BETWEEN

IRVINE POLICE ASSOCIATION

AND

CITY OF IRVINE

AUGUST 11, 2015 to AUGUST 10, 2017

PREAMBLE

This Memorandum of Understanding, hereinafter referred to as the "Agreement" or "MOU," entered into by the CITY OF IRVINE, herein referred to as "City," and the IRVINE POLICE ASSOCIATION, hereinafter referred to as "Association," has as its purpose the promotion of harmonious labor relations between the City and the Association, establishment of an equitable and peaceful procedure for the resolution of differences and the establishment of rates of pay, hours of work, and other conditions of employment.

Article I – Recognition

The City hereby confirms its prior certification of the Irvine Police Association as an exclusive representative, as set forth in the Government Code and the City's employer-employee policy, of a unit consisting of all employees employed in the classifications of POLICE OFFICER and POLICE SERGEANT.

Article II - City Rights

Except as expressly limited by this Memorandum of Understanding or other applicable laws, the City retains the exclusive right (a) to direct employees of the Police Department; (b) to hire, promote, transfer, and assign employees to positions within the Department consistent with applicable classifications; (c) to dismiss employees because of lack of work; (d) to reprimand, demote, suspend or discharge employees; (e) to determine the mission of the Department, its budget, its organization, the number of employees and the methods and technology of performing its work; (f) to take whatever action may be appropriate to carry out its mission in situations of emergency. The parties further understand that all rights not clearly and expressly limited by this Memorandum of Understanding are expressly reserved to the City, even though not enumerated.
Article III - Employee Rights

Safety employees covered under this Agreement shall be entitled to all rights specified under Government Code section 3300 et seq., and Irvine Police Department Procedure relating to "Public Safety Officers Procedural Bill of Rights." Employees shall have the right to have documented disciplinary actions or other adverse documented incidents removed from their Department personnel files pursuant to Police Department Procedure 2.02.17. No employee shall be interfered with, intimidated, restrained, coerced, or discriminated by the City because of his exercise of these rights.

Article IV - Association Rights

A. Payroll Deductions
The City agrees to continue payroll deductions to Association on behalf of its members for dues, and/or any insurance plan sponsored by the Association, unless authorization to make such deductions is canceled in writing by the individual employees.

B. Release Time for Association Business
In order to allow the Association an opportunity to handle the business affairs of its members including handling of grievances, the City shall, at the beginning of each calendar year, establish the annual time banks specified below for Association use, to be used as authorized by the Association President, as the chief executive officer of the Association, and, in his absence, the Vice President. The Association agrees, however, that the effective operations of the Police Department are not to be adversely affected by the use of the time bank by the Association members. If the Association members' absence does not impact minimum staffing levels, or other vital departmental operations as determined by the Division Commander or the Lieutenant in charge, the employee shall be released without restrictions. It is also understood that time for the annual meet and confer preparation and meetings and/or any special meetings called by the City shall not be charged against the time bank. It is also understood that hours from the time bank will not be carried over from year to year. The time bank will be a maximum of 420 hours per year for all Association business related to this unit of representation as described in Article I.
Article V - Grievance Procedure

A. Matters Subject to the Grievance Procedure
A grievance may be filed for any alleged violation of any Personnel Rule and Regulation dealing with required subjects of bargaining that are not specifically reserved to the City in the City Rights clause, Article II; for an alleged violation of an express provision the Memorandum of Understanding (MOU); or alleged violation of established and commonly accepted safety practices or procedures. The grievance procedure shall not be used to establish new policies or change any existing rules and regulations. It shall not be used in connection with disciplinary actions or dismissals or other matters for which appeals procedures exist under the Personnel Ordinance, Personnel Rules and Procedures or pursuant to statute.

B. Informal Grievance Adjustment
Whenever possible, an employee who has a complaint should try to solve the problem through informal discussion with his/her immediate supervisor without delay, and in no event later than fourteen (14) calendar days after the event giving rise to the complaint. The immediate supervisor shall make whatever investigation he/she deems necessary and reply within fourteen (14) calendar days.

If the employee is not satisfied with the decision reached through the informal discussion, and/or some other extenuating circumstances exist, he/she may bring the matter to the attention of the next level of authority within fourteen (14) calendar days of such decision. If the employee is still not satisfied with the decision, he/she may file a formal grievance within fourteen (14) calendar days after having received the reply.

In incidents involving an employee group, a representative of the involved group may meet with a designated representative of the City in an informal attempt to resolve the matter. It is understood that employees covered by this MOU have the right to authorize the Association to represent them in any grievance under this provision, informal or formal.

C. Formal Grievance Procedure

1. First Level
The formal grievance procedure may be followed on matters subject to this procedure only after failure to resolve a problem through informal grievance adjustment. If, after this discussion, the employee is not in agreement with the
decision reached, he/she may, within fourteen (14) calendar days, file a formal grievance in writing to his/her department director with a copy to the Personnel Officer, setting forth the section(s) of the MOU or Personnel Rules and Regulations allegedly violated and reciting all the facts and circumstances constituting the claimed violation. The department director shall make whatever investigation he/she deems necessary to allow fair consideration of the situation and shall present a written reply to the employee within (14) calendar days after receipt of the grievance. A copy of the reply shall be forwarded to the Personnel Officer.

2. Second Level

In the event the grievant is not satisfied with the decision at the department director level, the grievant may appeal the decision to the Personnel Officer or his/her designee, within fourteen (14) calendar days of receipt of the decision. This written appeal statement should include a copy of the original grievance, the decision rendered at the previous level, and a clear, concise statement of the reasons for the appeal. The written appeal described herein shall not expand the scope of the formal grievance submitted to the department director. The Personnel Officer or his/her designee shall communicate a decision within fourteen (14) calendar days after receiving the appeal. Either the grievant or the Personnel Officer may request a personal conference within the foregoing limits to discuss the grievance. Either party may have a representative present at such a conference.

