

At-Large Council Candidate Denny O'Brien's:

*Question 1*

Parks and recreation ought to serve to unite our communities. We ought to invest in our parks in a way that attracts young and old to experience their natural beauty and educational opportunities.

*Question 2*

In Northeast Philadelphia, we partnered with various private companies to plant a community garden. We need to invest in our relationships with the business community, neighbors and civic associations in order to do more with less.
