MEMORANDUM OF UNDERSTANDING
CITY OF SANTA CRUZ AND
SANTA CRUZ POLICE OFFICERS’ ASSOCIATION

SECTION 1.00 - TERM
The term of this Memorandum of Understanding shall commence September 14, 2013 and shall expire September 11, 2015.

1.01 Commencement of Negotiations for a Successor MOU
Either party may serve upon the other party a demand to commence bargaining for a successor MOU on or before February 15, 2015. In the event either party serves its demand by February 15, 2015, the parties will commence negotiations for a successor MOU no later than March 1, 2015, unless a later date is mutually agreed upon by the parties in writing. In the event demand is served after February 15, 2015, the parties will commence bargaining on a mutually agreed upon time and date.

1.02 Impact of Extraordinary Fiscal Circumstances
The parties acknowledge that this MOU was negotiated in a transitioning economic environment with uncertainty regarding budget stability and revenue growth. The City values the POA’s commitment to meeting the needs of the City throughout the past and currently difficult economic times. As such, the City is committed to maintaining competitiveness as an employer and supporting recruitment and retention, and to the extent economic conditions allow, restoring prior concessions made, particularly the retirement contribution.

SECTION 2.00 - PREAMBLE
This Memorandum is entered into by the City of Santa Cruz (hereinafter referred to as the City) and the Santa Cruz Police Officers’ Association (hereinafter referred to as the Association). For the purpose of this Memorandum, employee shall mean a regular status employee employed in the classifications listed in Exhibit A. Any part-time regular employees covered by this agreement will receive benefits included in the agreement on a prorated basis, given the ratio of the budgeted work schedule to full time. This Memorandum is subject to Section 3500-3510 of the Government Code of the State of California, the City of Santa Cruz Charter and Municipal Code, and the City of Santa Cruz Personnel Rules and Regulations Resolution.

The City and the Association have met and conferred in good faith and have arrived at an understanding concerning wages, hours, working conditions, and other terms of employment.

The City and the Association recognize their obligation to provide services of the highest quality and efficiency to the community.
The City and the Association affirm the principal that harmonious labor/management relations are to be promoted and furthered.

2.01 Quarterly Meetings

To encourage harmonious labor/management relations, the Chief of Police and Association representatives (in accordance with Section 11.00 (Release Time) of this memorandum) will meet no less than once every three (3) months to informally present and discuss issues and ideas that are of potential interest to both parties. During the course of these meetings, the Chief and the Association may discuss the benefits and costs of conducting an employee satisfaction survey or other similar program designed to provide department management with information about employees’ level of job satisfaction.

SECTION 3.00 - NO ABROGATION OF RIGHTS

The parties acknowledge that the City’s responsibilities and rights, and management responsibilities and rights, as indicated in current Appendix A, Article 1, Section 1 of the City of Santa Cruz Personnel Rules and Regulations resolution and all applicable State or Municipal laws and rights of the City Council, are neither abrogated nor made subject to the meet and confer process by the adoption of this Memorandum.

The parties further acknowledge that the rights of employees are neither abrogated nor diminished by the adoption of this Memorandum of Understanding.

SECTION 4.00 - FULL UNDERSTANDING, MODIFICATION, WAIVER

This agreement, plus any written departmental rules or regulations, sets forth the full and entire understanding of the parties regarding the matters set forth herein and any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety.

It is agreed and understood that each party, hereto voluntarily and unqualifiedly, waives its right to negotiate and agrees that the other party shall not be required to negotiate, with respect to any matter covered herein.

It is further agreed and understood that, except in cases of emergency, the City shall not implement any changes to any matter within scope, as defined by the Meyers, Milias, Brown Act, as amended, not covered herein without first having met and conferred with the Association. For purposes of this Agreement, emergency means any sudden and unforeseeable incident or occurrence. Changes implemented pursuant to this paragraph shall only be in effect for the duration of the emergency causing the change. No agreement, alteration, understanding, variation, waiver, or modification of any of the terms or provisions contained herein shall in any manner be binding upon the parties hereto unless made and executed in writing by all parties hereto and, if required, approved by the City and ratified by the membership of the Association.

The waiver of any breach of any term or condition of this Agreement by either party shall not
constitute a precedent in the future enforcement of all its terms and provisions.

SECTION 5.00 - PAST PRACTICES

The parties agree that they shall adhere to established labor relations principles in handling past practices. Specifically, in handling past practice issues within the scope of representation:

1. Past practices superseded by revised MOU language are null and void.
2. Past practices which contradict existing MOU language or written City rules shall be null and void upon reasonable notice from the City that the language will be followed.
3. Past practices within scope which are not covered by MOU language or City rules shall remain in effect through the term of the MOU unless changed through mutual agreement.

