INGREDIENTS

BOTANICALS

- Juniper
- Grapefruit Peel
- Mt. Hood Hops
- Aromatic Barley Malt
- Coriander Seed
- Chamomile
- Orris Root

BASE SPIRIT

Bimini Gin uses a neutral base spirit made from non-GMO American corn and distilled four times for exceptional purity.

WATER

Originating in the White Mountains of New Hampshire, the water in Bimini Gin comes from the Saco River which flows past the distillery to the Atlantic Ocean.

PROCESS

The botanicals are separated into groups. Each group is milled, macerated for 2-4 days, and distilled separately. Using a packed column with a dephlegmator, the vapor temperature is closely controlled to minimize the juniper's "pine tree" notes and maximize smoothness.

ENDLESS SUMMER

Inspired by bright sunshine, warm breezes, and sparkling waves, Bimini Gin is the taste of summer vacation all year round.

TASTING NOTES

- Juniper-forward without "pine tree" flavor
- Supporting botanicals inspired by a session IPA

"With notes of citrus peel, flowers, coriander, cardamom, a shimmering viscosity, and some kind of extra magic, Bimini Gin is literally perfect for hot weather cocktails. Like, I want to make a million Tom Collins with this stuff."

- Dani DeLuna, homebargirl.com

Set firmly within the American style of gin, Bimini offers an aroma of fresh grapefruit and light floral qualities up front, with earthy malt and coriander notes in the background. Its rich mouthfeel helps the notes of peppery baking spices, cooling chamomile and verdant hops to linger on the palate, while it's high proof makes it ideal for mixing in cocktails.

DISTILLERY

Founded in 2015, Round Turn Distilling is located on the coast of Maine in a 150 year old textile mill. Darren Case is the founder, owner, and distiller.

BIMINI?

The Bimini name was inspired by Ernest Hemingway's novel "Islands in the Stream" set in the 1930s on the island of Bimini in the Bahamas. The main character drinks gin with coconut water, lime, and angostura bitters while relaxing in the shade on his boat.
