*On the Occasion of the 55<sup>th</sup> Session of the Commission on Social Development, the NGO Concepts of Truth Inc. cordially invites you to a Panel discussion entitled:*

***Eradicating Poverty Through Education:  
Increasing Wealth Through Sexual Health***

*(A strategy for the eradication of poverty to achieve sustainable development for all)*

**Wednesday, 08 February, 2017, 1:15-2:30  
Conference Room E  
United Nations Headquarters, New York**

**Concept Note:** *The Panel will explore worldwide stats of higher-risk sex (i.e. sex with a non-marital, no-cohabitating partner); insufficient knowledge about HIV and STI's; the invisible bond between sex and addictive relationships; and the power of education in addressing issues related to sexual and reproductive health. Concepts of Truth International's model of counselling, recovery, and prevention will be reviewed which educates clients to develop the whole person and to instill in each individual a due sense of dignity as the basis for sexual health.*
