

PREAMBLE

The Shorehouse List is precise, yet laid back, with subtle refinement - much like our good selves.

You may find it both surprising and, at times, challenging. It has a quiet confidence that balances a mix of Australian heroes and classic examples from international regions.

From Margaret River to Montrachet, from Pemberton to Piedmont, there's wine for our loyal locals and for the diehard wine geeks.

We're an uncomplicated bunch; honest, rustic, straightforward, approachable and without pretense.

Talk with us about our wine, we love it all

Sommeliers;

AMARI

There's so much weight, history, and complexity packed into one little word - Amaro.

We know its Italian for bitter, and its plural is Amari, but when it comes to production, appreciation and consumption of Amaro, we're guided more by tradition rather than strict classification. Amari are created by macerating and/or distilling bitter barks, herbs, seeds, spices, citrus peels, flowers and other botanicals in a neutral spirit or wine that is then sweetened.

We love Amari so much we have named our youngest daughter in its honour.

*CORAVIN: TO PUT IT SIMPLY; CORAVIN ALLOWS US TO EXTRACT WINE FROM A BOTTLE WITHOUT REMOVING THE CORK AND DISRUPTING THE OXYGEN LEVELS.

HOW? A THIN HYPERDERMIC NEEDLE GOES INTO THE CORK AND ARGON GAS PUSHES THE WINE UP AND OUT. THE NEEDLE IS THEN REMOVED AND BECAUSE OF THE SPONGE LIKE TEXTURE OF THE CORK, ALL IS RESEALED - NEAT.

RIESLING

German wine labels are complicated, terminology incomprehensible, but the wine is amongst the best in the world showcasing every nuance of terroir with ravishing delicacy and absolute clarity and transparency. Surely German wines have done enough to bust the myth that all Riesling is akin to sweet Liebfraumilch, aka Blue Nun. We certainly think so.

SHOREHOUSE GUIDE TO UNDERSTANDING

GERMAN WINE SPEAK - YAH

TROCKEN: literally 'dry'

KABINETT: lighter styles of wine an often off-dry

SPÄTLESE: picked one week after Kabinett grapes - typically fruity, medium-sweet

GRBOES GEWACHES: top of the pops; high quality dry wine from selected sites.

WHAT IS ORANGE WINE?

The Georgians started it, the Italians are famous for it, we Aussies copied it and voila, it's now trendy. The juice is left in contact with the skins for longer than rose but less time than the red stuff. Freshness of white wine with some phenolic grip of red.

LOIRE VALLEY REDS

The Loire is one of the largest and most diverse wine regions in France, producing virtually every type of wine – still & sparkling, dry & sweet, red, white, and rosé. Whilst the leading white grapes of the Loire - Chenin Blanc & Sauvignon Blanc - are the world's benchmarks, the Loire's reds are less famous than its neighbours in Bordeaux or Burgundy. They are, however some of our faves. The Loire produces red wines with the same qualities we like to see in our fruit; vibrant, crunchy and flavoursome.
