Saint Essay

DUE NO LATER THAN FEBRUARY 1, 2022

Over the next few weeks, you will be researching and choosing a Saint to be your Confirmation Saint. On your Confirmation day, the Bishop will Confirm you in their name. Your Confirmation Saint will serve as a role model, guide, and intercessor for you.

INSTRUCTIONS: Write a 1-page, double-spaced essay using, FONT SIZE 12, about your Saint. Remember to put your name on it. You can either turn it in at any of our Confirmation Classes or you can email it to: francisco.soriano@st-louis.org.

Use reliable, Catholic resources (books or online). You do not need to site your sources, and no plagiarism. Things to consider to include in your essay:

• A short biography of your saint including when and where they lived, their feast day, and what are they patron saints of.
  • Interesting facts about them.

• Why you chose that particular Saint.

• With what part of their life do you relate to.

• How you hope to incorporate them into your life in the future.

• Special devotions, traditions, or prayers associated with them.
