No, It's Not Over Yet! Six Art Events to Get you Through the End of August

ALLISON GALGIANI, AUGUST 7, 2014

#2 [Kathleen White \(A\) Rake's Progress @ Momenta Art \(FRI AUG 8, 6-8PM\)](#)
56 Bogart Street, Brooklyn NY 11206

Momenta Art's new exhibition, curated by Rafael Sanchez, features selected works by the artist Kathleen White that she created in the summer of 2009. After White's brother, Chris White, committed suicide, Kathleen went to work creating a series of 71 pastel-on-paper compositions in her brother's remembrance. In her grief, White found solace and perhaps a semblance of peace in the myriad of colors and a way to channel her pain and energy through the endless grinding and combining of colored pigment on the paper.
