

Welcome to Vermont Valley Community Farm's 2016 Season

To help things run smoothly, keep these few things in mind:

Most important – if your name is not on the list, please do not take a share since that will result in someone else having no share. Instead, call the farm (767-3860) to find out what the problem is. Chances are your veggies and name are at the wrong site. If you don't reach anyone at the farm, call me (Joe) at 712-4875. We'll work it out.

Also – **always, always, always check off your name** so that we know whom to call when shares are left over. If for some reason you can't pick up your share on delivery day, send me an email: jschmitt106@gmail.com with your plan for getting it. Otherwise, unclaimed shares will be donated the following day while still in good shape.

Next – **never take the container the food is delivered in.** Please bring your own bag and transfer into that. If you forget your bag, usually there will be bags here for you. If you have extra bags, please bring them for others.

Hours – 4-7 is the official pick up time but if you need to pick up your food late, no problem. The dogs will bark their welcome but pay them no mind.

Finally, as to those dogs, please **NEVER, EVER leave the gate open** even temporarily while you are here. One of our dogs has a powerful wanderlust and a tiny brain. We don't want to see him doing battle with vehicles.

Thanks and enjoy,

Joe and Rena
