Welcome to Quarry Road Trails!

The Nordic ski trails at Quarry Road Trails offer all levels of cross country skiing for area residents and visitors alike. The professionally designed trail network offers exceptional natural beauty and variety from easy beginner trails to a world class cross country competition loop. Quarry Road's trails are groomed regularly during the winter season for both skate and classic skiing.

Ski passes are required for winter use of the groomed ski trails to support grooming, upkeep and snowmaking. If you ski regularly on the Quarry Road trails,

save money and ski as often as you'd like all winter long by purchasing a **2016/17 ski season pass.**
