The first 40 hours shall be charged to the officer's accumulated sick leave, or if personal sick leave has been exhausted, then to other leave time.

6. Pregnancy is not usually considered a serious illness. However, when the attending physician certifies that the patient must remain in bed or lose the baby and/or endanger the mother's health, the condition may qualify for Serious Illness Leave. Provided the employee is eligible time-wise, up to 480 hours may be approved from Serious Illness Leave for those employees who
have been diagnosed by the doctor as requiring absolute bed rest. The City agrees that their maternity policy shall:

i. During a pregnancy, an officer may be able to continue to work in her usual, full-time duty assignment per verification of her physician's written orders. NOTE: For clarification of any physical job restrictions. A Physical Job Description Form shall be provided to the police officer in order to clarify restrictions by the physician. The officer must possess the skills necessary to perform such duties in order to be assigned to each specific duty. Maternity duty will not include work that involves the likelihood of encountering toxic chemicals, such as raids on clandestine drug labs or intensive traffic enforcement, or work that involves a high likelihood of suffering trauma.

However, in a case where the employee is being treated for the first time for an alcohol or drug-related problem and is certified by a physician as requiring confinement in order to be treated and cured, use of Serious Illness Leave may be approved. Provided the employee is eligible time-wise, up to 240 hours may be charged against Serious Illness Leave in such a case. Need for repeated treatments to cure alcoholism or drug-related problems will not be considered as being eligible for Serious Illness Leave.

8. The employee shall follow the City's policy, as to requesting and granting the use of Serious Illness Leave. This policy was established on April 14, 1997 and amended on August 17, 2007, and incorporated hereto as Exhibit A.

In other words, the buy-back rate will be paid eight (8) hours of sick leave for every eight (8) hours of sick leave up to sixty-four (64) paid hours per fiscal year. Officers have no obligation to sell unused sick leave to the City. Officers who elect to sell unused sick leave shall receive payment from the City, no later than the first day of December of each year.

While the City has discretion to purchase unused sick leave under this provision, it agrees that so long as it purchases sick leave from any employee of the City, then the City is obligated to purchase unused sick leave under this provision.

(B) If an officer elects to deposit the entire (100%) of his or her sick leave sold to the City into a deferred compensation plan, the City may buy eight (8) hours of unused sick leave in exchange for eight (8) hours paid up to ninety-six (96) paid hours per fiscal year from such officer. Employer shall use the established policy by which it may purchase unused sick leave at the base rate from officers who elect to do so and who have accumulated at least four hundred eighty (480) hours
of sick leave prior to October 1st of each fiscal year. Only those officers who participate in a deferred compensation plan which has been approved by the City shall be eligible to deposit their sick leave sold to the City.

(B) It is agreed by the parties that the purpose of this section is to provide additional leave days to an officer in the event of a serious illness or injury as certified by a licensed physician, that necessitates required convalescence and/or treatment for an illness, off the job injury, surgery, impairment, or physical/mental conditions where the officer is incapacitated for more than five (5) business days and is unable to perform all of the physical job requirements needed to perform the duties of a full time officer.

(C) The donating officer who elects to donate unused accrued annual leave, sick leave, or compensatory time to another officer, recognizes and agrees that the donated leave days shall be deducted from his or her accrued leave/compensatory time account and shall not be refunded. The Employer also agrees to provide space on bulletin boards in the briefing room and the detectives' squad room to be used by the Association for notices such as Association meetings, policies, election, recreational and social affairs. The Association agrees that there will be no other general distribution or posting, by the Association or its members, upon Employer’s property; however, the Chief of Police may permit other material not provided for above at his discretion to be posted or distributed.

23.4 Mileage Allowance.

Employees covered by this agreement may be required to use their private automobiles for duly authorized police department business, and shall be compensated for said use at a rate equal to that provided by Employer for all City employees.

23.5 Notification of Address and Telephone Number.

All employees must have their residence address and telephone number registered with the Chief of Police. If changes occur, the Chief of Police or his designee must be notified within 24 hours of the change.

23.6 Lockers.

Sufficient personal lockers for each officer and adequate evidence lockers shall be provided by the Employer.

23.7 Rifle and Pistol Range.

(A) The Employer shall provide police officers with the use of a rifle and pistol range and the ammunition and targets for target practicing shall be furnished by the Employer on a monthly basis. The Employer shall furnish free of charge a maximum of one hundred (100) rounds of ammunition for one (1), department-issued service handgun and a sufficient number of targets for use with one hundred (100) rounds each month to the employee using said rifle and pistol range. The ammunition and targets only shall be issued for and used at the City's rifle and pistol range and cannot be removed from that location. Officers shall receive twenty-five (25) rounds service ammunition annually. If the department requires an officer to use their service ammunition during firearms qualifications the department shall replace the service ammunition.

(B) The Employer shall furnish annually a maximum of sixty (60) rounds of service ammunition in the caliber for one (1), department-issued rifle. The department shall furnish a sufficient number of targets for use with twenty (20) rounds of
practice ammunition each month to the employee using said rifle and pistol range. If the department requires an officer to use their service ammunition during firearms qualifications the department shall replace the service ammunition.

(C) A schedule of availability shall be published that accommodates officers on all shifts. The Chief may institute rules and regulations in the Policy Manual that require accountability and use of ammunition and targets.

23.8 Copies of Agreement.

The Employer agrees to furnish each employee covered by this agreement with a copy of this agreement.

23.9 Training.
In-service training is to be so designed that training will be made available to all employees on a planned basis as time and annual appropriation allow, and in accordance with State law. The Employer shall publish a list of available training schools as soon as they are available to the Employer. Officers shall be given no less than seven (7) calendar days prior written notice before being assigned to attend in-service training. "For purpose of this Section, seven (7) calendar days does not include the date of notification nor does it include the first day of training." The seven (7) calendar day notice may be waived only when the Employer is not notified of a particular in-service class seven (7) calendar days in advance, or when the Employer is notified in less than seven (7) calendar days that there has been a cancellation, and that particular training is mandatory for the officer scheduled to attend as a result of his duty assignment (i.e.; fingerprint school, etc.).