SECTION 6.00 - NO DISCRIMINATION

The Association recognizes City Council policies pertaining to equal employment and discriminatory harassment as listed in Exhibits B and C, as well as applicable Federal and State discrimination laws.

SECTION 7.00 - EMPLOYEE RIGHTS

Unit employees shall have the right to form, join, and participate in the activities of employee organizations of their own choosing for the purpose of representation on all matters of employer-employee relations pertaining to wages, hours, and other terms and conditions of employment. Unit employees shall have the right to refuse to join or participate in the activities of the Association and shall have the right to represent themselves individually in their employment relations with the City. No employee shall be interfered with, intimidated, restrained, coerced, or discriminated against by the City of Santa Cruz or by any employee organization because of the exercise of these rights.

SECTION 8.00 - RECOGNITION AND PAYROLL DEDUCTION

8.01 Recognition

Pursuant to Meyers-Milias-Brown and the City’s Personnel Rules and Regulations, the Association is certified as the recognized employee organization representing regular status employees listed in Exhibit A.

8.02 Payroll Deduction

The City shall deduct Association membership dues and any other mutually agreed upon payroll deductions from the monthly pay of member employees. Deductions must be authorized in writing by the employee on a form acceptable to the City and the Association. The City shall remit such amount to the Association in a timely manner.
SECTION 9.00 - ASSOCIATION RIGHTS

The City of Santa Cruz has an interest in promoting positive labor relations with the Santa Cruz Police Officers’ Association (hereinafter referred to as “Association”), the exclusive representative of regular status employees listed in Exhibit A of the current Memorandum of Understanding. In furtherance of that interest, the City recognizes that communications both between the City and the Association and communications between the Association and its members are essential and may take various forms. Due to the nature of the employment of bargaining unit members, the City and the Association recognize that it is not possible to schedule meetings at a time when all bargaining unit members may attend during their off duty time and that any meeting scheduled cannot interfere with or affect City needs, workflow, or mission. Accordingly, the parties recognize that communications involving bargaining unit members may need to take various forms. To assist in the communications process, the parties hereby mutually agree to the following as it applies to members of the Santa Cruz Police Officers’ Association Bargaining Unit:

9.01 Access to City Facilities

The Union shall be allowed the use of areas normally used for meeting purposes for meetings of Association members when:

a. Such space is available;

b. There is no additional cost to the City (with the exception of incidental costs such as those for heat and light);

c. It does not interfere with normal, safe, efficient or secure City operations;

d. Employees in attendance are either not scheduled for duty or are on duty and leave the meeting promptly when duty calls; and

e. The meeting is either for the purpose of an Association Board meeting or for a General Membership meeting, except as prohibited below.

The Association may use City facilities for purposes of conducting an Association Board meeting as reasonably necessary. Association Board meetings conducted at City facilities shall be concluded as expeditiously as reasonably possible without interfering with normal duties.

The Association may use City facilities for purposes of conducting a General Membership meeting as needed and will be reserved as any other City or Public Organization would have to do. General Membership meetings conducted at City facilities shall be reserved and concluded in the time reserved for the meeting.

The use of City equipment and/or supplies (other than items normally used in the conduct of business meetings, such as desks, chairs, blackboards and projection/sound equipment) is prohibited, even though such equipment and/or supplies may be present in the meeting area.

The Association shall maintain proper order during any meeting held at a City facility and ensure that the space is left in a clean and orderly condition. The City reserves the right to revoke permission to use City facilities for meetings if the Association fails to maintain
order during a meeting or if facilities are not left in a clean and orderly condition.

9.02 Access to City Bulletin Boards

The Association shall have access to City bulletin boards located in those buildings in which bargaining unit members are assigned to work for the purpose of posting the following types of notices (these are examples only and not intended to be a complete list):

a. Notice of recreational and social affairs sponsored by the Association;
b. Notice of Association meetings;
c. Notice of Association elections;
d. Reports from Association committees;
e. Rulings on Association policies; and
f. Association newsletters.

All posted material must be legibly signed or initialed and dated by the Association’s President or designated representative. No notice or announcement which contains defamatory statements about the City, including any City Department, any City official, or any City employee(s) shall be posted on City bulletin boards. Any violation of this section shall entitle the City to immediately cancel the provisions of this section and revoke the Association’s privilege to use bulletin boards pursuant to this section. In the event non-authorized material is posted, it shall be promptly removed by the Association or its representative on notification by the Department. The City reserves the right to remove material that contains defamatory statements before providing notification to the Association; if such action is taken the City shall notify the Association as soon as possible.

