More about The Heritage Society: The Heritage Society, a 501 (c)(3) organization, serves as a popular wedding venue in Downtown Houston with its picturesque park grounds and historic St. John Church. Their park grounds and museum tell the stories of the diverse history of Houston and Texas through collections, exhibits, educational programs, film, video, and online content. Founded in 1954 by a number of public-spirited Houstonians to rescue the 1847 Kellum-Noble House from demolition, The Heritage Society has since saved an additional nine historic buildings, moved them from various locations to join the Kellum-Noble House in Sam Houston Park, and restored them to reflect their respective eras. These 10 buildings, along with the museum gallery, serve as historic reference points and exhibition spaces for more than 23,000 artifacts that document life in Houston from the early 1800s to the mid-1900s.