ARTICLE 24

HEALTH AND SAFETY

24.1 It is the desire of the Employer and the Association to maintain the high standards of safety and health in the police department in order to eliminate, as much as possible, accidents, deaths, injuries, and illness in the police service. The Association president will appoint two (2) representatives to represent the Association and two (2) members chosen by the Chief to represent the Employer. This Committee will meet upon request by any of its members within three (3) business days. Members of this Committee will be granted time-off with pay when meeting jointly with management or for any inspection or investigation of safety, or health problems in the police department, with approval of the members' immediate supervisors. The Committee shall be guided by the following principles:

(A) Make detailed review into each accident, death or injury to provide a report on the incident and/or the ramifications to the Police Department, if any. Such report shall be advisory to the Chief.

(B) Recommend changes or conditions of unsafe work methods, protective equipment, protective apparel or devices for the elimination of hazards of police duty.

(C) Promote safety and first aid training for committee members and police officers.

(D) If an officer reports an unsafe vehicle, it shall be inspected by his supervisor and, if the supervisor disagrees that the vehicle is unsafe, no disciplinary action can be taken against the officer for refusal to operate the vehicle prior to inspection by the supervisor.

(E) If the officer disagrees with the results of the supervisor's inspection, the officer may request in writing that the vehicle be inspected by the City garage as soon as feasible. If safety problems are found, they must be corrected.

ARTICLE 25

GRIEVANCE PROCEDURE

25.1 Purpose.

The purpose of this grievance procedure is to establish an effective mechanism for the fair, expeditious, and orderly adjustment of grievances. A "grievance" is defined as a dispute, claim, or complaint by any officer that relates to a departmental matter involving the interpretation, application, or alleged violation, of any provision of this agreement. The discipline, discharge, or demotion for disciplinary purposes of any employee shall be done in accordance with the provisions as set forth under Chapter 143, Texas Local Government Code, except as otherwise provided for in this Agreement.
25.2 Association Representatives.

A written list of eight (8) Association representatives shall be furnished to the Chief of Police immediately after designation by the President of the Association and the Association shall give notice of any subsequent changes. The representative will be given reasonable time-off pursuant to Article 9 to resolve grievances.

(A) For the purposes of this agreement, "to resolve grievances" shall mean the following:

1. To investigate grievances.
2. To meet with management representatives in an effort to settle grievances.
3. To prepare and present proposals to management in an effort to settle the grievance.

(B) Any Association representative shall be allowed time-off pursuant to Article 9 for the purposes of representing employees covered by this agreement in arbitration hearings or in disciplinary action proceedings.

25.3 Time and Period.

(A) Any member who is aggrieved shall notify the Association giving the nature and details of the incident which led to his grievance. The grievance report form agreed to by the Chief and the Association is to be used for submitting any grievance. The grievance must be submitted within ten (10) business days of the date upon which the member knew of or should have known of the occurrence giving rise to the grievance.

(B) A grievance not brought to the attention of the Association within the time limit prescribed shall not be considered timely and shall be void.

(C) The time limitations described herein may be waived by mutual agreement in writing by the Association and the City Manager or his designee.

25.4 Steps.

(A) Step 1: Any aggrieved member shall submit his grievance in writing within the time limitations specified above to the Association. Within ten (10) business days of receipt of the grievance, the Association Grievance Committee shall determine if a valid grievance exists. If in the opinion of the majority of the members of the committee, no grievance exists, the Committee shall notify the member and no further action shall be taken. The Committee agrees that it will consult with representatives of CLEAT concerning the validity of grievances in making the decision to pursue a grievance. However, nothing herein shall take away from the
authority of the Association to pursue any Committee approved grievance filed by an Officer it deems to be a violation of the contract. All grievances shall be styled in the name of the Officer(s) filing a grievance.

The Association shall judge each grievance in a fair and equitable manner. In its sole discretion, the Association shall determine whether the grievance is valid or not. The Association may modify, revise, or amend the grievance if necessary to properly place the dispute in issue for resolution. Only the Association has standing to initiate, pursue or settle a grievance under the terms of this Agreement.

(B) Step 2: If, in the opinion of the majority of the members of the Committee, a grievance does exist, the Association shall, with or without the physical presence of the aggrieved member, present the grievance in writing to the Chief of Police for adjustment.

A grievance presented to the Chief of Police by the Association on or after the twenty first (21st) business day, shall not be considered to have been timely filed and shall be void without requirement to address the merits of the grievance.

For purposes of calculating this Step, the Chief shall have ten (10) business days to respond in writing to the grievance.

(C) Step 3: If the grievance has not been settled at Step 2, the Association shall submit it to the City Manager for adjustment within ten (10) business days after receipt of the Chief’s written response.

Grievances may be consolidated for resolution under this Article by the City Manager.

Failure to timely submit the grievance to the City Manager will render the grievance void without requirement to address the merits of the grievance.

(D) Step 4: If within twenty (20) business days, the grievance has not been settled, the Association shall make a written request that the grievance be submitted to arbitration.

For purposes of calculating this step, the City Manager has fifteen (15) business days to respond after which the Association has five (5) business days to make written request of the City Manager that the grievance be submitted to arbitration. Failure to timely request an arbitration will render the grievance void without requirement to address the merits of the grievance.

(E) Step 5. At any time after receipt of the grievance by the City Manager, the attorney for either the Association or the City may request from the other a meeting to attempt to resolve the grievance. While this is not a mandatory step in
the grievance process, the parties agree to utilize this process on grievances that both parties believe there is a legitimate possibility of resolution through such meetings.

