Once a participant’s account under the HRA has been reduced to $0, no further benefits shall be payable by the HRA. D. FRESNO CITY EMPLOYEES HEALTH AND WELFARE TRUST

The City and the Association agree that the Fresno City Employees Health and Welfare Trust has the sole authority to determine the benefits that will be provided during the term of this MOU. The sole responsibility of the City under this clause is to provide a set dollar amount to be contributed to the Trust on behalf of the employees represented by the Association. The City’s contribution will be eighty percent (80%) of the premium established by the Fresno City Employees Health and Welfare Trust Board, per month, per employee. Members may opt to contribute the amount necessary to make up the difference through payroll deductions, or accept a reduced coverage option.

The parties also agree to work collectively in conjunction with their Board representatives to research and recommend potential cost-saving measures for the Health & Welfare Trust, which may include a choice of health program options based on individual need or preference, including a reduced option equivalent to the City’s premium contribution, a separate rate for single employees with no dependents, or other flex plan programs; mandatory generic mail order drug maintenance for employees who require prescription drug therapy for any period of 90 days or more; or other measures that may be identified as this work progresses.
E. WELLNESS PROGRAM

1. Wellness Program Development Committee

Through the Police Basic (Unit 4) MOU, a Wellness Program Development Committee (WPDC) was created for the purpose of developing a departmental Wellness Program (WP) for Unit 4 members, and for providing all aspects of program and policy administration, oversight and maintenance. The WPDC is composed of participants selected by the Chief of Police or designee and the Association. The WP provides for a monetary incentive for achieving goals and maintaining standards, voluntary participation; the services of a health/fitness coordinator; individually tailored consultations and screenings; educational components; sole responsibility on the part of any contracted WP service provider for the maintenance and monitoring of confidentiality of participant health, medical, and fitness information/records (i.e., such information shall not be provided to the City or any City department); and the sharing solely of attendance and participation related information with the City, on the part of any contracted WP service provider, to facilitate administration and disbursement of WP incentives. The WP is outlined in a departmental Standing Order, and implementation of any WP policy modifications shall be at the discretion of the WPDC. This Committee will also serve members of the Police Management, Unit 9.

Members of this Unit, and the Chief of Police, shall be eligible to voluntarily participate in the Fresno Police Department Wellness Program. ** Effective July 1, 2009, the sum of $40,000 *** shall be utilized for payments of monetary incentives and for services provided by the contracted WP provider. *** Effective July 1, 2010 and July 1, 2011, the City shall provide an additional $5,000, for a total of $10,000. The City shall not be obligated to pay in excess of *** $45,000 in FY 11 and $50,000 in FY12 to the WP on behalf of the members of this Unit, and the Chief of Police. Should the total monetary incentive due to eligible members exceed the fiscal year’s allotted sum, payment to eligible members will be prorated and calculated base on an hourly rate. Said hourly rate shall be established by dividing the remaining funds by the total hours earned by the eligible WP participant to establish the amount due. (For example: $425,000 – money available minus $80,000 – service fees = $345,000 – money to pay participants) if 550 participants earned 20,000 hours. Divided $345,000 by 20,000 = $17.25 an hour. Multiply $17.25 x 56 hours = $966). WP monetary incentives shall be paid by separate check no later than the last pay date in August of the subsequent fiscal year. In the event any portion of the WP funding for a particular fiscal year remains undistributed/unspent, the WPDC shall encumber the undistributed/unspent funding prior to the end of the fiscal year for use for the WP in the subsequent fiscal year. **

Effective July 1, 2009, the benefits provided pursuant to this section shall be considered as compensation for purposes of calculating pension benefits for a member.

An employee who meets the criteria as outlined below, will receive only one of the following benefits based on whether or not the employee enters the DROP program before retiring from City employment.

1. For an employee who has reached the minimum retirement age and who has elected to enter the DROP Program, the calculation of the employee’s monthly DROP amount shall include an amount equal to fifty percent (50%) of the employee’s unused sick leave balance as of the DROP entry date, with the sum calculated by multiplying fifty percent (50%) of the hours of unused sick leave by the hourly base rate of pay for the employee in effect as of the DROP entry date. The employee’s pension contribution on this amount will be calculated as of the date of DROP entry by multiplying the lump sum described above in this subparagraph 1. by the employee’s pension contribution rate and that amount will be deducted from the employee’s DROP account. The City will also be required to make a corresponding pension contribution to the retirement system based on the additional pensionable compensation created by the Sick Leave Benefit.

