DPNS

1 x Blunt end tapestry needle

CAST ON:

With Main colour using 3.25mm needles, cast on 45 sts. Join in the round, taking care to not twist.

RIB:

Change to 2.75 mm needle and K2 p1 for 40 rows.

HAND:

Follow increase row and pattern as per the chart taking care to knit one left hand and one right hand mitt. [See right for charts]

Once you complete row number 29 of the chart, slip the stitches for the thumb gusset on to a stitch holder. Continue with the chart while knitting in the round.

After completing the chart:

[K2tog, k3]Repeat to end [45 sts]

RIB:

K2 p1 for 4 rows

Cast off loosely

THUMB:

Put 17 sts for thumb on circular needle, pick up 4 stitches [21 sts]

K2P1 for 4 rows

Cast off loosely