25.5 Arbitration

(A) If a grievance is submitted to arbitration, the Association and the City Attorney (the parties) shall attempt to mutually agree on an arbitrator. If the parties fail to agree on an arbitrator within ten (10) calendar days the City Attorney shall immediately request a list of seven (7) qualified neutrals from the American Arbitration Association who are members of the National Academy of Arbitrators. The parties may mutually agree on one of the seven neutrals. If they do not so agree, the parties shall alternately strike the names on the list within five (5) business days after receipt of the list, and the remaining name shall be the arbitrator. All parties shall act to complete the selection process at the earliest possible date. The arbitrator shall be immediately notified of his selection.

(B) The hearing shall be commenced within such reasonable time as the arbitrator selected can schedule it. If the arbitrator selected cannot commence the hearing within 60 calendar days from his selection either party may, within two (2) calendar days of so learning, call for selection of a new arbitrator, and if the parties cannot agree upon a substitute within one (1) calendar day of so learning, another arbitrator shall be selected from a new list of seven (7) names immediately requested from the American Arbitration Association, according to the procedure set out herein. The hearing shall be scheduled so that it can be completed without break, in consecutive calendar days (excluding weekends and holidays). The arbitrator shall make a decision within 30 calendar days of the close of evidence in a standard arbitration hearing, or within five (5) calendar days of the close of evidence in an expedited arbitration hearing. Post hearing briefs shall only be permitted in standard arbitration hearings, and must be mailed to the arbitrator within seven (7) calendar days of the close of evidence at the hearing.

A stenographic transcription of the proceedings shall be made only upon written agreement of the parties prior to the commencement of the hearing. Should there be no agreement, the party desiring the transcript may have the transcript made at his sole expense.

(C) The following rules shall govern the conduct of a hearing under this Section, and of certain preliminary matters:

1. Upon the request of either party addressed to the opposing party at least seven (7) calendar days prior to the date of hearing, the parties shall exchange the name of witnesses expected to be called at the hearing. Upon failure of a party to disclose such witnesses, the arbitrator may exclude their testimony.
2. The arbitrator shall have the power to subpoena witnesses, records, and other evidence. Prior to the hearing, the City Attorney shall issue any subpoenas requested by the parties in the name of the arbitrator. A party may apply to the arbitrator to quash a subpoena issued by the City Attorney.

3. In all hearings under this Section, the City shall prove its case by a preponderance of the evidence.

4. The parties, in writing, may request discovery from each other concerning the case. Should the other party not agree to provide the requested information within three (3) calendar days of the request; the request shall be deemed denied. The requesting party may then apply to the arbitrator, who shall order such discovery as appropriate to the nature of the case, subject to rules of discovery in Texas Civil cases. In considering the applications, the arbitrator shall consider the burden and expense of producing the information, the need of the requesting party, the amount of time available prior to the hearing, and such other matters as he may deem material. In no event shall discovery be permitted to delay the hearing, and in no event shall discovery be requested within three (3) calendar days prior to the date of hearing.

5. All hearings shall be public unless it is expressly agreed in writing by the parties that the hearing shall be closed to the public. In any event, the final decision of the arbitrator shall be public, although public announcement may be reasonably delayed upon request of the parties.

6. Unless otherwise provided in this contract, the conduct of the hearing shall be governed by the rules of the American Arbitration Association.

(D) All hearings that are reasonably anticipated to be completed in one day shall be submitted for expedited arbitration. On all other hearings, the parties may agree to request expedited arbitration.

25.6 Costs.

The City and the Association shall equally share the fees and expenses of the arbitration. The Association shall share equally the arbitration fees and expenses with the City. The City shall bear the expense of any witnesses called by the City. The Association shall bear the expense of any witnesses called by the Association, with the exception of any employee called as a witness by either party shall not suffer loss of pay by the City if that witness is called during his regular tour of duty.
ARTICLE 26

DISCIPLINARY ACTION

26.1 The Chief shall have the authority to demote, temporarily suspend (not to exceed 30 calendar days), or indefinitely suspend any employee for any causes set forth in the Rules and Regulations of the Civil Service Commission.

An officer shall be advised in writing of any recommended disciplinary action by the Disciplinary Review Board. The written notification shall include the officer's right to rebut the charges to the Chief, either orally or in writing, prior to the Chief's final determination of any disciplinary action.

The employee may appeal such actions, if any, as provided for by Chapter 143. Probationary employees, as defined in Article 3 of this Agreement shall not have the right to appeal. Suspensions of five (5) days or less cannot be appealed to a hearing examiner as provided in Chapter 143, but must be appealed only to the Civil Service Commission.

26.2 If an employee has committed an act that constitutes a felony or a class A or B misdemeanor, the 180 day limitation period as set out in Chapter 143 shall not apply but rather the Texas Code of Criminal Procedure, Chapter 12 (Limitations) shall apply to any disciplinary action brought against such employee.

26.3 The Chief shall have the authority to temporarily suspend an employee for a period of not less than 30 nor more than 90 calendar days. When the employee agrees to such suspension and agrees that he will not appeal such agreed upon suspension, that employee shall not have the right to appeal to any administrative or judicial body.

26.4

(A) If an officer is suspended indefinitely, and the officer does not agree with the suspension, the employee has the option to appeal to the Firefighters' and Police Officers' Civil Service Commission or arbitration. If the appeal is to be settled by arbitration, the employee and the City Attorney (the parties) shall attempt to mutually agree on an arbitrator. If the parties fail to agree on an arbitrator within ten (10) calendar days after the appeal is filed, the City Attorney shall immediately request a list of seven (7) qualified neutrals from the American Arbitration Association who are members of the National Academy of Arbitrators. The parties may mutually agree on one of the seven neutrals. If they do not so agree, the parties shall alternately strike the names on the list within five (5) business days after receipt of the list, and the remaining name shall be the arbitrator. All parties shall act to complete the selection process at the earliest possible date. The arbitrator shall be immediately notified of his selection.