9.03 Access to the City’s Internal Mail System

As used in this section, “the City’s internal mail system” does not include the City’s e-mail system (E-mail usage is discussed in Section 4 below).

The Association may request that notices be delivered to bargaining unit members through the City’s internal mail system. Notices which may be sent through the City’s internal mail system are limited to those types of notices which may be posted on bulletin boards, as described in section 9.02. No notice or announcement which contains defamatory statements about the City, including any City Department, any City official, or any City employee(s) shall be distributed using the Department’s internal mail system. The City reserves the right to refuse to allow notices to be distributed by Departmental mail that interferes with the Department’s operational needs, workflow, or mission. Notices must be legibly signed or initialed and dated by the Association’s President or designated representative. The Association must provide a sufficient number of copies of any notice that it requests be distributed through departmental mail.

Any mail placed in the City’s internal mail system destined for deposit in the United States Postal Service system must contain sufficient postage when so placed; the City will not pay for postage.
Any violation of this section shall entitle the City to immediately cancel the provisions of this section and revoke the Association’s privilege to use the City’s internal mail system pursuant to this section.

9.04 Electronic Mail (E-Mail) and Computer Usage

The Association recognizes that the City’s Electronic Mail (E-Mail) Use Policy and Police Department General Orders prohibit the use of the City’s e-mail and computer systems for personal use, that the City’s e-mail and computer systems are to be used solely for City-related business activities, and that the City has the right to access and inspect City computers, including but not limited to viewing any messages sent or received through the City’s e-mail system or any temporary or permanent files stored on the City’s electronic systems and/or equipment.

The City and the Association agree that the Association may be permitted to use City e-mail for the purposes described in this section. Notices which may be sent through the City’s e-mail system are limited to those types of notices which may be posted on bulletin boards, as described in section 9.02. No notice or announcement which contains defamatory statements about the City, including any City Department, any City official, or any City employee(s) shall be sent through the City’s e-mail system. The City reserves the right to refuse to allow notices to be sent through the City’s e-mail system that interfere with the Department’s operational needs, workflow, or mission.

Any violation of this section shall entitle the City to immediately cancel the provisions of this section and revoke the Association’s privilege to use the City’s e-mail system pursuant to this section. It is expected that once the Association Board is aware of any such violations, they would be afforded the opportunity to rectify the situation.

SECTION 10.00 - UNION NOTIFICATION

Except in cases of bona fide emergencies, the Association shall be given seven (7) working days advance written notification of any ordinance, rule, resolution, or regulation relating to matters within the scope of representation proposed to be adopted by the City Council, or management, and shall be given the opportunity to meet with a City representative prior to its adoption.

SECTION 11.00 - RELEASE TIME

During the term of this agreement, a reasonable number of Association members – up to three (3) – shall be allowed a reasonable amount of paid release time off for meet and confer or meet and consult sessions scheduled with the City Council’s designated representative, providing there is no disruption of work in the employee’s division. The exact number to be released shall be determined by mutual agreement prior to the session and shall vary by the type of issue being discussed (i.e., single division affected, multiple divisions affected, etc.) The Association shall notify the Human Resources Director in advance of the meeting of the names of members who will be in attendance. Such Association members shall obtain permission through supervisory channels before leaving their work or work locations. Ground rules for negotiating successor agreements shall specify the number of Association members allowed for the meet and confer sessions with the City Council’s representatives.
SECTION 12.00 - PERSONNEL ACTIONS

12.01 Personnel Files

There shall be only one personnel file which shall be maintained in the City’s Human Resources Department. Employees shall have the right to review their personnel file or authorize, in writing, review by their representative. No adverse material will be placed in an employee’s personnel file without prior notice and a copy given to the employee. Employees may cause to be placed in their personnel file responses to adverse material inserted therein. This provision excludes training, supervisory, and internal affairs files.

12.02 Performance Evaluations

It is compulsory that all regular employees receive an annual written performance evaluation from their supervisor. All employees serving their twelve (12) month probationary period will be evaluated at the completion of their third, sixth, and twelfth month of service. All regular employees will be evaluated on their merit review date.

Evaluations are intended to be a summary of the employee’s performance over the course of the evaluation period. Evaluations are also to be used as a tool to motivate the employee’s level of performance. To this end, the supervisor and the employee will meet and discuss work responsibilities, job standards and objectives, review progress and plan for the employee’s future development prior to the evaluation being placed in the employee’s personnel file.

