

2017 - 2018 Revelation Science Course Supply List

NOTE: Notebooks are an integral part of your science class. A handout on how to organize your notebook is given at Orientation, so you can put it together and have it ready for the first day of class.

Notebooks are evaluated in the Fall and Spring.

- 1. Safety goggles – REQUIRED FIRST CLASS – 1 pair- ****VITAL TO BE CORRECT******
BIOLOGY, CHEMISTRY, & ANATOMY - Chemical splash goggles that go over glasses; **MUST HAVE** side shields, seal to face, & have **INDIRECT** ventilation. PHYSICS - Impact resistant goggles with Z87 rating that go over glasses; **MUST HAVE** side shields, & seal to face. Students bring goggles to our **FIRST** class with their initials on them. Goggles stay at the lab until the end of year, then are returned. (*Highly recommend Chem get both type.*)
- 2. 3” – 3.5” three-ring binder** (For all school work done at home and in class.) 3.5” works best for Bio & Chem
- 3. 16 Dividers** (The notebook grade includes neatness, so consider this, especially about labels staying put.)
- 4. 3 packages of notebook paper & 1 ream of computer paper** – SET ASIDE FOR USE FOR OUR CLASS
- 5. 2 rolls of Paper Towels** - Bring rolls to first class and turn in to teacher.
- 6. Index cards** (4x6 – either lined or not lined. They are used for reference cards to use in each course.)
- 7. 4 - Red pens** (REQUIRED to have in your notebook.)
- 8. Pencils** for school work and lab class (Mechanical type preferred due to no need for pencil sharpener.)
- 9. Pencil bag for 3-ring binder** (In the front for writing tools, blank index cards, companion CD, & calculator.)
- 10. Photo Pages** (For reference cards - 4x6. Ones that allow cards to all be horizontal work better.) Try Office Depot & On-line
- 11. Calculator** (A basic \$1 calculator is needed for **biology & anatomy**. A **scientific** calculator is **required** for **chemistry & physics**. Students must bring it to EACH class & know how to operate it. It is essential to have for school work & available for each class. Calculators can be stored in pencil bag, so keep this in mind when buying.)
- 12. Sheet protectors** (Minimum of 5 – Additional ones may be wanted for certain handouts.)
Curriculum links are to Apologia, so you can see what they look like. CBD generally offers better pricing.
- 13. Textbook and Solutions Manual – Apologia curriculum (Find your class below)**
 - a. Biology Class – Exploring Creation with Biology, 2nd Edition**
 - b. Chemistry Class – Exploring Creation with Chemistry, 2nd Edition** (staying with 2nd Ed.)
 - c. Anatomy and Physiology Class –**
 - 1. Advance Biology: The Human Body 2nd Ed**
 - 2. Kaplan (publisher) - Anatomy Coloring Book, 5th Edition**
 - d. Physics Class - Exploring Creation with Physics, 2nd Edition**
- 14. Multimedia Companion CD that supplements the above textbook – required** (*none for Anatomy*)
(For clarification, there are 3 CDs available. The companion or supplemental CD, which is needed for class, an audio CD where the text is read to the student, and a CD that has the textbook and solutions manual on it.)

DO NOT BUY 3RD EDITION

Book sets can be difficult to find, so they are available to rent through class. \$50 for year, which includes \$20 returnable deposit.