(B) The hearing shall be commenced within such reasonable time as the arbitrator
selected can schedule it. If the arbitrator selected cannot commence the hearing within 60 calendar days from his selection either party may, within two (2) calendar days of so learning, call for selection of a new arbitrator, and if the parties cannot agree upon a substitute within one (1) calendar day of so learning, another arbitrator shall be selected from a new list of seven (7) names immediately requested from the American Arbitration Association, according to the procedure set out herein. The hearing shall be scheduled so that it can be completed without break, in consecutive calendar days (excluding weekends and holidays). The arbitrator shall make a decision within 30 calendar days of the close of evidence in a standard arbitration hearing, or within five (5) calendar days of the close of evidence in an expedited arbitration hearing. Post hearing briefs shall only be permitted in standard arbitration hearings, and must be mailed to the arbitrator within seven (7) calendar days of the close of evidence at the hearing.

A stenographic transcription of the proceedings shall be made only upon written agreement of the parties prior to the commencement of the hearing. Should there be no agreement, the party desiring the transcript may have the transcript made at his sole expense.

The decision of the arbitrator shall state which particular factual charges he finds to be true, if any, and the particular rules he finds such conduct to have been violated, if any. Where the charges are upheld, the decision shall state whether the discipline imposed is upheld or whether some lesser discipline should be substituted.

(C) The following rules shall govern the conduct of a hearing under this Section, and of certain preliminary matters:

1. Upon the request of either party addressed to the opposing party at least seven (7) calendar days prior to the date of hearing, the parties shall exchange the name of witnesses expected to be called at the hearing. Upon failure of a party to disclose such witnesses, the arbitrator may exclude their testimony.

2. The arbitrator shall have the power to subpoena witnesses, records, and other evidence. Prior to the hearing, the City Attorney shall issue any subpoenas requested by the parties in the name of the arbitrator. A party may apply to the arbitrator to quash a subpoena issued by the City Attorney.

3. In all hearings under this Section, the City shall prove its case by a preponderance of the evidence.

4. The parties, in writing, may request discovery from each other concerning the case. Should the other party not agree to provide the requested information within three (3) calendar days of the request; the request shall be deemed
denied. The requesting party may then apply to the arbitrator, who shall order such discovery as appropriate to the nature of the case, subject to rules of discovery in Texas Civil cases. In considering the applications, the arbitrator shall consider the burden and expense of producing the information, the need of the requesting party, the amount of time available prior to the hearing, and such other matters as he may deem material. In no event shall discovery be permitted to delay the hearing, and in no event shall discovery be requested within three (3) calendar days prior to the date of hearing.

5. All hearings shall be public unless it is expressly agreed in writing by the parties that the hearing shall be closed to the public. In any event, the final decision of the arbitrator shall be public, although public announcement may be reasonably delayed upon request of the parties.

6. Unless otherwise provided in this contract, the conduct of the hearing shall be governed by the rules of the American Arbitration Association.

(D) The City and the aggrieved employee shall share equally the fees and expenses of the arbitration. Where the Association represents the employee, it shall share equally the arbitration fees and expenses with the City. When the Association does not represent the employee in a disciplinary matter, the City may require a reasonable deposit from the employee for arbitration fees at the time the appeal is filed requesting an arbitration.

(E) All hearings which are expected to be completed in one day shall be submitted for expedited arbitration. On all other hearings, the parties may agree to request expedited arbitration.

26.5 Disciplinary Actions.

Letters of reprimand and suspensions of less than five (5) days will be removed from the personnel file after five years upon request of the officer. Suspensions between six (6) and 15 days will be removed from the personnel file after 10 years upon request of the officer.

ARTICLE 27

EMPLOYEE -MANAGEMENT RELATIONS

27.1 Labor Relations Committee (LRC): The City and the Association shall jointly maintain and support a LRC. The Committee shall meet no less than one (1) time each calendar month for the purpose of attempting to mediate and otherwise resolve grievances and potential grievances. In addition, the LRC shall consider, discuss, and recommend to the Chief of Police any matters pertaining to the employment conditions of employees. (A) The President and two (2) members of the Association, or one (1) member and a CLEAT representative, as designated by the Association Executive Board and (B) the Chief of Police and two (2) persons designated by the Chief. Either party may, at its discretion, meet with less than three (3) members. The
recommendations of the LRC shall be advisory in nature only and shall not be the subject of a grievance. Both parties agree that a primary purpose of this committee is to resolve pending and potential grievances and both parties further agree to make a legitimate effort to do so in a professional manner.

27.2 In order to facilitate labor/management relations within the department and in an effort to promote greater harmony between the City and the Association, the Chief of Police shall assign the Association President to the appropriate day duty shift, Monday through Friday. The Association President shall be so assigned in order to facilitate access to the Association membership and to the Employer as labor/management issues arise.

27.3 Internal Investigation Guidelines: In the event that a police officer is interviewed by a division commander, or internal investigator as the subject of the investigation, the following guidelines shall apply:

(A) The interview of any employee shall be at a reasonable hour. In the event of a dispute of the reasonable hour determination, the decision of the Chief of Police shall be final. If applicable, the call-back provision as stated in 15.3 of Article 15 shall apply.

(B) The interview shall take place at a location designated by the investigating officer.

(C) The employee shall be informed of the rank, name, and command of the officer in charge of the investigation, as well as the rank, name and command of the interviewing officer and the identity of all persons present during the interview.

