PREAMBLE

This Agreement is made and entered into on the date set forth below by and between THE CITY OF NEWARK, NEW JERSEY, having its principal place of business in City Hall, in the City of Newark, New Jersey, and hereinafter referred to as the "City", and THE POLICE SUPERIOR OFFICERS' ASSOCIATION OF NEWARK, NEW JERSEY, INC., a duly incorporated association, having its principal place of business at 1 Lincoln Avenue, Room 300, Newark, New Jersey, and hereinafter referred to as the "Association",

WITNESSETH:

WHEREAS, the parties have carried on collective bargaining for the purpose of developing a contract covering salaries, hours of work and other conditions of employment;

NOW, THEREFORE, in consideration of the promises, covenants, undertakings, terms and conditions herein contained, it is hereby mutually agreed by and between the parties hereto as follows:

ARTICLE I

RECOGNITION

SECTION 1:

The City hereby recognizes the Association as the sole and exclusive representative within the meaning of the New Jersey Employer-Employee Relations Act for all Superior officers employed by the Police Department of the City in the positions of Sergeant, Lieutenant and Captain, but excluding Police Officers and all other supervisory and non-supervisory employees, clerical employees, managerial executives, confidential employees, craft employees, professional employees and all others.
ARTICLE II

PAYROLL DEDUCTION OF ASSOCIATION DUES

SECTION 1:

Upon the written authorization by an employee covered by this Agreement, the City agrees, in accordance with N.J.S.A. 52:14-15.9e, to deduct twice each month, from the salary of each employee, the sum certified as Association dues and forward the sum to the Association Treasurer and/or other duly authorized Association officer. Once an authorization is given, it shall remain in effect unless terminated by the employee upon written notice or termination of his/her employment. The filing of a notice of withdrawal shall halt deductions of July 1 or January 1, whichever is sooner next succeeding date on which the notice of withdrawal is filed.

SECTION 2:

If an employee covered by this Agreement does not become a member of the Association during any membership year (January 1 through December 31) which is covered in whole or in part by this Agreement, said employee will be required to a representation fee to the Association for that membership year. The purpose of this fee will be to offset the employee’s per capita cost of services rendered by the Association as majority representative.

Prior to the beginning of each membership year, the Association will notify the City in writing of the amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members for that membership year. The representation fee to be paid by non-members will be equal to 85% of that amount.

In order to adequately offset the per capita cost of services rendered by the Association as majority representative, the representation fee should be equal in amount to the regular membership dues, initiation fees and assessments charged by the Association to its own members, less the exclusions set forth in N.J.S.A. 34:13A-5.5(b) and the representation fee has been thus set at 85% of that amount solely because that is the maximum presently allowed by law. If the law is changed in this regard, the amount of the representation fee automatically will be increased to the maximum allowed, said increase to become effective as of the beginning of the membership year immediately following the effective date of the change.
Once during each membership year covered in whole or in part by this Agreement, the Association will submit to the City a list of those employees who have not become members of the Association for the then current membership year. The City will deduct from the salaries of such employees the full amount of the representation fee and will transmit within a reasonable period of time the amount so deducted to the Association.

The City will deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the remainder of the membership year in question and until such time as a new Agreement is executed. The deductions will begin with the first paycheck paid:

1. 30 days after receipt of the aforesaid list by the City;

2. 30 days after the employee begins his or her employment in a bargaining unit position, unless the employee previously served in a bargaining unit position and continued in the employ of the City in a non-bargaining unit position or was on lay-off, in which event the deductions will begin with the first paycheck paid 10 days after the resumption of the employment in a bargaining unit position, whichever is later.

If an employee who is required to pay a representation fee terminates his or her employment with the City before the Association has received the full amount of the representation fee to which it is entitled under this Article, the City will deduct the unpaid portion of the fee from the last paycheck paid to said employee during the membership year in question.

Except as otherwise provided in this Section 2, the mechanics for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.

The Association will notify the City in writing of any changes in the list provided for above and/or the amount of the representation fee, and such changes will be reflected in any deductions made more than 30 days after the City received such notice.

On or about the last day of each month, beginning with the month in which this Agreement is executed, the City will submit to the Association a list of all employees who began their employment in a bargaining unit position during the preceding 30 day period. The list will include names, job titles and dates of employment for all such employees.
The Association has established and shall continue to maintain a "demand and return" system whereby employees who are required to pay the representation fee in lieu of dues may demand the return of the "pro rata share", if any, subject to refund in accordance with the provisions of N.J.S.A. 34:13A-5.5, as amended. The demand and return system shall also provide that employees who pay the representation fee in lieu of dues may obtain review of the amount paid through full and fair proceedings placing the burden of proof on the Association. Such proceedings shall provide for an appeal by either the Association or the employee to the review board established for such purposes by the Governor in accordance with N.J.S.A. 34:13A-5.5, as amended. Such procedures shall also provide for the creation of an interest bearing escrow fund to be maintained by the Union for the deposit of any monies that are the subject of a dispute or an appeal under this Article. Such funds shall be held in escrow pending an adjudication of any such dispute or appeal. Upon receipt of a written request from the City, the Association shall furnish the City with a copy of its rules and regulations applicable to its "demand and return" system. The Association shall also furnish the City with all appropriate data utilized by the Association to establish its agency fee.

