NOTES:

• All patterns range XS-XL in either women’s sizes (black lines) or men’s (blue). Refer to the Size Charts on page 188 for specific measurements corresponding to each size range.

• Use tracing paper, pattern paper, or tissue and a sharp pen or pencil to make a copy of your size.

• Transfer all markings such as notches or darts.

• Some larger pattern pieces need to be pieced together. Trace and match up on indicated line.

• Refer to pattern instructions for specific cutting information.