(D) Forty-eight (48) hours prior to being interrogated or asked to otherwise respond to an administrative investigation, the employee under investigation shall be informed of the general nature of the investigation, and sufficient information to reasonably apprise the employee of the allegations. At the interview, unless the District Attorney’s office and/or the United States Attorney’s office request in writing that a specific item or items not be reviewed by the employee, the employee shall be allowed to review but not copy verbatim or photocopy any complaints, GPS/AVL readouts, video recordings, audio recordings, and photographs, which have been gathered as part of the administrative investigation. In the event the District Attorney’s office or United States Attorney’s office directs the City to not allow an employee to review an item or items, the employee shall receive a copy of such correspondence. The employee shall not communicate in any manner the provided information to any person other than his attorney or representative. An employee subject to a criminal investigation in addition to an administrative investigation shall not be interviewed by Internal Affairs investigators without being entitled to review the above records. Such employee subject to a criminal investigation will be afforded the rights espoused in Article 27.4.
(E) The interview shall be completed with reasonable dispatch. Reasonable respites shall be allowed. Time shall be provided also for personal necessities, i.e., meals, telephone calls, and rest periods as are reasonably necessary. The Chief of Police, or his designee, shall determine the need for "reasonable respites".

(F) The employee shall not be subjected to any offensive language, nor shall he be threatened with transfer, dismissal, or other disciplinary action. No promise of reward shall be made as an inducement to answering questions. Nothing herein is to be construed as to prohibit the investigating officer from informing the employee that his conduct can become the subject of disciplinary action, which could result in disciplinary punishment.

(G) At the request of the employee or the interviewing officer, the complete interview of the employee may be recorded mechanically. There will be no "off the record" questions unless so agreed by all parties involved. All recesses called during the questioning shall be noted in the record. The party requesting mechanical recording shall pay all costs of same, unless the parties agree on a cost division between them.

(H) Upon request of the employee's attorney, he shall be given a copy of any written statement the employee executed, or if the questioning is mechanically recorded, the attorney shall be permitted to record or transcribe from the original recording upon his request, or to purchase a copy of the original recording.

(I) The refusal of an employee to answer questions and submit reports shall be grounds for disciplinary action. Any answer of the employee may be used as evidence in any disciplinary action against the employee.

(J) The investigator in charge of the particular case is required to inform the officer prior to being questioned/interrogated that he may have one (1) Association representative present during the employee's interview, unless the officer, in writing, voluntarily waives this right. No supervisor may represent or advise his subordinate during any interviews conducted in an internal investigation. The Association President may represent or advise an employee during an internal investigation. The Association President who represents and/or advises an employee in an administrative investigation cannot be compelled to disclose his or her communications with that employee – unless disclosure is required by law – to the Chief, the Chief's designee or the investigating officer. Nothing herein prohibits the Chief or the department from compelling the Association President to disclose information regarding the same subject but obtained from a source other than directly from the employee who was represented or advised.

(K) If an officer who is interviewed as a witness self-reports to the person conducting the interview that he or she believes statements he or she makes may cause him or her to become a subject of the investigation, the investigator conducting the interview will not begin the interview or will stop an interview already in progress.
until such time that a determination can be made by the Department as to whether or not the officer is or will be subject of investigation. If so, then the interview can be continued under the provisions set forth in this sub-section for officers who are subjects of investigations.

27.4 In the event that a criminal investigation is conducted regarding the conduct of a police officer, which may result in criminal proceeding against the officer, the criminal investigator shall accord the officer all rights pursuant to law and to which any citizen would be entitled in a criminal investigation.

ARTICLE 28

LEGAL REPRESENTATION

28.1 The Employer shall provide each employee with legal counsel without cost to such employee in any suit for damages by a party other than a governmental entity if the claim involves an official act of the employee in the scope of his authority and employment.

28.2 In all cases, job-related acts of the employees shall be considered official acts of the employee in the scope of the employee's authority if the employee is without fault or the officer acted with a reasonable good faith belief that his actions were proper. For purposes of this Article, an act for which the employee is not made subject to disciplinary action in accordance with Chapter 143, and as modified by this agreement shall be deemed without fault by the employee or with a reasonable good faith belief by the employee that his actions were proper.

28.3 The Employer may provide counsel already employed by it or may employ and pay private counsel to comply with this Article, provided that no counsel shall be provided who appears to have an actual or potential conflict of interest in representing the employee.

28.4 In any case where the Employer provides representation under this Article, the employee may at his option hire, or cause to be hired, an additional attorney at his own expense, provided that the counsel provided by the Employer is so notified in writing. Counsel provided by Employer shall assume the responsibility as attorney of record and the sole responsibility for defending the suit. At the Employee's request, Counsel provided by the Employer shall advise counsel hired by the Employee of the progress of the litigation and provide him with copies of all pleadings, material correspondence, and any other information that is necessary in order for counsel hired by Employee to monitor the suit.

ARTICLE 29

SAVING CLAUSE

If any provision of this agreement, or the application of such provision, shall be rendered or declared invalid by any court action, or by reason of any existing or subsequently enacted legislation, the remaining parts or portions of this agreement shall remain in full force and effect.
ARTICLE 30
STABILITY OF AGREEMENT

Notwithstanding anything contained herein to the contrary, this instrument embodies the whole agreement between the parties and no other instrument or agreement, understanding, alteration, or variation of the agreement, terms or provisions herein contained shall bind the parties unless made and executed in writing by the parties hereto.

The failure of the Employer or the Association to insist in any one (1) or more instances, upon performances of any of the terms or conditions of this agreement shall not be considered as a waiver or relinquishment of the right of the Employer's or the Association's future performance of any such term or condition, and the obligations of the Employer and the Association to such performance shall continue in full force and effect.

