

Dear Vermont Valley CSA members,

Thank you for signing up for Vermont Valley's CSA this year. Your membership makes a big difference in supporting local vegetable farming!

We look forward to hosting the West Lawn site this year for the first time after joining the Vermont Valley CSA several years ago.

Please call or text me (Colleen) on my cell phone with any questions: 608-957-9629 or you can email me at cvjohnson38@gmail.com. You're welcome to call/text anytime between 7:00 am – 9:30 pm.

Pick up time is between 4:00 – 7:00 pm on Thursdays. If you forget to pick up your share, or know that you will be late, please call/text/email that evening so we can arrange for you to pick it up later on Thursday or Friday morning. Shares that have not been picked up by Friday at 9:00 am will then be donated to a local food pantry on Fridays.

When you pick up your share, you may park on the street or in our driveway. The driveway is very narrow so please be mindful not to drive on the neighbor's lawn.

Please bring bags for your veggies, but if you forget your bags we will have extras. If you have extra neatly folded paper bags at home that you wish to contribute, feel free to leave them in the garage.

After filling your bags, please leave the plastic containers and lids in a stack in the garage.

I will be outside the first couple of weeks of pick-up to answer any questions. After that, you're welcome to knock on the door if you run into any issues during pick-up.

Thanks again for supporting our local farmers!
