

*Dear Encore Friends,*

*July 2016*

Happy July! Alan and I will always remember July 2, because 51 years ago, I walked down the aisle of Central Assembly on the arm of my dad, to meet Alan. We have been married for 51 years. We've laughed a lot, and have thoroughly enjoyed these years. Of course we've had tears too. That's part of life.

I know all of us have shed tears at the loss of so many of our beloved friends. We all miss Ralph and Leona, Margaret and Cal, and our precious Wilma. Praise God for the hope that we WILL see them again!

***Dear Encore Friends,***

***Thank you so much for all the calls, cards, and flowers. You all mean so much to me.***

***I'm in Lacey Manor Care for a few weeks going through therapy to get stronger. I praise God for His help. As Paul says. "I Can do all things through Christ!"***

***Much love,***

***Pastor Charm***

I love this quote by Billy Graham: *All Masterpieces of painting contain both light and shadows. By them the artist highlights certain features of the subject, and they provide contrast and harmony to reveal beauty or character.*

*A happy life is not one filled only with sunshine, but one that uses both light and shadow to produce beauty. I am so glad the Lord is with us in the sunshine and the shadows. He laughs with us and cries with us and gives us supernatural comfort.*

Happy Fourth Of July!

*The more talk, the less truth; The wise measure their words. The speech of a good person is worth waiting for; The blabber of the wicked is worthless. The talk of a good person is rich fare for many, but chatterboxes die of an empty heart.*
