Once an employee who currently exceeds 300 hours, uses any portion of this current maximum the remaining time becomes the new maximum. Once said employee drops below the maximum of 300 hours, the maximum he can accumulate will be 300 hours.

**Section 3, Sick Leave**

A. For those employees working an 8-hour shift the following applies:

The parties agree that care and discretion shall be exercised by Management and the Union in order to prevent the abuse of sick leave privileges. Excessive absences on account of trivial indispositions must be discouraged. “Excessive absences” are defined as sick leave usage in excess of sixty-four (64)-hours in a consecutive twelve (12)-month period without medical certification that the employee was unable to work, or provide written proof from a medical facility that the employee attempted to obtain an appointment, but was unable to do so. This documentation must be provided within five (5) days of the employee’s return to work. After exceeding the sixty-four (64)-hour cap referenced above, discipline appeals will only be permitted when based on discrepancies in the number of hours used or whether the medical documentation was provided, as required. Sick leave used when the City shuts down all or a portion of its operations, or employees who are otherwise requested not to report to work, will
not be taken into account in calculating excess absences. For the purposes of this Article, the consecutive twelve (12)-month period shall commence every January 1st, and continue for a twelve (12)-month period, and every consecutive twelve (12)-month period thereafter.

Failure of 8-hour shift personnel to provide documentation will result in the following:

- 64.1 – 72.0 hours oral counseling
- 72.1 – 80.0 hours written reprimand and removal from voluntary overtime roster (passed over for two (2) overtime opportunities)
- 80.1 – 88.0 hours three (3)-day suspension
- 88.1 – 96.0 hours ten (10)-day suspension
- 96.1 hours or more termination

B. For those employees working a 10-hour shift, the following applies:

The parties agree that care and discretion shall be exercised by Management and the Union in order to prevent the abuse of sick leave privileges. Excessive absences on account of trivial indispositions must be discouraged. “Excessive absences” are defined as sick leave usage in excess of eighty (80) hours in a consecutive twelve (12)-month period, without medical certification that the employee was unable to work, or provide written proof from a medical facility that the employee attempted to obtain an appointment, but was unable to do so. This documentation must be provided within five (5) days of the employee’s return to work. After exceeding the eighty (80)-hour cap referenced above, discipline appeals will only be permitted when based on discrepancies in the number of hours used or whether the medical documentation was provided, as required. Sick leave used when the City shuts down all or a portion of its operations, or employees are otherwise requested not to report to work, will not be taken into account in calculating excess absences. For the purposes of this Article, the consecutive twelve (12)-month period shall commence on every January 1st, and continue for a twelve (12)-month period, and every consecutive twelve (12)-month period thereafter.

Failure of 10-hour shift personnel to provide documentation will result in the following:

- 80.1–90.0 hours oral counseling
91.1–100 hours  written reprimand and removal from voluntary overtime roster
   (passed over for two (2) overtime opportunities)
101.1–110.0 hours  three (3)-day suspension
110.1 – 120.0 hours  ten (10)-day suspension
121.1 hours or more  termination

C. Progressive Discipline.

Any employee receiving discipline, pursuant to Section 1 above, in consecutive years,
shall be subject to having the prior year’s discipline carried over for purposes of progression. For
example: An employee receiving the second step discipline in one (1) calendar year shall
commence the next discipline in a consecutive year at the 3rd offense step. Discipline in a third
consecutive year would commence at the 4th step offense, assuming no greater level than a 3rd
step offense was reached in the prior year. Progressive discipline is based on the employee
receiving discipline in consecutive years. If an employee does not receive discipline for
violations relating to sick leave during the prior year, then the City cannot use progressive
discipline for sick leave violations for the following year.

If discipline is carried over pursuant to paragraph C above, resulting in Step 4 discipline,
an employee will be required to serve a 20-day suspension prior to termination.

Section 4. Outside Employment While on Sick Leave

No employee shall accept outside employment of any kind or nature whatsoever, during
the employee’s normal working hours or shift, nor engage in any form of self-employment while
on sick leave.

g. Tuition reimbursement will be limited to tuition and course-related labs, and only for a maximum of $2,000 per calendar year for course work taken during the calendar year.

h. Any employee who receives tuition reimbursement under this Article, shall remain employed by the City for a minimum of twenty-four (24) months from the date of completion of any course for which the City has provided the employee reimbursement. If the employee voluntarily leaves, or is terminated for cause, the employee shall reimburse the City all tuition reimbursements received in the prior twenty-four (24) months through a deduction from his/her final paycheck. This provision does not apply to separation by retirement.

Section 3. Seniority shall accumulate for all purposes during paid absences because of illness, injury, vacation, military leave or other authorized leave.