3. Third Level

If the grievant is not satisfied with the decision by the Personnel Officer and the grievance alleges violation of the MOU, he/she may request the Association to submit the grievance to advisory arbitration, or appeal directly to the City Manager.

a. Advisory Arbitration

If the Association concurs with the employee request for advisory arbitration, the Association shall within twenty-eight (28) calendar days of the Personnel Officer's decision submit a request in writing to the Personnel Officer for advisory arbitration of the dispute and the City shall comply with the request, except in cases of disputed arbitrability. The Association and the City shall attempt to agree upon an arbitrator and if no agreement can be reached, the parties shall request the State Mediation and Conciliation
Service to supply a panel of seven (7) names of persons experienced in hearing grievances for cities. Each party shall alternately strike a name until only one name remains. The remaining panel member shall be the Advisory Arbitrator. The order of striking shall be determined by lot.

The fees and expenses of the arbitrator and the hearing shall be borne equally by the City and the Association. All other expenses, including fees and costs for witnesses and representatives, shall be borne by the party incurring them.

The Advisory Arbitrator shall, as soon as possible, hear evidence and render a decision on the issue or issues of violation of the MOU that were submitted to advisory arbitration. If the parties cannot agree upon a submission agreement, the arbitrator shall determine the issues of MOU violation by referring to the written grievance and the answers thereto at each level. In disputed cases regarding whether or not a grievance claim is within the scope of these proceedings, the Advisory Arbitrator shall rule on the arbitrability of the issues.

The arbitrator shall have no power to add to, subtract from, or modify the terms of this Agreement or City policy.

After a hearing and after both parties have had an opportunity to make written arguments, the Advisory Arbitrator shall submit, within thirty (30) calendar days, to all parties, the written findings and advisory recommendations that he/she has prepared.

The City Manager has the power to render a final decision of a grievance which shall be binding on ALL parties. If, upon review, the City Manager determines that he/she is unable to render a final determination on the record, he/she may reopen the record for the taking of additional evidence prior to rendering the binding decision. Said decision of the City Manager shall be provided to all parties within thirty (30) calendar days of his/her receipt of the Advisory Arbitrator's findings and recommendations.
b. City Manager Review

If the Association does not concur with the employee request for advisory arbitration, the employee, within thirty-five (35) calendar days of the Personnel Officer's decision, may request and shall be granted a hearing by the City Manager in an executive session open to all parties at interest for final resolution of the grievance.

In instances when the Advisory Arbitrator provision of this procedure is not utilized or available, the City Manager shall conduct such hearings, in executive session open to all parties in interest as he/she may deem necessary and the City Manager shall render a final and binding decision within thirty (30) calendar days following the conclusion of the hearing.

D. General Conditions

1. The Personnel Officer shall receive and retain copies of all written materials pertaining to the grievance.

2. At any step of the informal grievance adjustment or formal grievance procedure, a department director, supervisor, or employee may request a representative of Human Resources to participate in any discussions which may take place. Grievances may be initiated only by the concerned employee.

3. A formal grievance, not involving a specific supervisor or department director, may be submitted directly to the Personnel Officer.

4. An employee may represent himself/herself or select whomever he/she desires to represent him/her in the grievance procedure.

5. If an employee fails to proceed with a grievance within any of the time limits specified in this policy, the grievance shall be deemed settled on the basis of the last decision reached.

6. If management fails to respond within any of the time limit specified in this policy, the employee may proceed to the next level as if management responded on the last day possible.
7. An extension of the time limits specified in this process may be provided when mutually agreed upon by all parties concerned.

Article VI - Disciplinary Action

A. Disciplinary Authority
The department director shall have the right, for reasonable cause, to demote, dismiss, reduce in pay or suspend without pay for up to thirty (30) calendar days any regular member of the competitive service.

B. Discipline Procedure
An authorized departmental manager or supervisor proposing that action be taken shall provide the employee with written notice of the proposed action. The written notice shall contain the date it is intended to be effective, the charge(s) and facts on which the proposed action is based and notification that the employee is entitled to respond to the charges orally or in writing to the department director or designee within seven (7) calendar days of receipt of notification. Failure of the employee to make a written or oral response or request will constitute waiver of the right to respond. Further, the employee shall be provided with the relevant written materials, written reports and documents considered by the departmental manager or supervisor in reaching his/her decision to propose the action.

The director will hear employee responses on all contemplated disciplinary actions which propose a penalty equal to or more severe than a forty hour suspension without pay, while his/her designee may hear those responses where less severe discipline is proposed.

If the employee elects to respond in person, a meeting shall be scheduled with the department director or his/her designee, whichever is applicable, at which time the employee shall be given the opportunity to respond to the proposed action. The employee shall be entitled to be represented by counsel or other person of his/her choosing at the meeting.

If after following the above procedure discipline is implemented, a written notice of discipline shall be served upon the employee. Said notice shall inform the employee of his/her appeal rights, if any.
The City shall have the right to put any employee on immediate paid administrative leave pending investigation and processing of any potential disciplinary action. The provisions of this Article shall not apply to reductions in pay which are part of a general plan to reduce salaries and wages or to eliminate positions.

C. Appeal

1. Right of Appeal

When formal disciplinary action has been taken by the department director or designee and the employee has received written notification of the action, the employee shall have the right to appeal as provided below. Failure to appeal by the employee or his/her representative will make the disciplinary action final and conclusive.

2. Appeal Procedure

A member of the competitive service who has been demoted, dismissed, reduced in pay or significantly suspended without pay, may appeal to the City Manager within fourteen (14) calendar days after having been furnished with a copy of the notice of discipline by filing a written answer to such charges and requesting a hearing thereon.

