

Health Sciences Learning Center - Vermont Valley

Site Information

- Main contact: Willem Schott (608)335-1912, willemoschott@gmail.com
 - Alternative Contacts: Julie Friedman (jfriedman8@wisc.edu), Mary Finta (finta@wisc.edu)
- Dear Vermont Valley CSA share-holders,
- It is my great, and slightly delayed (so sorry) pleasure to become your new site host at the Health Sciences Learning Center. You can find my contact information above, along with the e-mails of my two fellow med student friends Mary and Julie who are helping me out. Pick-Up Hours will be from 4pm Thursday - Noon on Friday, at this point, unclaimed shares will be taken to the McPherson House room (Room 2242) on the second floor of the HSLC until Monday morning at 9am when the food will become fair game to our med student classmates (and potentially donated to local food banks should our schedules allow). If you forget to pick-up your share please e-mail Myself, Mary, or Julie as soon as you can. We are all fairly busy such that cell phone contact is difficult at times and therefore e-mail is best. A few notes from Vermont Valley: plastic containers stay at the pick-up site (DON'T remove these, please it's just a hassle for everyone), therefore please bring your own bags or use the few extras to transport your share home, and finally, please mark off that you've received your share (and take ONLY your labeled share).
- As for the pick-up site: While somewhat difficult to find on the first go, this location seems to have worked in the past, and is our best option in the HSLC with public access but key-coded rooms. Deliveries will be made to the: HALLWAY 1330 K, which is...theFIRST HALLWAY ON YOUR RIGHT AS YOU ENTER THE NORTH ENTRANCE FROM THE PARKING LOT.

- Here's a view of the pick-up boxes — — —>

- And finally above is the view from the outside, enter the first set of doors and turn right immediately, if you get through a second door, you've gone too far!
- I know this is a lot of information, but we are all med students committed to the goal of public health through our education and the great programs at Vermont Valley. Good food and good health to all
- Sincerely,
- Willem Schott
- P.S. Should significant issues arise and you cannot get a hold of any of us, please call Vermont Valley (608-767-3860) or Barb (608-576-3863) or for cheese call Dreamfarm (608-767-3442) and they'll quickly figure it out (It's not their first rodeo, just mine!)
