

## **My Organization Endorses the: Campaign to Restore \$8 Million to Parks & Rec**

After 4 years of broken promises and 30 years of chronic underfunding, our high-performing Department of Parks and Rec desperately needs promised resources.

Over the past four years, Parks & Recreation has received \$43 million less than what was originally promised in the FY 2009-2013 Five Year Plan & we haven't seen one penny of the promised "parking" tax increase!

**It's Time for a Down Payment on Promises Made!**

**Now is the time to increase funding – not flat line it.**

We call on City Council and Mayor Nutter to restore \$8 Million to the Operating Budget for Philadelphia Parks and Recreation in FY 2013:
