Officer Transition and Training: The Key to Your Chapter’s Success

The heading correctly identifies the importance of officer transition; the key to your Chapter’s future lies in officer transition and training. **Officer transition and officer training are not the same.**

**Officer transition** is the passing of information, records, suggestions, and responsibilities from out-going to newly elected officers. Transition is the “handing off” of the tools needed during a new officer’s training.

**Officer training** includes any & all meetings, planning sessions, or discussions that take place in order for the new officer to build the skills necessary to do the job.

The transfer of power and knowledge is important to the future survival of any chapter. Officer transition is too often ignored or poorly done, leaving a chapter’s new officers with very little insight as to how to perform their jobs, what responsibilities they have, or even their exact duties.

**Just as with officer transition, the anticipation and guaranteed need for officer training can make it easier than most organizations make it appear.** The needs and purpose of training, however, require added considerations, which do make planning slightly more difficult. By design, training can be used to educate officers on their responsibilities, and to create a cohesive group among the Chapter’s leadership.

This Gold book is dedicated to helping your Chapter move through officer transition and training as smoothly as possible. In the coming pages you will find checklists and ideas that will help Executive Councils maintain continuity within the Chapter from year to year.

Officer Binders

The key to officer transition is having an effective way to pass on important information from year to year. The creation of officer binders is a top priority for successful chapter officers. These binders should contain all information that is pertinent for an officer to do his job.

An officer binder contains but is not limited to the following items:

♦ University Mission Statement
♦ Acacia Mission Statement (Preamble)
♦ Office Role/Responsibilities
♦ Office Gold Book (available from Acacia Headquarters)
♦ University Academic Calendar
♦ Chapter Calendar
♦ Laws of Acacia
♦ Chapter Bylaws
♦ IFC Bylaws
♦ Contact information
  ▪ Acacia International Headquarters
  ▪ Chapter Advisor
  ▪ Chapter Corporation Board
  ▪ University Student/Greek Affairs
  ▪ Events (Venues/Vendors)
  ▪ Publications (Student and Local Papers)
♦ Archives
  ▪ Past Calendars
  ▪ Event/Activity/Project Ideas
  ▪ Activity and Project Reports (pg. 9)
♦ Any other information useful for a specific office

FAQ - Do I have to use a physical binder? NO - however you do need to utilize a format that is easily updated & easily transferrable. Here are a few ideas for the format of the officer binder:
1) a physical binder with copies of every relevant document
2) a flash drive or “jump drive” with every relevant document
3) shared documents online with GoogleDocs (utilizing your chapter’s Google Account @acacia.org or a separate account)
4) shared notebooks on a web application such as Evernote (evernote.com)
Officer Timelines

Creating an officer timeline is one of the best ways that you can ensure success over the coming year.

If you are an outgoing officer & did not have an officer timeline handed over to you, follow the steps below to brainstorm some of the most important actions you took over the past year.

If you are an incoming officer & have not received an officer timeline from the previous officer, follow the steps below to brainstorm anticipated actions over the coming year. Once you have got your timeline mapped out, be sure to transfer that information into whatever planning system you use (i.e. Google Calendar, planner, notebook, agenda, appointment book) in order to have your reminders set in place.

An officer timeline is essentially just a way to map out the most important actions to be taken in each month of the year. It is articulated in this form as a way to help an officer fully understand the steps that often need to be taken far in advance of the actual event or activity.

For example, if your chapter has an annual alumni weekend in late March, there are actions that need to happen as early as December or January in order to notify alumni, reserve a space to meet, coordinate any activities, etc. If you wait until March to plan the event, it will not happen & you will have many grumpy alumni members wondering why you didn’t “get on this before now.”

The guidelines stated below may not cover 100% of all details that you need to be thinking about, so be sure to review this document with your Chapter Advisor, House Corporation Board President, or any other relevant alumni advisors.

