A Message From the CEO

Dearest friends,

I hope your new year is off to a fantastic start!

I want to take advantage of this issue of the Voice to share with you some of the many blessings and opportunities the Children’s Home Network has been given this past year.

If you are familiar with CHN, then you know we love supporting and helping children and their caregivers/families. It is our calling and commitment to always provide quality services and to reach more children and families than we did the year before.

It brings us great joy to make a positive impact in the life of a child and increase their chance for success in the future. I am happy to report over the past year we have been given the honor of serving more children and families than ever. We are very grateful to our business partners and friends that make it possible for us to fulfill our mission and expand the impact of CHN.

Because of you, a greater number of children and families are thriving in the Tampa Bay area and across central Florida. We are building a stronger community where children grow up healthy and happy. Together, we are truly improving lives and changing life stories.

Warmest regards,

A Night to Remember

The 37th Annual Children's Home Network Golf Classic and Luau

We are thrilled to announce the success of our 37th Annual Golf Classic and Luau sponsored by Advanced Drying Systems. A fun time was had by all on November 3rd and 4th at Carrollwood Country Club. Our Luau Kick-off party featured silent and live auction items, cocktails, dinner, and music, led by our emcee extraordinaire, Topher Morrison.

Monday's golf tournament was a hit with over 125 participants. Congratulations to Zeno Office Solutions for receiving 1st place in the tournament! The event would not have been possible without participants and our sponsors listed below.

This year's tournament will take place on November 1st and 2nd 2020 at the Feather Sound Country Club.
Restoring Childhoods

Children’s Home Network is committed to Changing Life Stories and restoring the childhoods of the many children living at Kids Village whose innocence was cut short by trauma and abuse. To accomplish this, the whole child must be honored and healed, experiencing life and opportunities afforded to every child. As a result, our children become confident and resilient, recognizing that they are truly lovable, capable and worthwhile, just as the following three children realized.

Michael is a ten-year-old boy living at Kids Village since June 2019. Unfortunately, Mike’s early years were filled with violence and fear, and he was often beaten by his mother’s boyfriend, denied food or comfort from the adults who should have provided him safety. Michael was frequently isolated in his room in the family’s threadbare apartment and he avoided interacting with his peers at school. Michael was terrified of others and would either shrink in fear or lash out at the other children when he first came to live at Kids Village.

Hanna is a 13-year-old girl who has lived at Kids Village for over a year, and her prior life experiences included chronic neglect and family trauma, including sexual violence and homelessness. Hanna desperately wanted to trust and connect with others, but she behaved like a much younger child and was unable to develop friendships with her peers. Additionally and although she was a bright girl, Hanna was far behind in school as her attendance had been sporadic at best when she resided with her family. Hanna was very self-conscious and unsure of herself because of her struggles.

Eleven-year-old Courtney, along with her brother, have been living at Kids Village since February 2019. Violence and fear shaped the way the children viewed the world and Courtney struggled to feel safe, often feeling threatened, defensive and quick to anger. Courtney also struggled with her weight which made her even more insecure and she was at risk of developing bullying behaviors towards her peers. These stories are not unlike those shared by many of the children living at CHN; however their stories don’t end here. Through the comprehensive services and supportive care provided at CHN, our children’s journey and restoration serve as a testimony of healing and of the impact of your support.

Although he never played baseball in his young life, Michael was encouraged by his caregivers, therapists and CHN staff daily and soon Michael gained the courage to play Little League last season. Because Mike was painfully shy and
often unable to manage his emotions, caregivers attended every one of his games, offering reassurance and encouragement every step of the way. Michael soon gained confidence and developed into a talented player and respected teammate. Michael’s coaches were equally committed to him and played a significant role in developing his talent and social skills. By the end of the season, Michael not only learned to play every position, but triumphantly pitched for his team during a League Tournament – helping them secure 2nd place with a record of 12 – 4. Today Michael has confidence, focus and determination - and most importantly, is enjoying his childhood!

When first arriving at CHN, Hanna struggled to understand her life experiences and how they influenced her behaviors and relationships. Additionally, Hanna was beginning to experience life as a young adolescent, learning how to care for herself through improved hygiene and eating habits. Eager to please, Hanna responded quickly to the care, direction and therapeutic support provided at CHN. Hanna’s confidence and social skills needed further development and the CHN team encouraged her to explore sports. Hanna joined a local soccer team where her energy and love for the game were quickly realized. Hanna loves running the field playing defense or as the team’s goalie and has become an integral member of her team. CHN caregivers attend every game that Hanna plays, not only to cheer her and her team on, but to witness her amazing transformation into a confident and secure young lady.