3. Hearing Procedure

a. The City Manager shall appoint a Hearing Officer to conduct hearings on appealable disciplinary actions imposed pursuant to this Article. The hearing shall commence within ninety (90) days from the receipt of the appeal unless otherwise agreed to by the department director and the employee or their respective designees.

b. Hearings shall be conducted in the manner most conducive to determination of the truth, and the Hearing Officer shall not be bound by technical rules of evidence.

c. The Hearing Officer shall determine the relevancy, weight and credibility of testimony and evidence. The Hearing Officer shall base his/her findings on the preponderance of evidence.
d. Each side will be permitted an opening statement and closing argument. The department director shall first present his/her witnesses and evidence to sustain the charges and the employee will then present his/her witnesses and evidence in defense.

e. Each side will be allowed to examine and cross-examine witnesses.

f. Both the department director and the employee or their respective designees may be represented by legal counsel.

g. The Hearing Officer shall, if requested by either party, subpoena witnesses and/or require production of other relevant records or material evidence.

h. The Hearing Officer may, prior to or during a hearing, grant a continuance for any reason he/she believes to be important to his/her reaching a fair and proper decision.

i. The Hearing Officer shall prepare a recommended decision and forward it to the City Manager after the matter of appeal was taken under submission by the Hearing Officer. The recommended decision shall set forth which charges the Hearing Officer sustains or does not sustain and the reasons therefore.

j. After receiving the recommendation of the Hearing Officer, the City Manager may sustain or reject any or all of the charges filed against the employee. He/she may sustain, reject or modify the disciplinary action invoked against the employee.

k. The employee or his/her representative may obtain a copy of the transcript of the hearing upon request and agreement to pay for necessary costs.

D. Dismissal

Dismissal of any employee from the competitive service shall, unless otherwise ordered:
1. Constitute a dismissal as of the same date from all positions which the employee may hold in the competitive service.

2. Result in an automatic removal of the employee's name from all employment lists on which it may appear.

3. Terminate the salary of the employee as of the effective date of his/her dismissal, as indicated in the notice of discipline except that he/she shall be compensated for any unpaid salary, unused vacation and unused compensatory time off to his/her credit as of the date of dismissal.

**Article VII - Existing Conditions of Employment**

It is the understanding of the parties that the following wages, hours and other terms and conditions of employment within the lawful scope of representation of the Association currently enjoyed by Police Officers and Sergeants will not be reduced and shall remain in full force and effect during the entire time of this Understanding, except as expressly provided herein or except by mutual agreement.

**Article VIII – Wages**

**Salary Adjustments**

The criteria for advancement within salary ranges which appear in the City’s Personnel Rules and Regulations are set forth in Attachment II. The salary ranges of classifications covered by this Agreement shall be as set forth in the Schematic Arrangement of Class Titles and salary ranges as shown on Attachment III.

Effective the pay period that includes August 11, 2015, the base salary of the employees in this bargaining unit shall be increased by 4%.

Effective the pay period that includes August 11, 2015, all unit members enrolled in CalPERS who are not new members under PEPRA shall contribute an amount through payroll deductions equal to 1.5% of compensation in the form of cost sharing of the City’s required contribution to CalPERS under Government code section 20516(f). These cost sharing deductions shall be made on a pre-tax basis to the extent allowed under applicable law. All unit members shall receive a
base salary increase of 1.25% at the same time. Unit members enrolled in the City of Irvine Defined Benefit Pension Plan shall make additional contributions as described in Article XI.A.1.b of this MOU.

Effective the pay period that includes August 11, 2016, the base salary of employees in this bargaining unit shall be increased by 4%.

Effective the pay period that includes August 11, 2016, all unit members enrolled in CalPERS who are not new members under PEPRA shall contribute an amount through payroll deductions equal to an additional 1.5% (3.0% total) of compensation in the form of cost sharing of the City’s required contribution to CalPERS under Government code section 20516(f). These cost sharing deductions shall be made on a pre-tax basis to the extent allowed under applicable law. All unit members shall receive a base salary increase of 1.25% at the same time. Unit members enrolled in the City of Irvine Defined Benefit Pension Plan shall make additional contributions as described in Article XI.A.1.b of this MOU.

The parties intend that the cost sharing under Government code section 20516(f) above and the related base salary increases totaling 2.5% continue in the event this MOU expires without a new MOU in place. In the event that the cost sharing is not continued for any reason, the related base salary increases shall expire simultaneously. The cost sharing amounts are in addition to the employee contributions required by law as described in Article XI.A.1.b and XI.B.3 of this MOU.

Payroll Date Change Reopener
The City shall change the current practice related to the timing of payroll distribution in September 2016. Between ratification of this MOU and September 2016, the City and IPA shall discuss the options for making this change, which shall prospectively increase the time between the end of a payroll period and the distribution of salary to employees. Any change made shall not reduce the number of paychecks distributed to employees in calendar year 2016.

Article IX – Overtime

A. General Overtime
All Police Officers and Sergeants shall be entitled to premium overtime compensation at the rate of one and one-half times the employee's regular rate of pay for all time worked or deemed to have been worked (which includes authorized absences for sick leave, holiday, vacation and other paid leaves of absence or time taken for compensatory time
off) in excess of: a) the employee's regularly scheduled daily work shift; or b) 80 hours per two-week pay period. Payment of overtime will not be cumulative based on these two criteria. Thus, for example, if an employee works 11 hours while on an assigned 10 hour work shift in a day which results in the employee working 81 hours in a two-week pay period, the employee would only be entitled to receive one hour of overtime. The parties understand that the City's adoption of the 28-day, 171-hour work period pursuant to Section 7 (k) of the Fair Labor Standards Act remains in full force and effect. However, overtime entitlements will be based on the two criteria set forth above: a) ten or twelve and one-half hours per day, depending on assigned work shift; or b) 80 hours per two-week pay period.

In calculating an employee's regular rate of pay for overtime purposes, in addition to an employee's base rate of pay, the following incentive pays shall be included to the extent that an employee qualifies for the particular incentive pay:

- a) Standby pay (dollars, not hours)
- b) Court standby pay (dollars, not hours)
- c) Firearms qualification compensation
- d) Intermediate P.O.S.T Certificate
- e) Advanced P.O.S.T Certificate
- f) Supervisor's P.O.S.T Certificate
- g) Investigation pay
- h) Motor officers' pay
- i) Special Operations pay
- j) Field training pay

B. Special Events

It shall be the responsibility of the "Assigned Lieutenant" to monitor the application of the special events policy, and he has the authority to adjust elements of this policy as circumstances/events necessitate. Existing (Attachment I) staffing levels applicable to the Irvine Meadows will be maintained during the course of this Agreement.

