- Have you ever wanted to work with homeless and at-risk youth?
- Are you motivated by working in a family-like atmosphere?
- Is it important to you to feel like you have a calling instead of just a job?
- Do you have passion, dedication and commitment to make a difference in the lives of youth?

If you said YES then Cocoon House might be the right place for you!

At Cocoon House, we live and breathe our mission every day. Our four housing programs provide a safe place for at-risk and homeless youth in Snohomish County and we are seeking team members who not only understand the importance and uniqueness of our kids, but are ready to make a real and lasting difference in their lives. We have both **full-time** and **part-time** opportunities to join our expanded direct care staff.

Minimum requirements: BA in Human Services (preferred) or experience with at risk youth and/or enrolled in a human services program.
