

Hello!

We are the Wolfer family: Jamie, Carissa, Elyse (3 years), Nathan (8 months), and our dog, Kal. He is very friendly but barks and jumps when he gets excited.

Pick up times: Our garage will be open until 8 pm. Email, text, or call if you need to make alternate arrangements. If we are around, we will email a reminder for forgotten shares. Any shares unclaimed by 9 am on Friday morning will be donated.

Check-off sheets: Cross off your name on the list(s). Note there are separate forms for vegetable and fruit shares. We use these forms to identify any remaining shares. If someone else is picking up your share, make sure they know which items to take.

Choice box: Leave anything you don't want and take any extras from the box.

Paper bags: Last year, we went through a lot of bags. We would greatly appreciate donations of paper bags.

Parking: You are welcome to park in the driveway or on the street.

A lot of kids and dogs in our neighborhood play in the street. **Please drive slowly.**