Section 4. In the event of a vacancy in any unit (non-promotional vacancy), seniority will be considered. In addition, when it is determined that a non-promotional vacancy exists, the City shall make all reasonable efforts not to effectuate the filling of any such vacancy during the pendency of a regularly scheduled shift change. The City further agrees to announce all non-promotional vacancies in order to invite anyone interested in making application for the position, the right to do so. The announcement shall be posted, absent a documented emergency, for at least ten (10) working days. When all other factors are equal, seniority will prevail. Employees have the right to an interview with the unit commander to be informed of the reasons they were not selected.
ARTICLE 28. PREVAILING BENEFITS

Section 1. This Agreement shall not be construed to deprive any employee of any benefits or protection granted by the Laws of the State of Florida, Resolutions and Ordinances of the City of Hialeah or Civil Service Rules and Regulations of the City of Hialeah, Florida, now in existence.

Section 2. The City and the Association will meet at the written request of either party to negotiate any proposed changes in those rights and benefits not specifically covered by this Agreement.

ARTICLE 29. GRIEVANCE PROCEDURE

In a mutual effort to provide harmonious working relations between the parties to this Agreement, it is agreed to and understood by both parties that there shall be a procedure in this Agreement for the resolution of grievances or misunderstandings between the parties arising from the application or interpretation of this Agreement. The purpose of this Grievance Procedure shall be for the settlement of disputes between the employer and an employee, or group of employees, involving the interpretation or application of this collective bargaining agreement.

A grievance shall refer to the specific provision or provisions of the Agreement alleged to have been violated. It is further agreed by the Association that employees covered by this Agreement shall make an exclusive election of remedy prior to filing a second step grievance or initiating action for redress in any other forum. Such choice or remedy will be made in writing on the form to be supplied by the City. The Election of Remedy form will indicate whether the aggrieved party or parties wish to utilize the grievance procedure contained in this Agreement or process the grievance in any other forum.
Selection or redress other than through the grievance procedure contained herein shall preclude the aggrieved party or parties from utilizing said grievance procedure for adjustment of said grievance.

To simplify the grievance procedure, the number of days in presenting a grievance and/or providing a reply shall be based upon calendar days. Grievances shall be processed in accordance with the following procedure:

**Step 1.** The aggrieved employee shall discuss the grievance with his immediate supervisor within ten (10) calendar days of the occurrence, which gave rise to the grievance. The Association representative may be present to represent the employee if the employee desires him present. The immediate supervisor shall attempt to adjust the matter and/or respond to the employee within ten (10) calendar days. The aggrieved employee may waive Step 1 and Step 2 and initiate the grievance procedure at Step 3 within 10 calendar days of the occurrence.

**Step 2.** If the grievance has not been satisfactorily resolved in Step 1 or waived, the employee, with or without the assistance of the Association representative, shall complete the Election of Remedy form before initiating the grievance to the second step of the Grievance Procedure. When the Election of Remedy form indicates the grievance is to be advanced through the Grievance Procedure, the employee with or without the assistance of the Association representative shall reduce the grievance to writing on the standard form provided for this purpose and present such written grievance to the Chief within ten (10) calendar days from the time the response was received from Step 1 or waived. The Chief shall meet with the employee and/or the Association representative and shall respond in writing to the employee and/or the Association representative within ten (10) calendar days from the receipt of the written grievance.

**Step 3.** If the grievance has not been satisfactorily resolved in Step 2, the employee, with or without the assistance of the Association representative, may present a written appeal to the Mayor within seven (7) calendar days from the time the response was received in
Step 2. The Mayor or his designee shall meet with the employee and/or the Association representative and shall respond in writing to the employee and/or the Association representative within ten (10) calendar days of receipt of said appeal.

**Step 4. Arbitration of Grievances:** If a grievance has not been satisfactorily resolved within the Grievance Procedure, the Association may request a review by an impartial neutral no later than ten (10) calendar days following receipt of the Mayor's response in Step 4 of the Grievance Procedure. The parties shall jointly request a list of five (5) names from the American Arbitration Association. Within seven (7) calendar days of receipt of the list, the parties shall alternately strike names, the City striking first thus leaving the fifth (5th) name who will act as the Arbitrator. The City and the Association shall attempt to mutually agree in writing as to the statement of the grievance to be arbitrated prior to the arbitration hearing, and the Arbitrator shall confine his decision to the particular grievance if specified. In the event the parties fail to agree on the statement of the grievance to be submitted, the Arbitrator shall confine his consideration and determination to the written statement of the grievance.