Guidelines for Creating Officer Timelines:
1) Start a new word processing or spreadsheet document & make a heading for every month of the year
2) Ask yourself, “What are the events, activities, & projects that will need to be planned for throughout the year?” & “When do I need to take action on each of these to ensure successful execution?”
3) Fill in information as it comes to your mind & continue to fill in information as it will continue to come into your mind as you get closer to the activity.
4) Review the Officer Timeline Mind Jogger list fill in relevant actions
5) Transfer all of this information into your calendar or planner, or whatever will remind you when these events are getting near
6) Finally, as mentioned previously, review this list with your alumni advisors to see if there is anything that you are forgetting
7) Now follow the plan!

In the Appendix of this document you will find the following:
• Officer Timeline Mind Jogger list
• example Officer Timelines from the Kansas State Chapter of Acacia Fraternity

Guidelines for Updating your Officer Timeline as an Outgoing Officer:
1) Review your Officer Timeline and ask yourself, “Knowing what I now know, are there any activities that would run more smoothly if I took action a bit sooner in the calendar?”
2) Indicate what those actions would be on the Officer Timeline before handing off to Incoming Officer
Officer Transition

**Outgoing Officer Evaluation**

**Directions** – Many of these questions are geared toward former, or out-going officers. They should be considered carefully and communicated to the newly elected officer. New officers can use these questions to brainstorm ideas or goals for the upcoming term of office. *Make copies or multiple documents if needed.*

1. Office: ____________________________

2. What are the responsibilities of this office?

3. What were the Chapter’s objectives and goals for the past year?

4. In what areas did you succeed this year? What/Who helped you succeed?

5. In what obstacles to success did the chapter face during your term?

6. In your opinion, rank the obstacles or issue that will require attention within the next year?

7. What should be done immediately in the next semester?
Activity/Event Report

Complete three (3) of these reports for the most important activities or events throughout the year. **Make copies or multiple documents if needed.**

Date:

Event:

How was event put together?

Was this event successful? Explain what made it a success.

Were there problems with the event? (setup or actual event)

Would you encourage doing this event again?

What, if anything, could be done to make this event more valuable or easier to organize?
Officer Training Checklist

The following is a list of suggested topics for officer training. Knowledge of these topics will help new officers to understand their role as an officer, and help them to accomplish their goals for the Chapter.

✓ International Organization
  - Organizational Structure
  - Constitutional Policies and Procedures
  - History and Traditions

✓ Local Chapter
  - Organizational Structure
  - Constitutional Policies and Procedures
  - History and Traditions

✓ Officer Development
  - Role and Responsibilities of Position

✓ Campus
  - Who’s who – Key University Officials
  - Recognition Standards
  - Judicial Policies and Procedures

✓ Community
  - Who’s who – Key Officials
  - Schedule of large community events
Officer Retreat

The best way to go about officer training is executing an officer retreat. This retreat is a great opportunity to:
• introduce new officers to the topics listed on the preceding Officer Training Checklist,
• conduct meetings between incoming and outgoing officers, and
• set Chapter goals or Officer-Specific for the next year.

Some other advantages to the officer retreat include:

• Development of a sense of cooperation and teamwork among officers
• Problem solving and goal-setting at the management level
• Provide continuity and maintain momentum between changing administrations
• Orientation of new officers to the full range of chapter leadership efforts
• Collaboration of leadership efforts

When? - The best times to hold an officer retreat include:

• Immediately following chapter elections
• During fall (or spring) semester orientation
• Whenever the executive council loses its sense of organization, direction, or cooperation

Who? - Those that should be involved with an officer retreat are the Incoming Officers, Outgoing Officers, and Chapter Advisor.

Where? - Acacia HQ recommends that you get away from the chapter house! Go reserve a room at the Union, or at your local Masonic Lodge, or at a restaurant, or at an alumni members house. Getting out of the house removes many of the distractions that can delay this meeting actually being completed.

For information and ideas on planning an officer retreat refer to the Chapter Retreat Gold Book, many of the ideas related to a Chapter Retreat are the same to keep in mind for an Officer Retreat.

Example of Completed Officer Timeline

* On the following pages, you are being provided with a couple of examples of what a completed Officer Timeline would look like. The example is from the Kansas State Chapter, one of our chapters that has some of the most positive momentum going right now!

