

Good Morning!

I would like to take this opportunity to welcome you to the Community Supported Agriculture (CSA) program! My name is Liz Reynolds, and I am your Vermont Valley Community Farm CSA site coordinator for the American Family Children's Hospital (AFCH). If you need to reach me, my business phone is 890-8913 and my email is ereynolds2@uwhealth.org. **The best way to get a hold of me for immediate response is by calling or texting my cell phone, 217-652-2132**, as I may be away from my desk frequently. Feel free to contact me with any questions or concerns.

Site Hours: Thursdays, 2:00 – 4:30 PM

The farm will deliver shares to the AFCH Lobby and I will send out an email announcing when your produce has arrived. **Please pick up your share before 4:30 PM, as this site will be unattended after this time.**

Unclaimed shares will be available until Friday morning at 9:00 AM behind the desk at the Guest Depot, but please keep in mind that shares will be unattended during this time. After 9:00 AM, leftover shares will be donated to a local food pantry for those in need.

Your shares will arrive at the site in plastic bins. **Please bring your own bags** to unload the contents of the bins, as the bins need to stay at the site. Please stack the empty bins and lids neatly, and keep these out of the path of the patients and families that we serve.

Let me know if you have any questions. I will be available during the first drop-off hours Thursday to answer any questions that you may have. I look forward to meeting you!

Thank you!
Liz