Police Officers and Sergeants, who volunteer to serve in a non-supervisory or a supervisory position for special events held pursuant to the contract with the City under resolution No. 83-19 or as otherwise designated by the City, shall be compensated according to the general overtime provisions noted in Article IX, Section A.

Commercial special events will be scheduled at a minimum of four (4) hours and all non-profit special events will be scheduled at a minimum of three (3) hours except for football games which will be scheduled for a minimum of four (4) hours.
Sign-up procedure for Special Events Overtime shall be as follows:

a. When possible, special event overtime rosters will be posted a minimum of ten (10) calendar days prior to the event;

b. To assure fairness in availability of special events overtime, the Coordinator shall use a system for alternating routine sign-up lists to a supervisor in charge of individual patrol shifts or specialty areas. In all cases, the list may be rotated among on duty personnel within that section receiving first priority, but must be placed in the special events schedule book by the end of the first day after the list is furnished. During this period, the shift or specialty supervisor or his/her designee may make an attempt to contact both on and off duty personnel assigned to that shift/area to determine their desire to work the assignment. The shift or specialty supervisor or designee may sign the name of the person contacted on the sign-up list, and initial same.

c. At the top of each overtime roster, a "posting date" and an "open date" will be listed.

d. During the first three (3) calendar days a roster is posted, on which there are two scheduled events an individual will be limited to one sign-up per roster list. On rosters containing more than two scheduled events, an individual will be limited to a maximum of two sign-ups per list.

e. Commencing on the fourth (4th) calendar day, (open day), there will be no limit on the number of times an individual may sign up;

f. Last minute events (within five (5) calendar days of the event) will be posted on a separate list and placed directly in the Special Events Schedule Book by the Coordinator for immediate filling.
g. Violations of any provision of this process may result in restriction of working Special Events as follows: 1st violation - 30 calendar days; 2nd violation - 60 calendar days; 3rd violation - remainder of the calendar year.

h. Each time an individual signs a slot on the special event overtime roster he/she will place the date adjacent to his/her name;

i. Individuals may sign up for themselves only and shall not remove their name from an overtime roster without approval of a supervisor who must initial the change.

j. Special events overtime roster sign-ups will be limited to full-time sworn personnel with the following exceptions:

   (1) Three (3) calendar days prior to a scheduled event, the Special Events Coordinator may fill vacant positions on a previously posted roster.

   (2) Any school sponsored event where associated student body funds are utilized for payment, i.e., basketball games and dances, may be filled with a combination of full-time sworn and reserve personnel.

   (3) Individuals signing up for a special event shall be subject to the direction of the Special Events Coordinator under normal circumstances; however, in the event of an emergency or unusual occurrence, the ranking officer present will assume command control of the situation.

   (4) Minimum staffing levels established for an event do not preclude the Coordinator from adding personnel when the need dictates. In such cases, additional positions would be added as a supplement to the original roster and placed directly in the Special Events Book by the Coordinator.
(5) Any employee on a performance action plan is prohibited from working a special event.

k. On special event assignments where a supervisor's position is listed for a specific detail, i.e., Irvine Meadows - Traffic Control, or Irvine Meadows - Parking Lot, another position with the same amount of hours shall be designated "Officer." Only Police Officers will be allowed to sign up for this position, except pursuant to Section j. (1) above. If no supervisor's position is designated, the detail will be open to all sworn personnel below rank of Lieutenant.

C. Compensation for Court Stand-by and Appearance Time

1. Standby Time

Any Police Officer or Sergeant required to remain at his/her residence and/or promptly available by phone or pager while in an off-duty status because he/she is put "on-call" for court appearance, will receive a sum equivalent to two hours of regular salary at his/her base hourly rate. In the event that a morning on-call status continues beyond the court's noon recess, the employee will receive an additional sum equal to two hours at his/her hourly base rate. If the employee is not placed off-call 48 hours prior to 0900 the morning of the subpoena appearance date, the employee will receive two (2) hours of stand by time.

2. Court Appearance Time

Any Police Officer or Sergeant who is off duty and is required to appear in court after being placed on call, will receive premium overtime compensation at a time and one-half for actual hours required for court appearance, or for two (2) hours if the actual hours required are two (2) hours or less. When such court appearance requires the employee to be in attendance before and after the court lunch recess, such lunchtime will be included in determining the employee's court overtime pay.

Any Police Officer or Sergeant required to respond to court while in an off-duty status and not previously having been placed on call will be paid a minimum of two hours of overtime compensation.

D. **Affordable Care Act Reopener**
The City may reopen the MOU on the issue of health insurance solely for the purpose of discussing potential penalties or taxes under the Affordable Care Act. The City shall make no changes to health insurance benefits or City contributions toward health insurance benefits under the reopener, absent mutual agreement between the City and IPA.

E. Employees not claiming dependents on their medical, dental, psychological, and vision plans shall receive $150 per month. The stipend may be used for deferred compensation, un-reimbursed medical expenses, or taken as taxable cash.

C. **Motorcycle Duty**
Employees who are assigned to motorcycle duty are entitled to compensation for the off-duty hours spent maintaining their motorcycle. The parties acknowledge that the Fair Labor Standards Act, which governs the entitlement to compensation for off-duty motorcycle duties, entitles the parties to agree to a reasonable number of hours per month for the performance of such duties. The Fair Labor Standards Act also allows the parties to agree on appropriate compensation for the performance of such off-duty motorcycle duties. It is the intent of the parties through the provisions of this article to fully comply with the requirements of the Fair Labor Standards Act. In addition, both parties believe that the following agreement does comply with the requirements of the Fair Labor Standards Act.