SECTION 3:

The Association agrees that it will indemnify and save harmless the City of Newark against any and all actions, claims, demands, losses or expenses, in any matter resulting from action taken by the City at the request of the Association under this Article.

SECTION 4:

Should the Association have any retroactive dues money owed because of any delay in contract negotiations, or any other reason, the city will deduct the dues in the amount of which the Association will provide for each member.

ARTICLE III

SERVICE OFFICER

SECTION 1:

An employee lower than the rank of Captain shall be selected by the Association, subject to the approval of the Director, as service officer and it shall be his/her duty to assist the next of kin whenever an employee covered by this Agreement passes away. When the Department is notified of such a death, the officer in charge at the time shall immediately notify the service officer who shall be excused from his/her regular duties, where practicable, without loss of pay in order to assist the next of kin.
ARTICLE IV

GRIEVANCE PROCEDURE AND ARBITRATION

SECTION 1:

Purpose:

The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to problems which may arise affecting the terms and conditions of this Agreement. The parties agree that this procedure will be kept as informal as may be appropriate.

SECTION 2:

Definition:

The term "grievance" as used herein means any difference or dispute arising over the application or interpretation of the terms and conditions of this Agreement and may be raised by an individual, the Association on behalf of an individual or group of individuals, or the City.

SECTION 3:

Procedure:

Step 1:

An aggrieved employee shall institute action under the provisions hereof within ten (10) days of the occurrence of the grievance and an earnest effort shall be made to settle the difference(s) between the aggrieved employee and his/her immediate supervisor for the purpose of resolving the matter informally.

Step 2:

If a grievance is timely, and if no satisfactory agreement is reached within five (5) calendar days after Step 1, then the grievance shall be reduced to writing and submitted to the employee's commanding officer.

Step 3:

If no satisfactory agreement is reached within five (5) calendar days after Step 2, then a conference will be arranged with the Division Commanding Officer.
Step 4:

Should no acceptable agreement be reached within an additional five (5) calendar days after Step 3, then the matter shall be submitted to the Chief of Police who shall have ten (10) calendar days to submit his/her decision. The aggrieved employee has a right to representation by an official of the Association in Steps 1, 2, 3 and 4. The parties may by mutual agreement waive Steps 1, 2, 3, and 4.

Step 5:

Should no acceptable agreement be reached within five (5) calendar days after Step 4, then the matter shall be submitted to the Director of Police who shall have ten (10) calendar days to submit his/her decision. The aggrieved employee has a right to representation by an official of the Association in Steps 1, 2, 3, 4 and 5 above. The parties may by mutual agreement, waive the steps prior to step 4. If a grievance arises as a result of action taken by the Chief of Police, Police Director or a city official, the grievance shall be filed with the Chief of Police.

Step 6:

Arbitration:

Within two (2) weeks of the transmittal of the written answer by the Director, if the grievance is not settled to the satisfaction of both parties, either party to the Agreement may request that the grievance be submitted to arbitration as hereinafter set forth.

However, no arbitration hearing shall be scheduled sooner than twenty-one (21) calendar days after the final decision is due or rendered by the Director of Police, whichever is sooner, except for emergent grievances. In the event the aggrieved elects to pursue Civil Service Procedures, the arbitration hearing shall be canceled and the matter withdrawn from arbitration. An employee who elects to proceed to arbitration shall be deemed to have waived the right to proceed under Civil Service Law, Rules and Regulations and Procedures.

Either party may submit the grievance to arbitration by filing a notice with the New Jersey State Board of Mediation or the Public Employment Relations Commission. The arbitrator shall be appointed and shall serve in accordance with the rules and regulations of the applicable agency. The arbitrator shall have the authority to hear and determine the grievance and his/her decision shall be final and binding on all the parties.
The arbitrator shall have no right to vary or modify the terms and conditions of the Agreement and shall decide the dispute within thirty (30) calendar days after the hearing has been closed. The expense of arbitration shall be borne equally by the parties. Only the City or the Association shall have the right to submit a grievance to arbitration.

SECTION 4:
City Grievances:

Grievances initiated by the City shall be filed directly with the Association within ten (10) calendar days after the event-giving rise to the grievance has occurred. A meeting shall be held within ten (10) calendar days after filing a grievance between the representatives of the City and the Association in an earnest effort to adjust the difference between the parties. In the event no such adjustment has been satisfactorily made, either party may file for arbitration in accordance with the provisions of this Article.