ARTICLE 31
IMPASSE PROCEDURE

31.1 Mediation.

The parties will make a meaningful effort to settle matters arising from negotiations through the bargaining process and will only resort to subsequent third party neutral proceedings after they have exhausted all avenues of mutual agreement available to them. If an impasse in negotiations results after full and complete negotiations, either party or both parties may request the services of a mediator from the Federal Mediation and Conciliation Service (FMCS). The mediator shall have no authority other than to attempt to help the parties to arrive at a mutually agreeable settlement. The mediator shall be responsible for determining whether or not the parties have indeed arrived at an impasse in bargaining. If the mediator has any reason to believe the parties are not at a true impasse in bargaining, he shall have the responsibility to remand the parties to further negotiations in an attempt to resolve the difference between them. If the mediator is convinced that the parties have arrived at a bona fide impasse in negotiations, he shall certify such fact to these parties who then have the following options open to them. The cost of mediation, if any, shall be borne equally by the parties.

31.2 Fact Finding.

(A) If after mediation, settlement has not been reached between the parties concerning negotiable issues which were subject to mediation, then either party may by
written notification to the other request the bargaining issue be submitted to a Fact-Finding Panel.

(B) The Fact-Finding Panel shall be selected in the following manner. The Employer and the Association shall each select one registered voter of the City to serve as a fact finder. The two fact finders shall mutually agree on a third registered voter of the City to serve as the Chairman of the Fact-Finding Panel. If the two fact finders cannot agree on a neutral, then the Employer and the Association shall each submit three names of registered voters. Each party shall alternatively strike a name. The parties shall determine who strikes first by coin toss. The remaining individual shall be designated as the Chairman of the Fact-Finding Panel. In no event shall any member of the Fact-Finding Panel be an employee of the City or an elected official.

(C) The parties shall exchange written final offers no later than 10 calendar days before the date of the Fact-Finding hearing. The Fact Finding Panel shall be served a written copy of the parties’ final offer within five (5) calendar days before the date of hearing.

(D) The Fact-Finding Panel shall only have jurisdiction to consider issues introduced in each party’s final offer.

(E) The Fact-Finding Panel shall establish dates and places of hearings. The hearings shall be open to the public. The Fact-Finding Panel shall afford all parties full opportunity to examine and cross-examine all witnesses and to present evidence pertinent to the dispute including briefs in support of their respective cases.

(F) The Fact-Finding Panel shall conduct the hearing and render its decision with the objective of achieving a prompt, peaceful and just settlement of disputes. The factors which must be given weight by the Fact-Finding Panel in arriving at a recommended decision shall be:

1. Comparison of total compensation of police officers in the comparable cities: as described in article titled monthly base pay scales.

2. Relevant cost of living information.

3. Overall compensation and fringe benefits presently received by employees involved, and the interest and welfare of the public including financial ability.

4. Fiscal responsibility of the City; and economic and non-economic impact of the various offers upon present or future levels of service or programs provided by the City to its citizens and other City employees.

5. The hazards of employment; physical, educational and mental qualifications; and job training and skills required of Laredo police officers.
(G) The Fact-Finding Panel shall consider each argument and all evidence presented by the parties and address them in a well-reasoned, professionally written, finding of fact and recommendations to resolve the dispute. The written decision shall be served on both parties not more than 30 calendar days from the conclusion of the hearings or submission of briefs, whichever occurs later.

(H) Within five (5) business days after receipt of the findings of fact and recommendations, each party shall notify the other in writing whether they accept any of the recommendations of Fact-Finding Panel. If the parties do not accept the recommendations of the Fact-Finding Panel, they shall attempt to settle the dispute. If no settlement has been reached after five (5) business days from receipt of the notice by either party rejecting the recommendations, then the Fact-Finding Panels' findings of fact and recommendations may be made public by either party.

ARTICLE 32

RANDOM DRUG AND ALCOHOL TESTING

32.1. In order to further their joint interest in protecting police officers and the public, the City and the Association agree to mandatory random drug and alcohol testing described in this section. All police officers, including the Chief, will be subject to mandatory random drug testing during each calendar year at the city's expense. The City and the Association are committed to the principle that the mandatory random drug and alcohol testing policy for officers, as per Ordinance 2008-O-011, is designed for, and will be administered to result in, disciplinary action, only against any officer whose random drug and alcohol test reflects a positive test result and thereby a violation of the City Ordinance and the Police Department's rules, regulations, policies, or procedures in reference to alcohol use and illegal drug use. For the purposes of this Article:

"Alcohol" is defined as an intoxicating agent in beverage alcohol, ethyl alcohol or other low molecular weight alcohols including methyl and isopropyl alcohol.
“Alcohol use” is defined as the consumption of any beverage mixture, or preparation, including any non-prescription medication containing alcohol.

“Alcohol testing” is a test conducted by a Breath Alcohol Technician (BAT), or any other Person approved by the Department of Transportation rules, using an Evidential Breath Testing Device (EBT) to measure the amount of alcohol concentration in a volume of breath, or any other test used to detect the presence of alcohol that is approved by the Federal Highway Administration, (FHWA).

“Drugs” shall be defined as a substance that can cause addiction, a marked change in mental or physical status, or psychological/physical dependency that could affect job performance; this may include any illegal drugs, controlled substances, inhalants, or nonprescription drugs with abuse potential, legally/illegally prescribed drugs. Illegal drugs include prescription drugs prescribed for someone other than the employee.

“Drug testing” is defined as the compulsory production and submission of urine by an officer for chemical analysis to detect the presence of prohibited drug usage.

“Medical Review Officer (MRO)“

Evidential Breath Testing Device (EBT) – is a device approved by the National Highway Traffic Safety Administration (NHTSA) and is used for the evidential testing of breath and placed on the NHTSA's “Conforming Products List (CPL) or Evidential Breath Measurement Devices". (40.3) (Note: Approved devices must be capable of printing out each test result and air blank, and must sequentially number each test.)

