The Rode Family is Moving in!

The Reverend Philip Rode (sounds like road-ee) was officially appointed to the pastoral staff at Lewis Center UMC by Bishop Gregory Palmer at Annual Conference on June 7. Pastor Phil holds degrees from Asbury University, the University of Kansas, and Ashland Theological Seminary. He has served in several ministry leadership roles in the Columbus area since 2006. Prior to ministry Rode was an educator.

Pastor Phil and his wife, Stephanie, have three daughters: Audrey, 7; Paige, 4; and Ellie, 2. They are moving into their Westerville home next week. Pastor Phil will preach his first sermon at LCUMC on Sunday, June 25. A light reception is planned after each of the services to meet the Rodes. Members are asked to wear their name tags for the next few weeks to help them get acquainted!

Youth Mission Team Sends Pictures from New Mexico

Twenty three youth and eight adults are on a mission trip in Crownpoint, New Mexico this week. They are serving on a Navajo Reservation. One of their projects involves building a home for "Grandma Smiley." Please continue to pray for the work they are doing and their safety as they travel back home on Saturday.

Jason Law, a Columbus police officer, and Pastor Tom are organizing a church Safety Team to help strategize, train, and resource our volunteers in the various forms of caring for our friends and members while at church. Safety Team concerns include medical, security, and weather-related emergencies that may occur from time to time. If you are interested in joining this team or have

questions about it, contact the church office.