2. For the employee who has reached the minimum retirement age and retires from the City without entering DROP, an amount equal to fifty percent (50%) of the employee’s unused sick leave balance shall be included in the computation of the employee’s retirement allowance as if it were a one-time payment at the hourly base rate of pay for the employee in effect at the date of retirement. The employee and the City will make a corresponding pension
contribution to the retirement system based on the additional pensionable compensation created by the Sick Leave Benefit. The employee’s retirement contribution will be calculated as of the date of retirement by multiplying the lump sum described above in this subparagraph 2. by the employee’s pension contribution rate and the employee agrees to have this amount withheld from the employee’s first retirement benefit payment from the Retirement System as the employee’s retirement contribution for this additional amount of pensionable compensation. This provision shall not apply to employees who retire prior to age 50 due to a disability or to former employees that have separated from City service prior to reaching the minimum retirement age and have elected a Deferred Vested status in the City of Fresno Fire & Police Retirement System.

The decision by the Police Chief or designee to grant such additional leave shall be made during July and is effective July 1st of the fiscal year in which it may be taken. Any such additional administrative leave cannot be cashed in by employees. Employees may receive payment for up to sixty (60) hours of Administrative leave not taken during the fiscal year. Any administrative leave not taken or compensated for shall not be added to the leave credited in the next fiscal year.

3. At the employee’s option, in the event work related injury/illness pay is not provided during the first three (3) days of absence due to the work related injury or illness, the employee may, at the employee’s option, take sick leave, vacation or holiday leave for that period.

4. If the employee opts to use sick leave, vacation or holiday for the first three (3) days and it is later determined that work related injury/illness pay under paragraph 1. above, beginning on the first day of a work related injury is appropriate, the leave time shall be restored to the employee and the employee’s pay or leave balance will be adjusted accordingly.

6. Retirement benefits shall not be reduced as a result of the level of compensation at the eighty-five (85) percent rate.

established by this procedure shall automatically move the grievance to
the next higher level for action, without action required of the grievant.

4. The Grievance Advisory Committee shall be comprised of one employee

Any new side letter agreement entered into during the term of this MOU shall continue in force and effect subject to the terms and conditions described in the side letter. In the absence of any term in such new side letters, they, too, shall terminate upon the expiration of this MOU. This paragraph is not intended to prevent either party from relying on discussions which occurred during the meet and confer process for the purpose of clarifying the meaning of this MOU.
ARTICLE X

TERMINATION

The provisions in this MOU shall be in full force and effect extended from * * * June 30, 2009 to June 30, 2012, subject to the Sections (.1, .2 and .3) below:

A. This MOU shall become effective only after ratification by the members of the Association, followed by City Council approval and the expiration of the waiting period for the Mayor’s action provided in Charter Sections 605 and 609, and shall remain in full force and effective through June 30, 2012.

B. During the life of this MOU should either party desire to modify its terms or to meet and confer with the other party as to matters within the scope of representation not addressed in this MOU, the party requesting any change shall request in writing to meet and confer on the item(s), which item(s) shall be specified in writing.

C. During the term of the MOU, either party may refuse any request by the other to meet and confer without explanation if (1) the item is directly considered and specifically addressed herein; or (2) is directly considered and specifically addressed in any FMC section, charter section or provision, or resolution section, which section specifically establishes wages, hours, or other terms and conditions of employment; or (3) the specific item was included in an initial written proposal from the party making the request during the meet and confer process which led to this agreement. Either party shall also have the right to refuse a request on any matter falling within the scope of representation and which would be the basis of a proper refusal under (1) – (3) supra, if the proposal, if accepted or implemented, would only become effective after the expiration of this MOU. No unilateral action on any such refused proposal may be taken by the requesting party after such a refusal by the other.

It is further agreed, however, that this section shall not prohibit the City from requesting to meet and confer on changes to federal or state statutes.

The chart below depicts a summary of the FY 2006 Actual, FY 2007 Amended Budget as of March 31, 2007, FY 2007 Budget estimates as of May 1, 2007 and the FY 2008 Proposed Budget respectively. The revenue is depicted in two main categories, one-time resources and operating revenue. One-time resources for FY 2008 consist of an estimated carryover of $16.1 million from FY 2007, which is 6.5 percent of the General Fund. Operating revenues net of contractually obligated transfers is $235 million while ongoing operating expenditures are budgeted at $246 million. This budget is balanced using a portion of the one-time carryover funds. However, to use the entire carryover will create a structural imbalance of over $8 million as early as FY 2009. Therefore, this budget proposes to hold $5 million of the one-time funds in a contingency reserve account for FY 2009. The chart on the following page outlines the necessity for this strategic plan.