* Yours doesn’t need to be this detailed on the first draft. The Kansas State Chapter has been refining this document over the course of a couple of years.
JANUARY / FEBRUARY

The Venerable Dean’s term of office officially begins at the Saturday of Acacia Celebration Weekend during the Induction of Officers Ceremony at the conclusion of Initiation.

Both the Venerable Dean and the Venerable Dean-Elect will share communication throughout the vacation break with all plans for the future semester being coordinated by the VD-Elect.

Items on the docket the FIRST TWO WEEKS of January:

- Finalize a date for the house to open; ensuring the Senior Steward will be present to help turn everything on. Typically the weekend prior to classes starting on Thursday. Inform each member as soon as the date is set, they will want to know.
- Post the schedule for opening weekend on the Chapter website and inform each member and alum, this is “Acacia Celebration Weekend” and should include plans for: the Man of Acacia Celebration and Initiation, Senior Man of Acacia Board Meeting, Spring Semester Retreat, First Chapter Meeting, and Induction of Officers. (see Acacia Celebration Weekend notes below)
- Confirm with the Ritual Chairman and Senior Dean that the Lodge has been secured for MOA Celebration
- Set date and times for Executive Council meetings throughout the semester. Typically on Mondays at 9PM. Encourage standing committees to meet prior to Exec meetings every week.
- Set a Chapter Schedule. This is always difficult during January and February. Check the K-State Men’s Basketball schedule and avoid any Wednesdays that members may want to attend the game. Sunday evenings have been used to substitute a game week. These dates require a Chapter approval vote at the first meeting in January. Chapter should return to every Wednesday in March.
- Set an outline for the semester calendar. The big calendar items that must be sought after PRIOR to classes starting are: Chapter nights, Scholarship Interview Weekends, Spring Formal, and Leadership Weekend.
- Get Committees organized and decide how you will separate members into each committee. These assignments should be given during or before the retreat.
- Review the Grade Report released by Greek Affairs office. Discuss the results with the Scholarship Chairman and notify the Risk Management Chairman and the Judicial Council if scholarship hearings need to be held, refer to Constitution.
- IMPORTANT: Read through the Laws of Acacia, Chapter Constitution, House Policies, Standing Rules of Order, etc. Understand how they relate, work, interconnect, and overrule each other. Be able to communicate the information properly to the Chapter members without referencing the books, you should know the rules that protect YOU and the CHAPTER.

Random Things to Know:

- IFC Greek LEADS are difficult to motivate officers, challenge them to find the positives
- Take an inventory every 4 weeks, update yourself and officers where we are at
- 850 free copies at Greek Affairs every year (1 cent per page after that), usually used for recruitment/ALS
- Keep Mom Ann in the loop on events, details, COREs, etc.
- The Bulletin Board is your responsibility, work the Treasurer/Secretary to keep it up
- Mom’s Club is functioning, keep in touch with the officers
- International Conclave Awards and Awards in general should ALWAYS have an Acacia application, do not let one slip away.
- It is tradition for the Venerable Dean to create a signature ‘call sign’ to end each email they send. It describes a lot about your term as an officer and the culture you want to establish between brothers. Examples include:
  - Ben Connell – “El Presidente”
  - Justin Geist – “The Bus Driver”
  - Brett Eakin – “Together,…”
JANUARY
- The incoming Secretary/Treasurer has full control over The Acacian Newsletter to be produced at the beginning of the Spring Semester.
- Work with the outgoing Secretary/Treasurer, Venerable Dean, Chapter Advisor, Lucas Shivers, and Brett Eakin for guidance.
- Set a deadline to have articles submitted for the newsletter. Ideally, this should be around January 10th, allowing enough time for you to edit the articles and have a draft ready to present at the Board of Directors Meeting in January.
- Publish The Acacian Newsletter, usually printed at Staples, and mail to the alumni, families, and campus administrators.
- The checkbook must be signed over in January.
- Set a due date for semester rent. Typically this is February 1 for both the monthly payers and those members who pay in bulk. The due date for rent for the members paying monthly is the 1st of each month. Typically, a grace period of 15 days is allowed for monthly payers, with a 2% late fee incurring on any late payments.
- Ensure all files are updated with the outgoing Secretary/Treasurer, including the December MOA Budget Report.
- Work with the outgoing Secretary/Treasurer and Senior Man of Acacia Finance Chairman for the Man of Acacia Budget, Fred Loseke, to file the Federal and State Tax forms.
- Update the K-State Student Union Meal Plan.

