Please briefly describe your work, including type of media and process. Feel free to attach additional pages, images, writing samples, footage, etc. as you find necessary.

Have you shown your work recently? If so, please list venue(s).

Please list a web URL where your work is visible (website, Facebook, Instagram, etc.).

Are you an art student or a teacher? If so, where?

Do you currently have access to studio space? If so, where?

Do you have any studio requirements (for example: windows, extra ventilation, 240v electricity)? Do you have specific requirements in terms of square footage?

Our studio rents span from \$160 to \$500 (per month). What's your price range?

How did you hear about SPACE Studios?

The SPACE Studio Building is a community of artists that are interested in sharing ideas. Are you interested in participating in such a community? Do you have experience with making work in that kind of communal environment?
