DEAR ENCORE,

Welcome to the Fourth of July month. Don't you just love the celebrations with the fireworks and the flags and the picnics and cookouts. It is all so American and patriotic and fun!

I always remember July, because on July 2, Alan and I celebrate our anniversary, It's so fun to have a best friend to go to movies with and out to dinner with and just plain enjoy!

Fran and Wirt Edmunds also celebrate their anniversary in July. I know they have a lot of fun as a couple. God is good!

I was looking for an encouragement to share with you and found this from Anne Graham Lotz;

"God loves each and every person who has ever been born into the human race! God loves the Eskimo living in an ice hut, the Chinese living in a bamboo lodge, the royals living in a palace, the peasant living in a farmhouse, the slum dweller living in a housing project, the beggar with no housing at all.

God loves the whole world! God loves you! And God loves me! ! John 4:16 We have known and believed the love that God has for us.

Hoping you have a wonderful month!

Pastor Sharon Buck White

Dear Encore Friends,

As I was contemplating the article for today the word "Praise" stood out in my mind. David wrote in the book of Psalms numbers of ways to praise the Lord. He concluded with these words, "Let everything that hath breath praise the Lord. "

Then He added another praise the Lord. "Are you discouraged, downcast, hurting?" Read this Psalm, worship the Lord, and receive refreshing and renewal.

Praise is important to God and to you as you walk with him. PRAISE THE LORD!

Because of illness the place was shut down for several days. 40% of the people were sick. But now people are better. And I feel so much better!

I appreciate so much the visitations and the cards. It brightens my day.

Blessings,

Pastor Charm Buck