“Positive test results” is defined for alcohol, as a breath alcohol concentration of 0.02 grams and above is considered a positive test result for DOT and non-DOT. For those employees who are under EAP (Employee Assistance Program) guidelines, any alcohol concentration level of above zero (0) will be considered positive.

“Random drug testing” will mean the drug testing of individuals selected by the method described in Section 32.2 of this Article, and under the standards specified in Section 32.3, and as applicable per the City’s current Drug and Alcohol Ordinance No. 2008-O-011, and any future addendums.

“Reasonable suspicion” shall mean a belief based on objective facts and observable on-duty behavior, speech, or body odors sufficient to suspect that an employee is under the influence of drugs or alcohol so that the employee’s ability to perform the functions of the job is impaired or so that the employee’s ability to perform his job safely is reduced; a belief that the employee has violated the drug, alcohol, and/or inhalant prohibitions, based on specific, contemporaneous, articulate observations concerning the appearance, behavior, speech, or body odors of the employee.

“Refusal to submit (to a drug or alcohol test)“ is defined as an employee who (1) fails to provide adequate breath for testing without a valid medical explanation after he has received notice of the
requirement for breath testing, (2) fails to provide adequate urine for drug testing without a valid medical explanation after he has received notice of the requirement for urine testing, or (3) engages in conduct that clearly obstructs the testing process, is in violation of the policy and will be considered a positive result.

32.2. The City will require random testing under the following conditions:

(A) A fair and impartial statistical basis (on which each officer only identified by their employee number, of all ranks including the Chief, has an equal chance of being selected during each random test during any calendar year) shall be by a non-discriminatory computerized program operated and certified as non-discriminatory by an independent Certified Collecting Facility hired by the City, and the officer shall be tested, for both drugs and alcohol, upon being selected by the computerized program.

(B) The selection of police officers by computerized programs will be conducted on random dates.

(C) When an officer appears unable unwilling, or refusing to submit and provide a specimen at the time of the drug and alcohol test, the Certified Collecting Facility will document the circumstances surrounding the inability, unwillingness, or refusal to submit to testing of the officer. The officer will be permitted no more than four (4) hours to provide the sample during which time he will remain in the testing area under supervision. Reasonable amount of fluids may be given to the officer to encourage urination. Failure to provide a sample may be considered a refusal to submit to the random drug test. Please refer to the City’s current Drug and Alcohol Ordinance No. 2008-0-011 and any applicable addendums.

(D) In the event that a randomly selected officer, while on work shift, is not available within four hours of the time of the selection, then the Chief may schedule the testing of that officer, at a time and date of the Chief’s discretion, but such time and date to be not later than seventy-two (72) hours after the time of the originally scheduled test.

(E) Any officer shall have the right to request that his/her urine sample be stored in case of a legal dispute. The split specimen for a positive test will be submitted to the designated Certified Collecting Facility where the sample will be maintained for a period of one year.

(F) Any officer may at his/her own expense request to have the split specimen sample tested within 72 hours by another certified laboratory.

(G) Drug testing shall consist of an initial gas chromatography screening test and if positive a confirmation of the split specimen test by another certified laboratory. Alcohol testing shall consist of a breath analyzer test performed by a Certified Breath Alcohol Technician (BAT) who is certified and trained by an official
32.3 The following shall be required of the Certified Collecting Facility.

(A) **Certified Collecting Facility**: The City shall require that any Certified Collecting Facility it selects for the analysis of both breath and urine samples, first conduct a background check on those of its personnel who will be involved in the collection or handling of an unsealed urine sample or breath analysis. In addition, the City shall require that any Certified Collecting Facility it selects to test for all procedures of drug and alcohol testing, shall not employ any person to collect, handle or have any direct access to any specimen sample collected from a police officer, who has (1) ever been arrested by any officer of the Laredo Police Department, or (2) ever been convicted of a felony or of a misdemeanor crime involving dishonest conduct or possession of illegal drugs or alcohol statute violations. Test results shall be inadmissible in any administrative disciplinary proceeding involving a tested officer, if it is determined that the Certified Collecting Facility failed to conduct a background investigation of personnel of that Certified Collecting Facility who have had any of the above noted record history and were involved in the collection or handling of the unsealed urine sample which resulted in a positive test. The Certified Collecting Facility hired by the City shall be certified under the American Association of Medical Review Officers (AAMRO) and the Medical Review Officers Certification Council (MROCC) established by the Department of Transportation and shall include the proper certification of a Medical Review Officer (MRO). Such Certified Collecting Facility shall be experienced, shall be capable of quality control documentation and chain of custody, shall have demonstrated technical expertise and proficiency in urinalysis, and shall comply with all requirements as per the U.S. Department of Transportation (DOT).

(B) Laboratory testing is conducted using only Substance Abuse and Mental Health Services Administration (SAMHSA) certified laboratories. These certified laboratories are able to conduct the analysis of urine samples collected under the federally mandated DOT drug testing programs.

32.4 An officer who is disciplined as a result of this Article is entitled to all the procedures to which he or she is entitled for any other disciplinary offense, as provided by the Collective Bargaining Agreement, Texas Local Government Code or any other statutes that may apply.

32.5 Nothing in this article shall be construed to prohibit the Police Chief from directing a drug test on an officer based upon reasonable suspicion. Nor shall this article affect the City’s current Drug and Alcohol Ordinance No. 2008-O-011.

32.6 All records pertaining to the drug tests required under this Article shall remain confidential except to the extent used in a disciplinary proceeding and the procedures related to such
proceeding. Drug tests and results shall be maintained by the independent Certified Collecting Facility hired by the City.

32.7 When any provision of this Article conflicts with any provision of the Drug and Alcohol Policy of the City of Laredo, then such provision of this Article takes precedence and governs.