Any additions, corrections, deletions, or changes on the original evaluation form require initialing by both the maker of the amendment and the employee to indicate that the changes have been discussed and understood. No evaluation shall be made on hearsay statements. Employees may also choose to discuss performance evaluations with the Chief of Police and/or the Human Resources Director and formally enter a response to the evaluation in their personnel file. Disputes regarding performance reviews shall not be subject to the grievance process.

12.02.01 Late Evaluations

Failure of the supervisor to present the employee with the evaluation within ninety (90) calendar days of the due date, unless an extension is mutually agreed upon in writing, shall result in a recommendation of step advancement in conjunction with Section 14.01.02 (Advancement within the Range). However, as soon as possible thereafter, the supervisor shall conduct a performance evaluation in accordance with Section 12.02 (Performance Evaluations).

12.03 Probation

12.03.01 Probationary Period

All original, promotional, and re-hire appointments shall be subject to a probationary period of twelve (12) months. Any time spent by an employee on unpaid status or paid leave shall not be counted as qualifying service toward completion of the probationary period.
12.03.02 Objective of Probationary Period

The probationary period shall be regarded as part of the selection process and shall be utilized for training the new employee on work assignments and standards, and observing and evaluating the employee’s performance.

12.03.03 Rejection of Probationary Employee

During the probation period, an employee may be rejected at any time by the appointing authority without the right of appeal. Notification of rejection shall be served to the probationary employee in writing.

Any promoted employee who is rejected during the probationary period shall be reinstated to the position from which the promotion occurred; unless the rejection is due to discharge in which case no reinstatement shall occur.

12.03.04 Extension of Probation

All efforts will be made to sufficiently evaluate the probationary employee during the assigned period. An extension of the probationary period may, however, be recommended by the appointing authority when good cause exists. Such extensions shall be for a specific period of time not to exceed three (3) months. The employee shall be informed in writing of the reasons for the period of the extension at least seven (7) calendar days prior to the scheduled end of the probationary period.

SECTION 13.00 - WORK ASSIGNMENTS/SCHEDULES

13.01 Rotation/Reassignments

It is understood and agreed that employees covered by this Memorandum are expected to rotate among shifts and are subject to periodic reassignments (such as TO’s, motorcycle duty, investigations). If these changes are a normal part of their work and are not disciplinary, then the reassignment is not subject to the grievance process even though employees may lose or gain eligibility for compensation (such as shift differential or other premium pays). If the reassignment is considered to be disciplinary by the Chief of Police, then the employee maintains his/her right to appeal as in Section 25.00 (Disciplinary Appeals Procedure). In any event, the employee will be notified as to the reason for the reassignment. The Chief of Police or his/her designee will announce anticipated openings for specialized assignments department-wide and fill those positions through a standardized selection process. The standardized selection process may be unique to each specialized unit but consistent for all employees being considered for assignment to that unit.

13.02 4 Day/10 Hour Plan

The normal work schedule for all employees covered by this Memorandum (except Police Trainees and new police officers during their non-uniform orientation period) will be a four-ten plan, indicating four (4), ten (10) hour workdays and three (3) consecutive days off each week. The specific assignments not subject to this rule are as follows:
1. School Resource Officers when school is in session, including summer school when it is held in the City of Santa Cruz.

2. Employees assigned to Investigations who will be assigned to a 9/80 schedule in lieu of the 4/10 schedule.

3. CSO’s assigned to Property.

4. Victim Advocates who will be assigned to a 9/80 schedule in lieu of the 4/10 schedule.

For employees assigned to a 9/80 schedule plan, each week’s work days will be scheduled consecutively (followed by consecutive days off). In the event of operational necessity, the Chief of Police may suspend this schedule on a temporary basis not to exceed 30 days.

The Chief of Police may suspend this rule if s/he determines that there are insufficient personnel to maintain the safe day to day operations of the organization. In addition, unforeseen catastrophic events such as earthquake, civil unrest, etc., may necessitate a suspension of this rule. The Chief of Police shall notify all affected personnel and the Association thirty (30) days prior to the change or with as much notice as possible given the nature of the particular emergency.

The Association will have two (2) weeks to meet and respond to the Chief of Police and present alternative scheduling plans for his/her review. The Association will also have the opportunity to meet and confer with the Chief of Police over matters within the scope of representation effected by the suspension of the 4/10 schedule.

In the event the suspension of the 4/10 schedule lasts more than ninety (90) days, the Association will have the opportunity to meet with the Chief to ensure that the conditions for the suspension still exist. This review will be conducted at least quarterly until the suspension ends.

