

BURNERS & IGNITION KITS

FENIX IGNITION KIT

TORRENT PERFECT FLAME BURNER

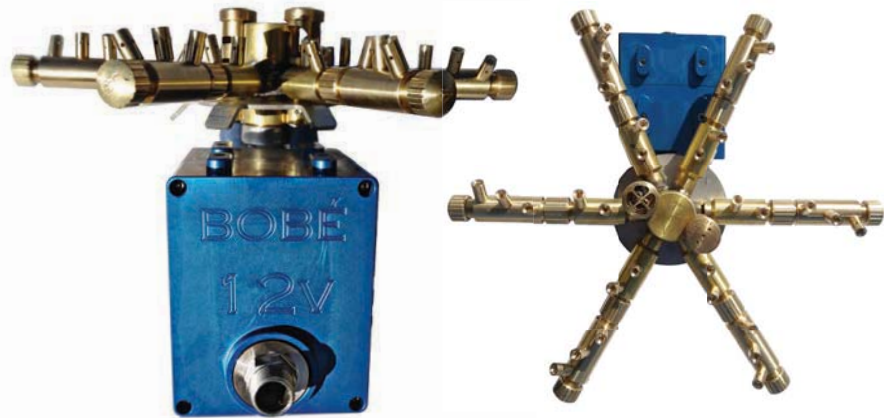

TORRENT FIRE LINE

THE FENIX

BY BOBÉ WATER & FIRE

AUTOMATIC IGNITION SYSTEM

THE NEW FENIX 12V IGNITION FEATURES:

- Featuring our new all-brass, low-consumption Torrent burners
- Fully waterproof solenoid gas valve
- Fully waterproof microprocessor
- Anodized aluminum valve box
- Manual bypass for optional manual operation
- LED lights for gas, voltage, and flame sensors
- Water bypass for heavy rain
- Heating element that runs at 1200 degrees

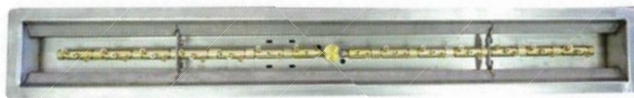

All ignition kits come assembled with a media pan and Perfect Flame Torrent burner. Transformers are included.