Employees assigned to motorcycle duty shall be paid an additional special assignment compensation of $220 per month for 9 (nine) hours per month, which is equivalent to the reasonable number of hours per month that the motor officer spends off-duty maintaining his/her motorcycle. The parties agree that the foregoing compensation is intended to compensate the motor officers for approximately 9 (nine) hours of off-duty motorcycle work at the rate of $16.30/hour, which is then multiplied by 1.5 for overtime purposes. This compensation shall be considered and reported as compensation earnable to the extent permitted by the Public Employees Retirement law.
Employees assigned to motorcycle duty who are required to perform extraordinary off-duty motorcycle care (in rare instances) which causes a substantial increase in the normal off-duty hours worked for that month, shall submit a written request to the Police Chief or the Chief's assigned designee for additional compensation for the hours spent performing such work.

1. Each FTO assignment will be reviewed by the Operations Support Lieutenant every six months. At that time, the Operations Support Lieutenant will review the performance and contributions of each officer and either retain the officer or remove him/her from the program. An officer removed from the assignment may appeal the reassignment to the Director of Public Safety.

2. Each FTO will be expected to maintain a minimum of an overall competent rating on their performance appraisals and can be removed from the program, at any time, for a major disciplinary violation which in the opinion of the Operations Support Lieutenant may affect that individual's effectiveness as an FTO.
3. The duties and responsibilities for FTO's will be as determined appropriate by the Operations Support Lieutenant.

4. Specific criteria and/or testing and selection methods would be established by the Operations Support Lieutenant and approved by the Deputy Chief or designee.

The Police Chief shall designate which positions shall be assigned bilingual duties and which languages shall be eligible for bilingual pay. Qualified employees who meet the following criteria shall receive an additional $50.00 per month, paid at one time during the second pay period of the month, while serving in such position and utilizing such designated second language(s). Effective January 1, 2004, qualified employees who meet the following criteria serving in such position and utilizing such designated second language(s), shall receive an additional $115 per month.

1. An employee must be assigned to speak or translate a language in addition to English as part of their position responsibilities. This includes such specialized communication skills as sign language.

2. To become qualified: 1.) employees must be certified as proficient in a second language as determined by the Personnel Officer, 2.) the employee must be able and willing to conduct investigations, make public presentations, act as a Press Information Officer as directed, or other department required translation as directed, 3.) the employee may be required to testify in court, actively participate in investigations, or engage in other activity involving the oral translation of a second language to English and English to the second language, and 4.) the employees recognize that they may be used for translation in a position or assignment other than the position that they are currently assigned to (i.e. a Patrol Officer may be assigned to Investigations for a specific case or need) and that they do not qualify for any additional bonus pay beyond bilingual pay when working in
that temporary assignment. An employee in a bilingual assignment may request assignment to a position which does not require bilingual certification, if available.

G. Canine

Employees who are assigned to the canine officer detail are entitled to compensation for the off-duty hours spent caring, grooming, feeding and training their canine and maintaining their canine vehicle/unit. The parties acknowledge that the Fair Labor Standards Act, which governs the entitlement to compensation for off-duty canine duties, entitles the parties to agree to a reasonable number of hours per month for the performance of such duties. The Fair Labor Standards Act also allows the parties to agree on appropriate compensation for the performance of such off-duty canine duties. It is the intent of the parties through the provisions of this article to fully comply with the requirements of the Fair Labor Standards Act. In addition, both parties believe that the following agreement does comply with the requirements of the Fair Labor Standards Act.

Canine officers normally spend approximately 15 hours per month performing off-duty work related to their canines, which is different from their regular assignment. As such, it is agreed that canine officers will receive additional compensation of 15 hours/month at 2/3rds of their regular hourly rate of pay at time and a half for the off-duty canine duties as described herein. This compensation shall be considered and reported as compensation earnable to the extent permitted by Public Employees Retirement law.

Employees assigned to the canine officer detail who are required to perform extraordinary off-duty canine care, such as a veterinary emergency or other rare occurrence, which causes a substantial increase in the normal off-duty hours worked for that month, shall submit a written request to the Police of Chief or the Chief's assigned designee for additional compensation for the hours spent performing such work.

Article XVII - Plain Clothes Assignments

Employees working in plain clothes special assignments may receive up to $300 per year in reimbursement for clothing costs. The $300 per year is to be derived from the Department's uniform account and is to be handled by modifying the Department procedure on uniforms.
Article XVIII - Compensatory Time Off

A. Accrual of Compensatory Time Off (CTO)
Effective August 11, 2010, Police Officers and Sergeants may accumulate a maximum of one hundred twenty (120) hours of compensatory time off in lieu of premium overtime compensation. The rate of accrual shall be one and one-half (1 1/2) hours of compensatory time for each hour of overtime worked. Since employees will be accruing one and one half (1 1/2) hours of compensatory time for each hour of overtime worked, employees will reach their maximum CTO accruals once they have worked 80 overtime hours.

Employees may elect in October of each year to have the City buy back up to 40 hours of accrued CTO in increments of 10 hours. Incentive pays shall be included in the calculation of the rate of pay for purposes of CTO buy backs as provided in Article IX, Section A, second paragraph. Such payment shall be received by December 31 of the same year.

"Overtime hours" includes all time worked or deemed to have worked (which includes authorized absences for sick leave, holiday, vacation and other paid leaves of absence or time taken for compensatory time off) in excess of: a) the employee's regularly scheduled work shift; or b) 80 hours per two-week pay period. Payment of overtime will not be cumulative based on these two criteria. Thus, for example, if an employee working an assigned 10-hour shift works 11 hours in a day which results in the employee working 81 hours in a two-week pay period, the employee would only be entitled to receive one hour of overtime. The parties understand that the City's adoption of the 28-day, 171-hour work period pursuant to Section 7(k) of the Fair Labor Standards Act remains in full force and effect. However, overtime entitlements will be based on the two criteria set forth above: a) ten or twelve and one-half hours per day; or b) 80 hours per two-week pay period.

