

DEAR ENCORE,

It's happened! Time has marched on, Summer is about over, school is starting, it's hard to believe time has passed so quickly! I hope you have enjoyed summer to the hilt!

As I was thinking about this new fall season, I found a reminder of what Christ has done for us. **"The Hebrew word for salvation means to make wide, to make sufficient. Jesus is so spacious that Eugene Peterson says, 'All of God fits within Him without crowding.' We fit in Him as well with all our brokenness, our frail egos, our thumb-sucking immaturity and coddled fears. We are in Him who is spacious with wholeness, health, and vitality!"**

It is so wonderful to know that God is so interested in every part of our lives, body, soul and spirit. I am so glad that He has kept my mother, Pastor Charm in good mental health, even if her body isn't as strong!

Be sure and save the date, Saturday September 30 from 1:00 to 4:00 for Pastor Charm's 100th birthday party. It's at Meadow Lake Village in the Grand Lodge, 4037 E. Clocktower Lane, on the second floor.

God bless you!

Pastor Sharon Buck White

TAILGATE PARTY!!

*You are invited for a Pizza Feast on Saturday, September 16 @1:00
Wear your favorite team colors and join us for a fun afternoon.*

Wanda and John Lehmkul will be our special music and speakers. John was based in the White House when John Kennedy was President. Hear his story of that history making time. Wanda has an incredible ministry in music. She played for the Singing Ambassadors many years ago. You will be blessed by their testimonies music, books and CD's.

When I think about my coming to the age of 100 soon, I'm overwhelmed! All glory and honor belongs to the Lord for being with me through the good and difficult times.

Etched in my mind is one day when I lived in North Dakota and was in school. We had a bad dust storm and my cousin went home to get the buggy, so we younger children could have a ride home.

*I also recall riding in a sleigh on a winter night, all bundled up with an iron warmed on the stove at our feet. The night was still except for the tinkling of the horses harness.
Oh what a night!*

How I describe the years of my longevity is from the horse and buggy days until landing on the moon. Technology has gone beyond our imagination.

It is mind boggling to think that we can ask a phone a question and in seconds we get the answer! Because of the advances in the scientific field the gospel is going to the far corners of the earth. Praise God!

That means that the Lord is coming soon. It is important that we be ready! Let's stay close to the Lord and walk with Him daily. May the Lord bless you and keep you in His care.

Much love and blessings,

Pastor Charm Buck
