### DRESS CODE

Students, the purpose of HIS dress policy is for your fellow students to see you first and not parts of your body.

Thank you for assisting in glorifying God in word, deed, *and dress*, as well as helping create an environment better suited for you and fellow students to build friendships and focus on learning more about God through science. Mrs. Garza ☺

**++ TWO additional items for science: 1. You must wear closed-toe shoes to protect your feet, which means it needs to close all the way around and not be a slip-on. 2. NO SHORTS ++**
