

VERMONT VALLEY COMMUNITY FARM  
MT HOREB- SOUTH PICK UP SITE- 203 S. 4TH ST.

Dan and I welcome you to another CSA season! We have been a Mt Horeb Vermont Valley Community Farm pick up site since 2001.

The pick-up site is **in our small garage in the alley** between 4th and 5th Sts.....enter the alley from Lincoln St.

You may come early to pick up your share on Thursdays. Mt Horeb is Vermont Valley's first drop off so your vegetables or fruit will usually be there by noon. We prefer you pick up by 7pm, but the garage will be open until 9pm. Any shares left after Friday 8am will be distributed to the Mt Horeb Food Pantry and/or potential CSA members.

Please walk to the site whenever possible; if the parking area directly in front of the garage is full, you will need to park on Lincoln St and walk down the 40 ft or so to the garage. **Please do not park in the alley itself**, as it will block our neighbors' access to their garages.

Paper bags are appreciated. Please stack the containers and lids in the designated place. Our phone number is 608-225-7174; our email address is [floods@mhtc.net](mailto:floods@mhtc.net). Please call before 9pm if you need to.

Thank You,  
Sally Flood
