

## **Back to School Prayer Walk**

### **Starting Point (Flag Pole): God's Presence**

Holy God, thank you for all those who are in service at this school. May you be found in the words, thoughts, actions, and decisions of all those who serve and lead at this school. May your presence be with the students as they discover who you created them to be, their gifts, and what purpose you intend for their lives.

### **One-quarter point: God's Protection**

God of strength, we praise you for providing your protection for our students. When the students or teachers experience difficulties at school, be present with them so they may experience your hope. Protect them physically, emotionally, and spiritually so they can realize your full potential and recognize your Spirit.

### **Half-way point: God's Leadership**

Loving God, we thank you for the leaders in our school district and (Name your school). We pray for all the men and women who have authority over these students. Pour out your spirit on these leaders and make your Word known to them. Light in them a desire to do what is right in your sight.

### **Three-quarter point: God's Glory**

God of Light, Let your glory be revealed at this school. May you continue to reveal yourself: your power, your mercy, and your love. May your Spirit be a light on this campus so students and teachers may walk in faith, hope and love.

### **Back at starting point: Summary Prayer**

Holy God, as we have circled this building with our prayers, we ask that you encircle this school and all who enter it with your presence, your protection, your leadership, and your glory. We celebrate your presence today and we praise you for hearing our prayers. In Jesus' name we pray. Amen.
