Questions for Discussion/Reflection

*COVID-19 Note: This is a unique but important time to stay connected. Consider using these questions creatively—go for a walk with a friend and discuss along the way, invite friends over for dinner and plan to discuss, call someone or schedule a zoom call!

Sermon Discussion/Reflection Questions

• (Ice breaker) Sosamma shared the story of the people behind her names. Are there stories/principles about the people behind your names?
• Sosamma outlined 3 principles that are at the heart of Biblical Justice (Prayer, Vision & Perseverance). What stood out to you about these stories? How have these principles manifested themselves on your own justice journey.
• If biblical justice is a journey—where do you find yourself on it? Where have you come from? Where do you aspire, by God's grace, to go?
• Read Micah 6:8 and discuss/ponder any takeaways you had from Sosamma's explanation of the verse.
• Read Matthew 28:19-20 and discuss/ponder any takeaways you had from Sosamma's explanation of the verses.
• Sosamma shared the stories of Gary Haugen, Don & Bridget Brewster & Malala Yusafzai. What resonated with you about these stories? Who else would you add to this list as a faithful worker for justice?
• Any other points from the sermon your group would like to discuss.