The employee may either accumulate CTO time at one and one-half for each hour worked; or elect to receive premium pay at one and one-half times the employee's regular rate of pay only when performing tasks:

1. Holidays pursuant to Article XIV
2. Supervisor approved report writing and/or investigative follow-up at the end of the shift.

3. Draft fills (unplanned shift vacancies that necessitate a non-voluntary fill to meet minimum staffing requirements).

4. Required attendance at meetings and court appearance time.

With respect to all other instance of overtime, the employee will receive compensation only in the form of premium pay at one and one-half times the employee's regular rate of pay.

B. Utilization of Compensatory Time Off (CTO)

1. Employee requests to use accrued CTO shall be granted provided employee submits the request to the affected shift supervisor at least seven (7) calendar days in advance, and has arranged for a fill; unless the employee's absence impacts vital departmental operations as determined by the Division Commander or the Lieutenant in charge.

2. Any employee filling for a CTO absence shall only receive premium pay at one and one-half times for each hour worked except under the condition described in Article XVIII Section A.

3. Employees shall not be required to disclose the reason or purpose for taking CTO, except in emergencies and/or requests for less than one (1) hour.

Article XIX - Hours of Work

The 4-10 work schedule shall be ten (10) consecutive hours of work per day including briefing and lunch, for four (4) consecutive days during a one week period. The 3-12 work schedule shall be twelve and one-half (12-1/2) consecutive hours of work per day including briefing and lunch, for three (3) consecutive days during each one-week period, with an additional ten (10) consecutive hour work day in each twenty-eight (28) day period. Management will determine shift starting times and shift configuration.
Minimum Deployment Policy will be maintained at a level that considers the safety of the members of this unit. The shift rotation schedule guidelines, as well as an established minimum of officers will be set forth in the Departmental Standard Operation Procedure (DSOP).

Article XX - Education Reimbursement/Professional Development

Effective January 1, 2008, regular employees shall be eligible for reimbursement of approved education expenses, including tuition, books, laboratory fees and parking fees to a maximum of $1,300 per calendar year. Funds not used during the previous calendar year may be carried over for a period of time not to exceed one additional year. Carried-over funds may be used exclusively for education reimbursement. $350 of the above allocations may be used for approved professional development programs and certified wellness programs in accordance with Irvine Police Department and City policy; the ability to carry over funds does not apply to professional development.

Article XXI - Promotional Procedures

Promotional examinations to the ranks of Sergeant and Lieutenant shall be based on examinations and grading techniques established in advance by the City and posted with the Notice of Available Positions. An eligibility list will be established upon the results of such examination and grading techniques, which shall be compiled based upon the order of scores with the highest score at the top of the list. Each appointment shall then be made from the eligibility list from among the top three candidates on the list at the time the appointment is made.

Article XXII - City Manager's Award for Employee Achievement

Management may recommend an employee achievement program which will provide financial awards to regular full-time and regular part-time City employees.
Article XXIII - Completion of Meet and Confer Process

Each of the parties hereto agrees that it has had a full and unrestricted right to make, advance, and discuss all matters properly within the scope of meet-and-confer in accordance with State laws and local ordinances and regulations. Except as otherwise provided herein during the term of this Memorandum of Understanding, the parties expressly waive and relinquish the right to meet and confer except by their mutual consent with respect to any subject or matter, whether referred to or covered by this Memorandum of Understanding or not, even though each subject or matter may not have been within the knowledge or contemplation of either or both the City and Association at the time they met and conferred or executed this Memorandum of Understanding, and even though subjects or matters were proposed and later withdrawn. The express provisions of this Memorandum of Understanding constitute the only limitations upon the City's rights to determine, implement, supplement, change, modify, or discontinue in whole or in part any term or condition of employment the City deems fit and appropriate, provided, however, that the City shall comply with all federal and State laws relating to employee rights, opportunities, and benefits, except for the requirement to meet and confer with regard to such change, alterations, modifications, or exercise of the reserve powers of this Memorandum of Understanding, which right has been expressly waived by the Association.

Article XXIV - Concerted Activities

Apart from and in addition to existing legal restrictions upon and remedies for work stoppages, the Association hereby agrees that during the term of this Memorandum of Understanding, neither it nor its members or agents, representatives or persons acting in concert with any of them, shall incite, engage or participate in any strike, walkout, slowdown, sick-out or other work stoppage of any nature against the City whatsoever, or wheresoever located, including but not limited to disputes which are related to the subject matter contained in this Memorandum of Understanding; disputes which are specifically not subjects of this Memorandum of Understanding; disputes between the City and other employee organizations, persons or employees; jurisdictional disputes. In the event of any strike, walkout, slowdown, sick-out or other work stoppage or threat thereof against the City, the Association and its officers will take all steps reasonably within their control to end or avert the same.
Those represented by the Association will not authorize, engage in, encourage, sanction, recognize or assist in any strike, slowdown, walkout, sick-out or other work stoppage against the City or picket in furtherance thereof, or participate in unlawful concerted interference in violation of this provision, or refuse to perform duly assigned services in violation of this provision. It is understood that any person represented by the Association found in violation of this provision will be subject to discipline, including termination, as determined by the City Personnel Officer, according to personnel rules and regulations.

**Article XXV - Term**

The terms and conditions of the MOU will be effective the date of City Council adoption of the Agreement unless otherwise stated in the MOU. The Agreement shall remain in force and effect until August 10, 2017, and supersedes all other agreements between the parties.

**Article XXVI - City Council Approval and Association Ratification**

It is the understanding of the City and the Association that this Agreement shall have no force or affect whatsoever unless ratified by the Irvine Police Association and adopted by Resolution of the City Council of the City of Irvine. Each Party agrees to use its best efforts to obtain necessary approvals for this Agreement to become effective. Following approval of the City Council, the City shall implement the terms of this Agreement by appropriate ordinance, resolution or other means.
IN WITNESS WHEREOF, the parties hereto have executed this Memorandum of Understanding as of this 11th day of August, 2015.