- Pay the bills on time.
- Pay rent to Senior Men of Acacia and mail to the Topeka mailing address.

- Pay the bills on time, and watch for initiation fees from the International Fraternity.
- Stay on top of reimbursement requests.

MARCH/APRIL
- The process should start to become VERY cyclical, but continue to stay motivated and stay on top of your duties.
Complete the February and March budget reports by the 10th of the month and send to Fred Loseke for review. Present them to the Chapter.

Collect March and April rent at the 1st of the months. Notify Gary Haag and company if a member becomes delinquent in paying his bills.

Pay bills on time.

Pay rent to the Senior Men of Acacia.

Hold the mail over Spring Break if no one is staying at the Chapter house.

Work with the Venerable Dean in securing Housing Contracts for the next academic year.

Complete the Federal and State Taxes in April for the 1st Quarter report.

Coordinate with the Venerable Dean, Lucas Shivers, and Brett Eakin on press releases about the Chapter’s activities. These releases are posted on the Chapter website and sent via e-mail to the alumni through Constant Contact, a monthly Chapter update to alumni, campus administrators, and families.

MAY

Complete the Term Report and update the monthly timeline as necessary.

Ensure that ALL reimbursements are made before leaving for summer break.

Make plans for the mail over break, and switch trash service from Waste Management from WEEKLY to MONTHLY Service.

Decide with the Venerable Dean what the Men of Acacia plan to sponsor for the annual STAG Weekend in June.

Work with the Recruitment Chairmen on drafting the New Member Packet (Opening Weekend Information, Housing Contracts, Bid Cards, etc.) for the New Young Men of Acacia. This should be sent via mail to the YMOA by the end of May at the latest.

JUNE/JULY

Make sure the mail is forwarded to an address at which you can receive it in order to pay bills.

Although reimbursement requests are nonexistent, ensure that the bills are paid on time for the summer months. Sometimes this is very difficult, so stay motivated.

Work with Venerable Dean, the Chapter Advisor, Lucas Shivers, and Brett Eakin on coordinating the fall edition of The Acacian Newsletter. Again, set a deadline for article submittals and edit a draft before returning to campus in August.

File the Federal and State Taxes in July.

The summer months can be slow from a Secretary/Treasurer’s perspective, but this is a great time to work with the Executive Council to discuss how best to further develop the Chapter. STAY MOTIVATED!

AUGUST

In many ways, the fall semester is extremely similar to the spring semester.

Finish the July budget report and send to Fred Loseke for review.

Draft and publish the Acacian Newsletter. This should be routine now.

Set up the K-State Student Union Meal Plan.

Ensure that each new YMOA has a copy of the Constitution, House Policies, and Standing Rules of Order. Copy the signed Housing Contract for the new Young Men of Acacia and their families. Also, they should have a calendar of opening weekend events, YMOA Supplement, Mothers’ Club Info, Six Meanings of Acacia, and payment plan description.

- STAY ON TOP OF REOMBUERESEMENT REQUESTS!

OCTOBER

- Finish the November budget report and send to Fred Loseke and the incoming Secretary/Treasurer.
- Ensure ALL reimbursement requests are complete before leaving for Christmas Break.
- Hold the mail over break.
- Coordinate the production of The Acacian Newsletter with the incoming Secretary/Treasurer. The incoming officer has full control of the publication, but you are ultimately there for guidance and advice. Help in any way possible to make the incoming officer feel welcome and comfortable since this is a slap in the face of a start for him.
- Complete term report and monthly timeline as necessary.

JANUARY
- The events that were completed for the incoming officer are completed again. The outgoing officer should assist.
