Dear Robert,

We are pleased to inform you that Algieri Design & Purchasing Services, Inc. has been selected as one of NEWH's TOP ID firms for 2012. The Dallas NEWH Chapter board has submitted your company as one of the top 3 hospitality firms in your area. This prestigious honor was determined by the chapter board with consideration of the firm's design work in the hospitality industry along with the support you have provided NEWH in recent years. This exclusive recognition is NEWH's way of supporting and promoting our Designer membership. Not only will you be acknowledged by your local community as a leader in hospitality design you will also be celebrated internationally across the vast network of professionals in the industry on the NEWH website!

NEWH will display your firm's selection of professional photography that best represents your hospitality work on the website in a gallery with the other TOP ID firms for 12 months. This list of credible firms will also be shared with the trade publications that contact NEWH, Inc. for editorial content and feature articles often looking for innovative and knowledgeable design firms. You may be contacted by one of these publications in the near future. We will be announcing the 2012 TOP ID firms in New York at the IHM&RS at the NEWH booth and hope you will stop by booth #3100 to visit us.