PERFORMANCE EVALUATION SYSTEM

The following sections of the Personnel Rules and Regulations (Article 16) that apply to sworn employees are referenced in this MOU as follows:

SEC. 1 "Performance Evaluation."

The Personnel Officer or designee shall provide a method of reporting individual employee performance, which relates to quantity and quality of work, ability, reliability, discipline, attendance, and other factors. The Personnel Officer shall prescribe forms for such performance evaluations and shall be responsible for assuring that such evaluations are adequate to provide information to both the employee and the City for the purposes set forth in this section. An employee must have a satisfactory or better performance evaluation in order to be eligible for a merit salary increase or promotion. Deficiencies in performance by an employee may result in a decrease in salary, suspension, demotion or dismissal, following procedures outlined in these Rules or in the applicable Memorandum of Understanding between the City and a Recognized Employee Organization.

SEC. 2 "Performance Appraisals."

Department directors shall periodically rate the performance of each employee on forms provided by the Personnel Officer, provided, however, that the department directors may delegate the responsibility for rating the performance of specified employees in their departments to the employees' supervisor. Interim appraisals may be completed as necessary when changes in work performance occur. Each employee shall be informed in such appraisals of his/her strengths and weaknesses. Each performance appraisal shall be discussed with the employee. The employee shall sign the appraisal to acknowledge its contents. Such signature shall not necessarily mean he/she fully endorses the contents of said appraisal. The performance appraisals shall not be subject to any grievance and/or appeal procedure, unless otherwise specified in the applicable Memorandum of Understanding between the City and a Recognized Employee Organization.

SEC. 4 "Performance Appraisal System for Sworn Employees."

For all sworn full-time employees, the performance appraisal system shall include the following:

Performance Appraisal Period: All newly hired employees shall receive a performance review at the completion of six (6) months of service, at the successful completion of their
probationary period, and once annually thereafter. All promoted employees shall receive a performance review at the completion of their probationary period, and annually thereafter.

**Pay for Performance:** Upon completion of a written performance review, employees may be eligible for merit adjustments in the following manner.

- Employees whose salary is below the maximum of their salary range, and who receive a “competent” performance review, will be eligible for a 5% base salary adjustment up to the maximum.

- Employees whose salary is below the maximum of their salary range, and who receive an “excellent” performance review, will be eligible for a 6% base salary adjustment up to the maximum.

- Employees whose salary is below the maximum of their salary range, and who receive an “outstanding” performance review, will be eligible for an 8% base salary adjustment up to the maximum.

- Employees whose salary is near the maximum of their salary range, and who receive a “competent” or “excellent” or “outstanding” performance review, will only receive that portion of the pay increase which increases their base pay up to the maximum of the salary range.

- Employees who receive a “needs improvement” performance review are not eligible for any salary increase.

- Employees whose salary is at the maximum of their salary range are not eligible for any salary increase.

- The dates for performance reviews and eligibility for merit pay adjustments will be adjusted for unpaid leaves of absence in excess of thirty (30) days.

1998 ROTATION PLAN
(Revised August 11, 2015)

1. PURPOSE:
The purpose of the 1998 Rotation Plan is to provide guidelines for the orderly transition of personnel between patrol and specialty assignments and to provide career development opportunities for qualified personnel; while ensuring that department needs and priorities are achieved.

2. PERFORMANCE:
All individuals assigned to specialty positions will be expected to meet the performance standards established by department management. Those who do not meet the performance standards will be subject to reassignment, regardless of scheduled rotation term or “grandfather” status.

3. SERGEANTS:
In general, specialty assignments for Sergeants will be for a three-year term. Sergeants may be extended for one (1) additional year at the discretion of the Chief of Police. The length of any such assignment may be modified based upon departmental needs, such as multiple rotations within a unit, staffing shortages, lack of applicants, etc., as determined by the Chief of Police.

4. OFFICERS:
In general, specialty assignments for Officers will be as set out in the chart below. Officers may be extended for one (1) additional year at the discretion of the Chief of Police. The Chief of Police may, within his/her discretion, grant up to two one-year extensions for a total of two additional years in the specialty assignment. The length of any such assignment may be modified based upon department needs, such as multiple rotations within a unit, staffing shortages, lack of applicants, etc., as determined by the Chief of Police.

4-Year Assignments
DARE
General Investigations
Mental Health Officer

53 CC RESOLUTION NO. 15-76
Office of Professional Development
School Resource Officer
Specialized Investigations Unit
Traffic Investigation
Traffic Enforcement
Commercial Enforcement Officer
Community Traffic Officer
Task Force Detective (DEA, JTTF)

Other Assignments
K-9 Handler - Based upon service life of the dog

5. EXTENSIONS:
The extension process will be as follows:
   a. To be eligible for an extension, the employee must have received a rating of “Excellent” or “Outstanding” on the previous two-year’s reviews.
   b. At least three (3) months prior to the date the employee is scheduled to rotate out of their specialty assignment she/he must submit a memo to their immediate supervisor requesting a one-year extension.
   c. The employee’s immediate supervisor, supervising Lieutenant, and Commander, will approve or deny the extension request with the consent of the Chief of Police.
   d. Denial of an employee’s request for extension shall not be considered a negative factor for review purposes, nor shall the employee have any right to appeal the denial of extension.

6. NEW SPECIALTY ASSIGNMENTS:
The Chief of Police shall have the ability to create new specialty assignments, such as intelligence officer, press information officer, administrative sergeant, etc. The Chief of Police shall have the ability to designate such new assignments to one of the above rotation schedules or as an “at-will” position, following the guidelines in paragraph 11.

7. RETURN TO PATROL:
Upon completion of specialty assignments, Sergeants and Officers will be required to return to patrol for two shift rotations before being assigned to another specialty
assignment. The lack of qualified applicants for a specialty assignment (as determined by management) may excuse the two shift rotations in patrol.