The Arbitrator shall have no authority to change, amend, add to, subtract from or otherwise alter or supplement this Agreement or any part thereof or amend thereto. The Arbitrator shall have no authority to consider or rule upon any matter which is stated in this Agreement not to be subject to arbitration or which is not a grievance as defined in this Agreement; nor shall this collective bargaining agreement be construed by the Arbitrator to supersede applicable laws in existence at the time of signing of the Agreement, except to the extent as specifically provided. The initiating parties shall not be penalized in any way for exercising their rights under this contractual agreement. However, each party shall bear the expense of its own representatives. The impartial Arbitrator's fee and related expenses and expense of obtaining a hearing room, if any, will be assessed to the losing party. However, should the Arbitrator specifically render a split decision, the Arbitrator will render a decision splitting the fees and expenses between the parties. Any party desiring a transcript of the hearing
shall bear the cost of such transcript unless both parties mutually agree to share said cost. Copies of the Arbitrator's decision shall be furnished to both parties with the AAA's guidelines, and such award shall be final and binding upon both parties.

The grievance and arbitration procedure herein shall have no application to the resolution of disputes between the parties concerning the terms of a new collective bargaining agreement to replace this Agreement.

**Grievances Not Pertaining To The Agreement:** Grievances may also be filed by members of the bargaining unit when they feel that procedures, rules or regulations are being misused or unjustly enforced against them. This would also pertain to reprimands, whether oral or written. This type of grievance would be an Intra-Departmental Grievance and would follow the Grievance Procedures as stated above, with the exception of Steps 3 and 4.

With the mutual consent of the employee and the City, the employee may be placed in a position anywhere within the City service, provided that the employee shall be able to return to light duty status with the Police Department, within the meaning of this Section, at any time after thirty (30) days written notice. The employee shall be paid commensurate with the employee's classification and the employee shall not lose bargaining unit status.

The employee or the City, after a minimum of six (6) months or at six (6) month intervals thereafter while the employee is in partial disability status, may upon written request, be
reevaluated as per the **PROCEDURES** Section of this Article, to determine: (a) whether the employee has significantly improved to the point that the employee is medically fit for full duty as a sworn police officer; or (b) whether the employee's condition of impairment continues to prevent him/her from performing all the duties of a sworn police officer pursuant to the prevailing job description. If the employee is medically fit for full duty pursuant to subsection (a) herein, the employee will be returned to full duty commensurate with the employee's rank and seniority as a sworn police officer. If the employee is medically unfit for full duty pursuant to subsection (b) herein, the employee will remain in a light duty capacity.

Nothing contained herein shall be construed to prevent an employee, his/her representative, or the City from proposing or exploring the possibility of a settlement in regards to that employee's employment relationship with the City, at anytime while an employee is in partial disability status.

**PROCEDURES**

The following procedure shall be utilized for the determination as to whether or not an individual qualifies for Article 40, Heart Disability Provision Benefit:

**STEP 1:** The individual, at his cost, shall go to a physician of his choice to have his personal physician determine whether or not he is disabled, as outlined in Article 40, Heart Disability Provision. To assist the doctor the employee shall provide the doctor with a copy of Article 40 and a copy of the job description, which may be obtained from the Personnel Department.

**STEP 2:** If the applicant's personal physician has found him to be disabled, within the guidelines of Article 40, said individual shall petition the City of Hialeah for consideration of Article 40, Heart Disability Provision, by placing his request in writing and submitting it to the Personnel Department.
STEP 3: Upon receipt of the request for consideration under Article 40 and the supporting letter from the personal physician indicating the individual to be disabled, the City of Hialeah shall select a doctor of its choice to examine the applicant.

STEP 4: The City shall provide the City physician a copy of Article 40, a copy of the job description and a brief outline of light duty jobs for which the individual may be considered.

The City of Hialeah shall ask the physician to determine:

a) Whether or not the individual is fit for regular duty.

b) Whether or not the individual is fit for partial disability as outlined in Article 40; or

c) Whether or not the individual should be considered totally disabled and receive the benefit as outlined in Article 40.

STEP 5: If the City's physician finds the individual eligible for partial disability or regular duty, the City shall submit the doctor's findings to the employee's physician for reconsideration.

STEP 6: If the employee's physician, after reexamination and conferring with the City's physician, finds the individual fit for regular duty or for partial disability, the City shall then place the individual in the appropriate position.

STEP 7: If the employee's physician still feels the individual to be totally disabled and not eligible for partial or regular duty after reviewing the findings of the City's physician, the two doctors shall select a third doctor to review the findings of the other two doctors and to examine the applicant for his determination as to whether or not the individual is physically fit for: a) Regular duty; b) Partial disability; or c) Total disability. The cost of the third doctor shall be a shared cost between the City of Hialeah and the applicant.
STEP 8: If it becomes necessary to select a third doctor, the finding of the third doctor shall be binding upon both parties with the individual being either placed into the appropriate position or placed out on total disability. The third physician will be submitted a copy of the job description, along with a brief outline of light duty jobs available, which was submitted to the City's physician, under Step 4. The third doctor shall then make a determination as to: a) Whether or not the employee is fit for regular duty; b) partial disability; or c) total disability.
