

SUPPORT AUSTIN SCHOOL LUNCHES WITH **FLYRITE LUNCH MONEY FUND**

55 % of AISD students require assistance to purchase a school lunch. At Flyrite we are not only trying to clean up the drive thru but we also believe that every child deserves to have access to healthy, nutritious, tasty meals that promote health, well-being and learning.

That is why we created the Flyrite Lunch Money Fund program to support the AISD Nutrition and Food Services initiative.

Every \$3 given to the program provides a student with a nutritious higher quality meal while also helping to teach students about the importance of a healthy diet.

The Flyrite Lunch Money Fund Program

- All guests at Flyrite can choose to make a donation (min. \$1 value) while placing their order. The Cashier will ring up and add to their bill (tax exempt). This will be tracked through the POS system.
- Guests who are FiveStars Loyalty members can also use their points to make a donation, that Flyrite will pay directly to the program
- All of the donations will be tracked and paid monthly to the AISD fund to supplement students whose accounts have become delinquent. This in turn allows the AISD Food Director to use more funds for purchasing higher quality ingredients for students' meals.
- The program will be promoted through social media, in-store signage, prompts from cashiers, and on our website with a counter to track how much has been contributed to date.