Courtney was angry and did not trust anyone, but the tireless care and commitment of the CHN team slowly encouraged her to open up and take risks. Because she was overweight, Courtney completely lacked confidence in her ability to participate in activities that her peers at school were involved in, and she refused to pursue her dream of joining a cheerleading squad. Similar to Michael and Hanna, Courtney also benefited from the therapy, behavioral and social interventions provided at CHN, and through the tenacity and support provided by her CHN family, she was able to try out and was selected to the cheerleading squad! Since then, Courtney’s skills and confidence have grown exponentially and she is now the Captain of the team, managing the routines and leading the other members in their cheers. In addition to this amazing transformation, every performance is attended not only by CHN caregivers, but also Courtney’s brother, who proudly watches and cheers for his sister. The highlight of this past year was when Courtney and her squad were invited to cheer at Raymond James Stadium. Courtney’s journey has been tough and rewarding, and her self-confidence and strengths are direct result of the risk she took and the opportunities made available to her. 

CHN provides every child individualized care such as therapy, educational support and behavior interventions, and as a direct result of your generosity, we are able to do so much more to restore childhoods for our children. To accomplish this, CHN offers comprehensive, individualized and diverse opportunities to engage youth, recognizing their unique talents and strengths, while remaining sensitive to the obstacles they will need to overcome in order to succeed. The stories of Michael, Hanna and Courtney are not unlike those of every CHN child. Whether through sports, art and educational programs or part-time employment, CHN is committed to ensuring that every child living at Kids Village experience normalcy and exposure to traditional opportunities that most children their age take for granted. Thank you for helping us change their life stories and restore their childhoods.
In November, a team from Home Depot (representing stores all over the Southeast) spent the day on the CHN campus. After working in our Donation Center through the morning, they hosted a DIY workshop for our campus youth. The kids had a BLAST making their own rocket ship shaped pencil boxes.

7-year-old Olive came to the CHN campus in November to deliver the $114 she raised by setting up a lemonade and hot dog stand in front of her house! Her parents matched her donation, and the family donated a total of $230 to help the children and families we serve! Thank you, Olive, for your hard work!

Outback Bowl President & CEO, Jim McVay presented CHN with a gift of $5,000. The Outback Bowl not only supports the colleges who play in the bowl, but also through $1.5 million dollars donated to local Tampa Bay area non-profits. Thank you to the Outback Bowl for choosing to support the boys and girls that call CHN home with this generous donation!

In October, 30 volunteers from Florida Blue came to CHN’s campus as part of United Way’s Annual Day of Caring. The group completed several needed tasks including cleaning our dining hall, learning center, and CHN’s fleet of vehicles. In addition, the group helped organize the donation center and trimmed the crepe myrtle trees at the front of campus. We are so grateful for their hard work to make Kids Village shine!

Showtime Transportation and their partners collected over 200 bicycles and tables of presents for the Children’s Home Network. The event was held at the Crown & Bull for the second year in a row. Special thanks to: Showtime Limousines, Big Boy Moving, Relco, Dibello Racing, Dion Falzon, Pete Jutis, Strokers Palm Harbor, Ryan Hilberth, WFLA, Paradise Flooring Solutions, PURE Yoga and Fitness, Market Florida and more!

Bobby Friss surpassed his own 2018 record of $20,000. At his benefit event on Dec 4, 2019 at Quaker Steak and Lube he raised $21,000 for the Children’s Home Network. He’s pictured here with Lauren Ruiz from Children’s Home Network. Thanks, Bobby!

Once again, the West Florida Division of Pulte Homes hosted their annual Building to Make Lives Better Charity Golf Tournament in October. Proceeds raised at each year’s event provide ongoing support for our learning center, now known as the Pulte Promise Center. This center provides our boys and girls with educational resources and services to help them thrive. We are excited to announce that this year’s golf tournament surpassed last year’s! Thanks to our friends at Pulte, and their generous vendors and partners, we were awarded $151,211!

Thanks to Wetherington Hamilton, P.A. for hosting their 5th Annual Cocktails for Cause in October at the Tampa River Center. The evening was filled with cocktails, delicious hors d’oeuvres, a silent auction and raffles benefitting CHN.

A special thank you to WiLD 94.1 and Orlando Davis for hosting another successful event! Orlando’s Toy Tower collected 834 bikes and $42,663 for the children in our care.
Thank You For Spreading Holiday Joy!

The foster youth living in Kids Village had an unforgettable Holiday Season, thanks to many of our incredible community partners. From providing Halloween costumes and Thanksgiving dinner, to decorating the cottages for Christmas, helping at Holiday Open House, fulfilling Christmas wish lists, and much more, we are so grateful for everything they did for our kids!
