

Dear Vermont Valley CSA members,

Welcome to 506 Dunning Street! We moved into the neighborhood last year and are excited to host a CSA pick-up site for the first time this summer.

Just a couple of notes to help Thursday nights run smoothly:

- Pick up is on Thursdays from **4 pm to 7 pm**. Please email, call, or text (contact information below) if for some reason you cannot make it during these hours. We will leave your share just outside our garage for you to pick up. If we don't hear from you by **8:30 am on Friday morning**, we will donate your share to a local food pantry.
- Please leave behind the plastic container and lid after you collect your food. There will be a place to stack empty containers inside the garage as well as a choice box to leave any food items that you might not want to take home.
- Be sure to cross off your name when picking up your share. For the first two weeks, we will call to remind those who have not picked up their share by 7:30 pm. After that, if we do not hear otherwise, we will donate unclaimed shares Friday morning.
- Please park on the street when picking up your share. Our driveway is narrow and can be difficult to pull in and out of.
- Please bring your own bags to pick up your share. We will try to have extra bags on hand in case you forget. We also welcome and encourage bag donation.

We look forward to meeting you all this summer!
