

June 2017

DEAR ENCORE,

It's finally summer! I'm so glad even if we have rain showers every once in a while! With the rain showers and thunder storms in our lives, there's always a beautiful rainbow after the storm!

Psalm 146 talks about all God does for those who love Him. In the Message Bible it says, "God is good to one and all. Everything He does is suffused with grace."

You never get voted out of office. God always does what He says, and is gracious in everything He does! God gives a hand to those who are down on their luck, and gives a fresh start to those ready to quit.

Everything God does is right, the trademark on all His works is love. He sticks by all who love Him!

What a wonderful life for those of us who love Him. He is with us no matter what happens. Aren't you glad this summer to be reminded about how very much He cares about each of us as individuals.

Love you,

Pastor Sharon Buck White

Greetings Encore,

The phrase in the song, "He restoreth my soul" has been ringing in my heart. David likens the Lord as our shepherd because He knows what it means to be a shepherd.

The sheep do not know how to provide for their needs but the shepherd does. He gives guidance sustenance and care. So as the shepherd, the Lord is there to help us with our needs.

He "restores my soul" denotes that we may be come drained and need an uplift. He will supply our renewal. Think of a very hot day when we are thirsty, and someone brings you an ice cold drink of water. How refreshing! It tastes so good!

He invites us to enter His presence and enjoy showers of blessing to revitalize us. He brings us a heavenly cold drink. Then we can just bathe in His presence. We can receive His refreshing and walk in His glory.

May you be blessed abundantly.

Love and Prayers.

Pastor Charm Buck

Heart to Heart

For all of the ladies who would like to join us, there is a once a month luncheon on the second Monday. Our first luncheon will be on Monday, June 12 at 11:30 at The Village at the Rice Works, or The Street Taco Place by the Fountain. Outside if it's nice, or inside if it's not.