ARTICLE 33

The committee shall make a good faith effort to complete the research within sixty (60) calendar days of their appointment. If the committee by majority vote develops a recommendation to the next Chief, the committee shall forward the recommendations to the Chief.
ARTICLE 34

EXHIBIT A
SERIOUS ILLNESS LEAVE

Revised Policy for Requesting and Granting Leave under the Collective Bargaining Agreement
Established April 14, 1997 and amended 2008

A. Authority

This policy is being implemented under the authority of the Collective Bargaining Agreement between, the City of Laredo, Texas and the Laredo Police Officers’ Association. Article 17, Section 3(B), wherein it states that the employer shall follow this Exhibit A, as to requesting and granting use of the Serious Illness Leave.

B. Requirements

In accordance with the Collective Bargaining Agreement, Article 17, Section 3 (B) (4), leave days may not be used for injuries or illnesses sustained in the line of duty.

No leave of absence, for the purpose of Serious Illness Leave in the Collective Bargaining Agreement, Article 17, Section 3 (B)(3), may exceed 1,440 hours for a single illness or injury.

(NOTE: In the event that there are any Police Officers currently using the Serious Illness Leave, as of the date of this Policy’s implementation, they will be eligible under the provisions of this revised policy for the unused balance of Serious Illness Leave hours not to exceed 1,440 hours.

C. Procedure

1. Requests for a leave of absence to be charged against the Collective Bargaining Agreement’s Serious Illness Leave must be submitted in writing to the Chief of Police. The City of Laredo Police Department Request and Authorization for Leave form must be used. The written request must include:

   a. Qualifying condition” the claim is being made under; and
   b. Number of years of service to determine eligibility to draw from the Serious Illness Leave (Article 17, Section 3); and
   c. Medical leave authorized by physician (start date and end date); and
   d. Off the job location where the injury or illness occurred; and
   e. Date the injury or illness occurred.

   The request must be initially reviewed by the Chief of Police. The request should be made within five (5) business days of the date that the serious illness or injury occurred to avoid delays in payroll processing.

2. The Chief of Police will forward the request to the Employee Health Nurse. The Employee Health Nurse will request that the employee submit a copy of the
diagnosis/prognosis and the Employee Health Nurse will determine, based on the diagnosis/prognosis, whether a serious illness or injury under the Collective Bargaining Agreement exists. All medical records pertaining to the particular illness or injury will be received, reviewed and stored with the strictest of confidentiality by the Employee Health Nurse.

3. The immediate supervisor will indicate the employee's physical job requirements required in the performance of his/her duties on the City's Physical Job Requirements form which will serve as the equivalent of a fitness for duty report. The employee will take the Physical Job Requirements form that has been completed by the immediate supervisor to his/her treating physician(s). The employee's treating physician(s) will indicate which physical job requirements may be performed by the individual. This report is intended to assist the treating physician(s) in determining whether the employee can perform the essential functions of the job.

4. The treating physician(s) decides if the individual can do modified/alternate duty. Based on the treating physician's determination on the Physical Job Requirements form, and the employee's diagnosis/prognosis, the treating physician will recommend the number of days that the employee must be out before being physically able to return to work for modified/alternate duty. Any pre-existing condition will be taken into consideration by the treating physician(s). The treating physician(s) shall certify in writing that an individual will be out for a specific number of days until he/she can return to modified/alternate duty.

5. The employee will submit the treating physician's recommendation to the Employee Health Nurse. If the treating physician took into consideration any pre-existing conditions, those conditions must be identified on the written recommendation, and any necessary supporting documentation must be submitted to the Employee Health Nurse. The Employee Health Nurse will compare the treating physician's recommendations with the Official Disability Guidelines and the Medical Disability Advisor, both approved by the Association of Occupational and Environmental Medicine, which contain disability guidelines for the same or similar illnesses or injuries. The Employee Health Nurse will take into consideration any pre-existing conditions identified by the employee's treating physician(s).

6. If the treating physician's recommendation is within the range accepted by the disability guidelines for the illness or injury, taking into consideration any pre-existing conditions, then the days recommended by the treating physician will be granted. However, no officer shall be permitted to use more than 1,440 hours for a single illness or injury. (Article 17, Section 3 (B) (3)).

7. If the treating physician's recommendation exceeds the accepted range published in the disability guidelines, the Employee Health Nurse will contact the employee and request that the employee sign a medical authorization release. After having made this inquiry, the Employee Health Nurse will review with the City's designated Physician the treating physician's recommendation or the maximum number of days published in the disability
guidelines. If the designated City's physician does not accept the treating physician's recommendation, the employee will be notified and may request a second medical opinion.

The employee may request a second medical opinion at the employee's expense in accordance with the City of Laredo medical benefits program. If a second physician's opinion is requested and submitted by the employee, the designated City's physician may accept the medical opinion that more closely approximates the disability guidelines, or the maximum number of days published in the disability guidelines, subject to the discretion of the Group Benefits Administrator to request a third medical opinion.

If, at the discretion of the Group Benefits Administrator, a third opinion is necessary, that third opinion will be paid for by the Group Benefits Administrator. However, if the employee (covered person) wants a third opinion, it will be subject to the deductible and co-payment percentage. No officer shall be permitted to use more than 1,440 hours for a single illness or injury.

8. The Human Resources Director will provide the Chief of Police and the LPOA president with a copy of the form authorizing/not authorizing the granting of days from the serious illness leave. The Laredo Police Department personnel/payroll division shall monitor the minimum balance of the existing pool hours until exhausted and provide monthly reports to the Chief of Police and the LPOA president. The Laredo Police Department personnel/payroll division will provide a report to the Chief of Police and the LPOA president documenting the number of hours remaining in the pool until exhausted after each request that is approved by the Employee Health Nurse.