Agreement between
City of Fresno

and

Employee Organizations Representing City of Fresno Employees

This agreement was reached in an effort to lower the current cost of the monthly health contribution rates between March 1, 2009 and June 30, 2010 as set by the Fresno City Employees Health and Welfare Trust (Trust) thereby assisting to ameliorate fiscal developments faced by the City of Fresno (City). The agreement also provides short term guarantees by the City for the unencumbered reserve of the Trust while setting a long term minimum of four (4) months for the Trust unencumbered reserve. This agreement sets forth the full and entire understanding of the City and Bargaining Units whose representatives have signed this agreement regarding these matters. This Agreement is effective March 1, 2009 and will remain in force so long as the Trust agrees to maintain a health contribution rate that is calculated to maintain a minimum of a four (4) month unencumbered reserve as calculated by the actuary selected by the Trust (actuary).

1. This agreement will be effective only if the provisions below affecting the Trust are approved by a majority of affected represented bargaining units and the City Council and if the Trust sets a monthly health contribution rate of seven hundred twenty-nine dollars ($729) effective March 1, 2009 through June 30, 2010.

2. The parties agree that, for the period March 1, 2009 through June 30, 2010, if the Trust unencumbered reserve falls below a four (4) month unencumbered reserve as calculated by the actuary selected by the Trust for two (2) consecutive months, the City will pay to the Trust an amount sufficient to restore the level of the Trust unencumbered reserve to four (4) months.

3. The restoration to a four (4) month unencumbered reserve must occur within 30 days notice to the City by the Trust’s third party administrator. This payment by the City shall not be utilized in the calculation of the amounts due by the City and employees for established Trust health contribution rates.

4. Effective June 30, 2010 if the Trust unencumbered reserve is calculated by the actuary selected by the Trust to be less than a four (4) month unencumbered reserve, the City will pay an amount to the Trust sufficient to restore the level of the unencumbered reserve to four (4) months. This payment by the City shall not be utilized in the calculation of the amounts due by the City and employees for established Trust health contribution rates.

5. The parties agree that, for the monthly health contribution rate effective July 1, 2010 and for all subsequent monthly health contribution rates, the Trust will set a monthly health contribution rate not less than the rate calculated by the actuary
selected by the Trust necessary to maintain a minimum unencumbered reserve of four (4) months.

6. The parties will support amendments to the Trust necessary to implement this agreement.

the Fair Labor Standards Act (FLSA) as discussed in 29

substitute for one another when staffing levels do not
permit a member to take time off. The substitution must

(Note: The member being substituted for may only select one account from which to take hours for transfer, and those hours shall only be transferred to the volunteer substitutes “like” account. If the substituting member's selected account is at the maximum allowable balance, the substituting member shall be compensated at the base/straight time rate of pay from the transferred hours. An internal processing form has been established to accomplish this transfer.)

(3) **AWS Notification to Department** – Members wishing to provide a substitute must notify the Department using the internal processing form. The substitute must be satisfactory to the Department. If the substitute is determined to not be a satisfactory substitute, the commanding officer shall provide the reason(s) in writing within a reasonable amount of time.

N. **FEDERAL DRUG * * * POLICY** (Federal Omnibus Transportation Employee Testing Act- “ACT”)

[§§ deleted]

**Policy:**

1. The City maintains two separate policies to distinguish those procedures required by the Federal Transit Administration and the Federal Motor Carrier Safety Administration, entitled:

   “Controlled Substances and Alcohol Testing Regulations, Fresno Area Express”, adopted by the City Council on March 14, 2006, which
may be amended from time to time, after compliance with applicable collective bargaining laws.

“Controlled Substances and Alcohol Testing Regulations, Federal Motor Carrier Safety Administration”, which may be amended from time to time after compliance with applicable collective bargaining laws.

Both policies will be distributed to every affected member of the Fresno Police Officers Association Non-Supervisory Police Unit upon implementation or amendment of the policies, and at the time of training and orientation.

3. The parties acknowledge that there currently exists a list of positions subject to the provisions of the two policies: “(a) Controlled Substances and Alcohol Testing Regulations, Fresno Area Express, (b) Controlled Substances and Alcohol Testing Regulations, Federal Motor Carrier Safety Administration”, and should these positions be changed or modified, the parties agree to establish a new list of positions which are subject to these two policies pursuant to the ACT and the Department of Transportation. As personnel changes within these positions, the parties agree that the Department will give notice to the Association and the Risk Management Division of such changes.

4. The Risk/Safety Manager will be responsible for receiving all information related to the implementation of this policy and directing the applicable disciplinary action in coordination with the Labor Relations Manager.

5. The parties agree to abide by the Federal Regulations set forth in each policy. Employees who are members of the Association will also be subject to the provisions of any applicable Department Standing Order, policy or procedure.

Either party shall also have the right to refuse a request on any matter falling within the scope of representation and
which would be the basis of a proper refusal under (1) – (3) supra, if the proposal, if accepted or implemented, would only become effective after the expiration of this MOU. No unilateral action on any such refused proposal may be taken by the requesting party after such a refusal by the other.

It is further agreed, however, that this section shall not prohibit the City from requesting to meet and confer on changes to federal or state statutes.
