Reservations

6. It is advisable to book as soon as possible after purchasing your safari package or at least reserve your booking date one year in advance to avoid any disappointment. Kindly note that our peak season is between August and November and as a result the Safari Game Lodge gets filled up very quickly (being limited to 43 rooms). Should you not be able to place a booking at the Safari Game Lodge, the Heritage Safari Lodge/Tented Camp is normally available (as we have more rooms/tents). You can split your stay between the two lodges, eg, 4 nights Heritage Safari Lodge/Tented Camp and 2 nights Game Lodge .

Please note that you will have access to all the amenities & facilities of both lodges wherever you to stay. That is you can still go and visit the Game Lodge if you are staying at the Heritage Safari Lodge (vice versa).