SECTION 5:
General Provisions:

(a) Nothing contained herein shall prevent any employee from presenting his/her own grievance and representing himself/herself, provided notification of all meetings, steps and grievance answers are given to the Association and the Association is given the opportunity to be present at all steps of the grievance procedure.

HOURS OF WORK AND OVERTIME

SECTION 1:

(a) The hours of work for those employees who are assigned to steady administrative or investigative shifts shall be eight (8) consecutive hours in one day and five (5) consecutive days for no more than forty (40) hours in one week. Detectives will be subject to working a 4/2 schedule at the discretion of the commanding officer. All tour changes for detectives shall be made only upon notification as required by section (b) of Article V.

(b) The hours of work for those employees other than in (a) above shall be various tours of duty worked out in schedule form and made up for no less than three (3) months in advance. These members shall, for all purposes, have considered as time worked the preparatory time and standby time as required in Rules and Regulations 246 and 247. Effective January 1, 2000, the aforesaid notice shall become one (1) month in advance. Effective January 1, 2000, a voluntary waiver of said notice by an employee may be used. The language of said waiver will be agreed upon by the City and the S.O.A.

(c) Each Superior Officer who is assigned to the District Desk, the Central Communications Dispatch Operations Supervisor (floor operations), excluding administrative supervisory personnel, and the Prisoner Processing Section Supervisor (Cell Block area), excluding Administrative supervisory personnel, shall be granted a lunch break not to exceed thirty (30) minutes during his/her tour of duty. This break shall be taken as near to the midpoint of the officer's tour of duty as possible, provided that the affected officer remains in the building and within sight of his/her duty station in case an emergency situation arises which requires his/her immediate attention.

SECTION 2:

If an employee is required to work in excess of and in continuation of his/her regular day's shift, all time worked will be paid at time and one half (1 ½) his/her regular rate of pay.

SECTION 3:

If an employee is required to work on his/her day off, time off, or vacation day for less than four (4) hours, said employee shall be paid-for four (4) hours at one and one-half (1-1/2) times the regular rate of
pay. If an employee is required to work more than four (4) hours, said employee shall be paid for all the time worked at one and one-half (1-1/2) times the regular rate of pay.

SECTION 4:

Effective January 1, 1997, each Detective Captain, Detective Lieutenant and Detective Sergeant shall receive a flat overtime allowance of $1,100.00 in lieu of an hourly overtime payment for work performed in connection with routine assignments.

Effective January 1, 2006, each Detective Captain, Detective Lieutenant and Detective Sergeant shall receive a flat overtime allowance of $1,350.00 in lieu of an hourly overtime payment for work performed in connection with routine assignments.

However, whenever a Detective Captain, a Detective Lieutenant or a Detective Sergeant is specifically ordered to work overtime, other than in the completion of routine assignments, he/she shall be paid one and one-half (1-1/2) times the regular rate of pay for all time worked overtime. The Union recognizes that the term Detective does not connote a Civil Service rank.

SECTION 5:

Effective January 1, 1995, each superior officer, including those Superior Officers assigned to the Central Communications Division, shall receive a monthly stress/shift differential pay allowance of seventy-five dollars ($75.00) or a pro-rata share of the same sum provided they are either permanently assigned to work on a rotating shift basis or they are permanently assigned to work on steady shifts, the starting time of which does not begin between the hours of 5:45 a.m. and 12:00 noon.

Effective January 1, 2007, each superior officer, including those Superior Officers assigned to the Central Communications Division, shall receive a monthly stress/shift differential pay allowance of one-hundred dollars ($100.00) or a pro-rata share of the same sum provided they are either permanently assigned to work on a rotating shift basis or they are permanently assigned to work on steady shifts, the starting time of which does not begin between the hours of 5:45 a.m. and 12:00 noon.

Those superior officers who are temporarily assigned to work a shift as mentioned in this Section shall receive a pro-rata share of the monthly allowance, based on the length of time they serve in said capacity, in accordance with an interest arbitration award of Jonas Aarons, dated September 29, 1981, PERC Docket No. IA-81-33.
SECTION 6:

Before implementing any change in present hours of work, the Department, with the cooperation of the Association, shall establish an educational program for a five (5) day period whereby the Department and Association will make joint efforts to orient the employees covered by this Agreement concerning such changes in hours. No orientation period shall be required for tentative changes, which do not affect an entire unit.

SECTION 7:

For purposes of overtime, whenever an employee is required to give up free time it shall be considered work. This shall include uniform inspection, pistol inspection, schools, courses and meetings.

SECTION 8:

When an employee is assigned to perform duties of a higher rank for four (4) hours or more, the employee so assigned shall be paid the rate of the first step of the higher position for the time so assigned.

