## Landings Survey Datasheet

Complete both sides of sheet for each interview — you may need to use additional sheets for many seahorse observations. Complete **site name** and **interview information** for each sheet so data can be matched up.

### Site

Site name\*

Site remarks:

---

---

---

---

### Interview

Surveyor name\*

Interview date\*

Interview number\*

Unique identifier:

---

---

---

\* = mandatory

### Fishing Gear

Gear photo number

Gear category (circle one)\*

active    static

Gear type (circle one)\*

gill net    push net    trap    trawl net    other

If you selected 'Other' for 'Gear type' please describe:

---

---

Gear details:

---

---

### Fishing Effort

Start date of fishing trip(s)\*

End date of fishing trip(s)\*

# of days spent fishing\*

Avg. fishing depth (m)

Marine habitat at fishing ground (circle one)

artificial    coral    mangrove    seagrass  
 rock    rubble    sand    mud  
 seaweed/algae    open water    other    unknown
