AWARENESS MONTH

COCOON ... HOUSE
This November, Cocoon House is recognizing Homeless Youth Awareness Month, a nationwide month of action where people draw attention to youth homelessness. Staff and volunteers from Cocoon House will spend the month holding educational, community service, fundraising, and advocacy events to address youth homelessness.

The mission of Cocoon House is to empower young people, families, and the community to break the cycle of homelessness through outreach, housing and prevention. This mission supports the belief that every young person deserves a home and the opportunity to achieve their full potential.
SNOHOMISH COUNTY HAD 4,000 HOMELESS STUDENTS IN 2018

Here in Washington State, an estimated 21,000 people are homeless on any given night Cocoon House is committed to breaking the cycle of homelessness and we need YOUR HELP!

14.5 is the average age a teen becomes homeless.
