

## GREAT FRESH FOOD SINCE 1902

**A**lthough we may be a bit biased, we are extremely convinced that the more you eat our fresh-made, great-tasting food the more you'll love us. It's true.

While there are no scientific studies to back that claim, we do know that **we have been pleasing hungry people just like you with great Italian foods since 1902.** Back then, when Giovanni Amato started selling sandwiches to the hungry workers on Portland's waterfront, he **committed himself to using the freshest ingredients he could find** and serving his creations at a fair price.

In fact, Giovanni invented the very popular Amato's Italian way back then. Served on bread baked by his family.

**Over the years we've added to our menu and now offer pizza, pasta, pazzo bread, wraps...** all kinds of tasty treats to help you feed your hungry self and/ or your family and friends. But we remain intensely committed to freshness and flavor.

**Welcome to Amato's.**

**How can we feed you today?**