8. **SPECIALTY ASSIGNMENT TO SPECIALTY ASSIGNMENT:**
Movement from one specialty assignment to another would be allowed as part of department succession planning, however, the total length of the combined specialty assignments will not exceed the length of the original specialty assignment. For example, a Traffic Investigator is appointed for four years and at the end of the third year is transferred to School Resource Officer. The Officer could only work as an SRO for one year, completing the original four-year rotation.

9. **NEWLY CREATED SPECIALTY ASSIGNMENTS:**
Any Sergeant or Officer who is off probation may apply for a newly created specialty assignment, regardless of his/her current assignment. The employee’s rotation would then be based on the rotation schedule for the new assignment, regardless of the time spent in the prior assignment.

10. **SPECIALTY ASSIGNMENT SELECTION PROCESS:**
Sergeants and Officers must be off probation to be eligible for a specialty assignment. The selection process for each specialty assignment will be based upon what the responsible Lieutenant and/or Commander believe is necessary to select the best possible applicant for the particular assignment.

11. **CHIEF OF POLICE GUIDELINES:**
The Chief of Police may designate up to three “at-will” positions from either existing or newly created specialty assignments. In addition, the Chief may designate up to four “at-will” positions when 155 sworn positions are authorized and five “at-will” positions when 160 sworn positions are authorized. One additional “at will” position will be created for every five (5) additional authorized sworn positions (e.g., 165 sworn equals 6 “at will” positions, 170 sworn equals 7, 175 sworn equals 8, etc.)

The Chief of Police should designate these assignments “at-will” at the time they are staffed and shall retain the right to convert the assignments to an appropriate rotation schedule at any time. If the Chief of Police deems that an immediate rotation is necessary, consideration will be given to the employee’s needs and commitments, however departmental need will be the overriding factor.
The Chief of Police may appoint temporary specialty assignments up to one year in duration based upon departmental need.

APPLICABILITY OF THE 1998 ROTATION PLAN:
This plan is applicable to those appointed to specialty assignments after July 1, 1998. Employees appointed to assignments prior to July 1, 1998 will receive the longest of the possible assignment lengths possible under either this or the prior rotation plan.

Moreover, this procedure shall not apply to appeals of punitive transfers, i.e. transfers which are imposed as corrective action following alleged misconduct by officers irrespective of whether a transfer will result in a loss of pay.    B. The notice of appeal shall specify the action being appealed and the grounds for the appeal.
   C. Failure to timely serve written notification of an appeal shall result in waiver of any right to appeal.

3. Hearing Officer
   A. The Chief of Police shall have ten (10) calendar days from receipt of the notice of appeal to appoint a hearing officer who is not embroiled in the controversy, i.e. a person who did not initiate or directly authorize the action in question.

   1. The Chief of Police shall have discretion to appoint an employee of the City or a professional hearing officer, mediator or arbitrator to serve as the hearing officer.
   2. The Chief of Police shall have discretion to serve as the hearing officer.

   B. The hearing officer shall serve in an advisory capacity and shall be responsible for making recommended findings of fact and issuing an advisory decision to the Chief of Police. The Chief of Police may adopt, modify, or reject the hearing officer's recommendations and advisory decision and the Chief's decision shall be final and binding.

   C. If the Chief of Police initiated, or directly authorized the punitive action being appealed, then the Personnel Officer of the City shall assume the responsibilities otherwise assigned to the Chief of Police under this procedure.
4. Burden of Proof/Persuasion

A. If the action being appealed does not involve allegations of misconduct (i.e. allegations that the officer has violated one or more federal, state, or local laws, and/or City or Police Department regulations, procedures, or rules), then the limited purpose of the hearing shall be to provide the officer the opportunity to establish a record of the circumstances surrounding the action. The Department’s burden shall be satisfied if the Department establishes that the action was reasonable, even though reasonable persons might disagree about whether the action was the best one under the circumstances.

B. If the action being appealed does involve allegations of misconduct (i.e. allegations that the officer has violated one or more federal, state, or local laws, and/or City or Police Department regulations, procedures, or rules) the Department shall have the burden of proving by a preponderance of the evidence the facts which form the basis for the charge of misconduct and the burden of persuasion that the punitive action was reasonable under the circumstances.

5. Conduct of Hearing

A. The formal rules of evidence do not apply, although the hearing officer shall have discretion to exclude evidence that is incompetent, irrelevant or cumulative, or the presentation of which will otherwise consume undue time.

B. The parties may present opening statements.

C. The parties may present evidence through documents and testimony. Witnesses shall testify under oath. The oath may be administered by the hearing officer.

D. The parties shall only be entitled to confront and cross-examine witnesses if the punitive action involves charges of misconduct.

E. Following the presentation of evidence, if any, the parties may submit oral and/or written closing argument for consideration by the hearing officer.

6. Record of Hearing
If the punitive action involves an allegation of misconduct, then the hearing may be tape-recorded. The cost to receive a transcript of the hearing shall be borne by the party requesting the transcript.

7. **Representation**

The officer may be represented by an association representative or attorney of his or her choice at all stages of the proceedings. All costs associated with such representation shall be borne by the officer.

The Department shall also be entitled to representation at all stages of the proceedings.

8. **Decision**

A. The hearing officer should issue his/her advisory decision in writing within fifteen (15) calendar days of the submission of the case by the parties for decision. The written decision shall set forth proposed findings of fact and a proposed decision.

B. Within ten (10) calendar days of receipt of the advisory decision, the Chief of Police should serve the parties with written notice of his/her decision adopting, modifying, or rejecting the hearing officer’s recommendations and decision.

If the Chief of Police modifies, or rejects the hearing officer’s decision, then he or she shall review the entire record prior to making a decision.

The decision shall be served by first class mail, postage pre-paid, upon the officer as well as his/her attorney or representative, shall be accompanied by an affidavit or certificate of mailing, and shall advise the officer that the time within which judicial review of the decision may be sought is governed by Code of Civil Procedure section 1094.6.