SECTION 9:

Insofar as the compensation of employees is provided for by ordinance or Executive Order as an annual salary amount, calculation of a "day's pay" shall be dependent upon both the specific annual salary to which the individual is entitled under the terms of such ordinance or Executive Order as then in effect and on the number of official work days existing in the calendar year. Official workdays shall be exactly equal to the number of weekdays, i.e., Mondays, Tuesdays, Wednesdays, Thursdays and Fridays, occurring in the calendar year. Specific calculation of a day's pay shall be made as follows: the annual salary shall be divided by the product of the official work days and the number of standard hours required in a regular work shift. An employee's standard shift shall be considered as eight hours in length. The result of the division indicated shall be truncated after the second decimal place, which result shall be utilized as the effective hourly rate of the employee. A "day's pay" shall then be defined as the product of the effective hourly rate and the standard hours per shift.

SECTION 10:

Superior officers who are members of either the bomb squad or emergency response team ("ERT") shall receive an annual stipend of $4,000.00, payable quarterly or a pro rata share of said sum.

Superior officers who are members of either the bomb squad or the emergency response team ("ERT") when designated on call shall receive one and one-half (1 ½) hours compensatory time for each and every on call assignment. A Superior officer shall not, however, receive more than one such
compensatory time payment for each twenty-four (24) hour period commencing with the starting time of the Superior officer’s last scheduled tour of duty. This payment shall be in addition to any recall pay required by this agreement.

SECTION 11:

Overtime payments shall be made no later than four (4) weeks from the date the overtime request for payment are submitted to the superior officer’s command.

SECTION 12:

There shall be no pyramiding of overtime pay provided for in Article 5, Section 3 and Article 6, Section 1, or in any other Article or Section of this Agreement. In the event that an employee is required to work as contemplated in more than one of the above referenced sections within the same calendar day, the greater four hour period will apply.

However, in the event that the employee is required to work for more that the four hour period, said employee will be paid at the overtime rate for all hours in excess of the four hour period. The City and the Association will draft a mutually acceptable overtime form that will obviate the need for multiple overtime forms for situations such as that described herein.

It is recognized that the above language was designated to prohibit pyramiding of overtime and that there was no intent to impact upon the payment to be made to any bargaining unit employee who is required to return to work at a later time that same calendar day.

SECTION 13:

For training purposes, any member working a midnight tour of duty shall be given the option of changing his/her schedule to a tour designated for training by the Police Department. The tour change option shall be exercised by the member, upon notification of the training assignment by the Police Department. Members shall be provided no less than thirty (30) days notice of the scheduling of any such training. At the completion of training, the member shall return to the midnight tour of duty, with no further obligation to provide him/her with another 30-day notice as contemplated in Article 5, Section 1 (b) of the Collective Bargaining Agreement. Article 5, Sections 3 and 7 shall not apply to this clause.
SECTION 14:

All compensatory time, including on-call time, accrued on or after 1/1/2010 by employees shall be used or paid out within 24 months of accrual, paid at the current rate of pay at the time of payment.

ARTICLE VI

APPENDIX A:

DENTAL PLAN BENEFIT SPECIFICATIONS

1. The plan must cover the S.O.A. member, their spouse, and their dependents to age 23.

2. The plan must allow the members to go to the dentist of their choice.

3. Payment by the plan must be based upon the N.J. Dental Association's definition of Usual, Customary, and Reasonable charges:

   Usual - The "Usual" fee is the fee regularly charged for a given service by an individual dentist to his/her private patients (i.e., his/her own usual fee).

   Customary - A fee is "Customary" when it is within the range of usual fees charged by dentists of similar training and experience for the same service, within that same specific and limited geographical area.

   Reasonable - A fee is "Reasonable", when it meets the above two criteria and when, in the opinion of the plan it is justifiable considering the special circumstances of the particular case in question.

4. The Customary, Usual and Reasonable payments must be based upon the pre-filing of fees, with the plan, for procedures performed by the dentist. At least 80% of the dentists in the State of N.J. must have signed participating agreements and submitted a pre-filed fee schedule with the plan, so that the percentage of co-payment by the member of his/her dependent is constant for all members of the S.O.A..

5. Replacement of Missing Teeth Benefits - teeth which are missing prior to joining the plan will be covered under the plan.

6. The plan must cover new work on preexisting dental problems or prior dental work (e.g. replacement of a filling, repair of a bridge, etc.).

7. The plan must provide Orthodontic Benefits of up to $1,000.00 per S.O.A. member, and for each individual dependent. This $1,000.00 per case treated shall be in addition to the other coverage provided. There shall be no deductible on the Orthodontic Benefits. Additionally, the Orthodontic Benefit shall provide for a "pro-rating" of incomplete Orthodontic work, upon entrance into the plan. (This provision provides for the plan to cover Orthodontic work started but not completed before entry into the plan).
