Dear Recent Graduates and Graduating Seniors,

There are many ways to give back to your Fraternity after your undergraduate days surpass you. One way is by joining Acacia Fraternity's International Headquarter Staff!

Acacia is currently in the process of hiring **Leadership Consultants** and **Expansion and Growth Coordinators** for the next academic year! If you have any interest in being considered for the job, please email a cover letter and resume to Director of Expansion and Recruitment Jerod Miles at jmiles@acacia.org.

A description of both jobs is listed below:

The **Leadership Consultants** work directly with the active chapters. They make periodic visits during which they assist the chapter in strengthening its programs, confer with the Chapter Advisor and other alumni, and render whatever other assistance may be needed for the chapters to meet and exceed Acacia standards.

The **Expansion and Growth Coordinators** work with staff and volunteers to successfully recruit men for expansion presence on campuses internationally. Coordinators also work with active Chapters who need help in the area specifically related to recruitment to better Chapter recruitment practices.

Fraternally,

Jerod K. Miles, Central Oklahoma '09