13.03 Minimum Staffing

The Chief of Police will maintain minimum staffing levels for patrol shifts in writing. The intention of maintaining written guidelines for minimum staffing is to provide guidelines and promote consistency between supervisors and managers when making decisions regarding staffing. The Chief of Police will meet and confer on impacts within the scope of bargaining as defined by the Meyers-Milius-Brown Act (MMBA) if the written minimum staffing levels are changed.

13.04 Scheduling

Employees assigned to the Operations Division will be allowed to select their shift based on seniority and as set forth by the Chief of Police. The schedule will be completed no less than thirty (30) days and no more than twelve (12) months prior to shift change. Seniority is determined by the employee’s last uninterrupted date of hire in a classification. A baseline seniority list is incorporated in this MOU and hereby attached as Exhibit F. For employees hired on the same date, seniority will be determined by the
Exceptions:

1. Training Officers (TO’s): will select their shifts based on seniority as set forth by the Chief of Police along with the rest of patrol personnel. This selection may be overruled by the Chief, however, in favor of the requirements and continuity of the Training Program.

2. Canine Program: exempt.

4. Downtown Unit: exempt.

5. Traffic Section: exempt. Seniority for shift selection within the unit is determined by date of assignment to the unit. If all positions are not filled, assignments will be made starting with the least senior non-probationary officer.

7. Exemption: through the evaluation process, disciplinary action, medical reasons, or extenuating circumstances, or as identified in Section 13.02 (4 Day/10 Hour Plan) of this Memorandum, an officer may be assigned or reassigned to a certain shift.

8. Leaves of Absence (medical, military, pregnancy disability, etc.): a reasonable expectation must exist that the officer will be able to report for full duty at the start of a new shift. In the absence of a reasonable expectation, those officers will be exempt from this scheduling procedure.

9. Restricted positions: Positions restricted to specific assignments because of funding sources or other external circumstances. If more than one restricted position is assigned to the same unit, seniority for shift selection within that unit is determined by date of assignment to the unit.

13.05 Absences/Time Off

Absences and time off will be regulated based on the practices and procedures set forth in Policy 1001 in the Santa Cruz Police Department Manual as of the date of this Memorandum. Any discrepancies between this Memorandum and the policy will be superseded by this Memorandum. The policy is attached as Exhibit E.

SECTION 14.00 - PAY RATES AND PRACTICES

14.01 Salary Steps

Each classification in the bargaining unit shall be assigned a salary range that increases by 5% between steps.

14.01.01 Salary Rates Upon Appointment

New employees shall be hired at the first step of the classification’s salary range;
unless a higher starting step is recommended by the appointing authority based on the employees advanced qualifications for the position and such recommendation is approved by the Human Resources Director and City Manager.

Promoted employees shall be appointed to the first step in the salary range for the new classification. However, if such employee is already being paid at a rate equal to or higher than the first step of the higher range, she/he shall be placed at the next higher step in the new range of at least a five (5) percent increase in total compensation.

14.01.02 Advancement within the Range

A. Advancement within a classifications salary range shall normally be granted on the employee’s scheduled merit review date. Such advancements shall be based solely on meritorious job performance as documented by a satisfactory performance evaluation submitted by the department head and approved by the Human Resources Director.

B. All new Police Officer Trainees shall be advanced to step A of the Police Patrol Officer classification upon successful completion of the police academy. These employees shall then begin their twelve (12) month probation and be eligible for subsequent merit increases as shown below.

C. All employees shall be eligible for their first merit increase at the end of the first six (6) months of their twelve (12) month probation. After successful completion of the full probation, the employee shall be eligible for subsequent merit increases after each full year on paid status from the last merit review date, continuing until the top of the salary range is attained.

D. Merit increases shall normally be from one pay step to the next higher pay step. Increases of two steps may, however, be recommended by the Chief of Police when exceptional performance has been demonstrated by the employee. Such step increases must be approved by the City Manager.

E. A merit increase may be denied by the department head when an employee’s job performance falls below the acceptable work standards for the duties assigned. The department head may, in such a case, recommend that the employee’s work performance be reviewed again at a specific time before the next review date. If a merit increase is granted at that time, the employee’s original review date shall not change and she/he shall be eligible for the next merit increase after one year on paid status from the original review date.

F. An employee’s scheduled merit review date shall be adjusted for any time spent by the employee on unpaid status.

G. When an employee’s position is reclassified to a classification with a higher salary range, the employee’s new pay shall be set at the first step of the new range or the next higher step in the new range that provides the employee a salary increase of at least five (5) percent. This increase shall have no effect on the employee’s original merit review date.
H. Exclusive of special evaluation and upon receipt of a satisfactory annual evaluation, the effective date for a merit increase shall be the first day of the pay period, which includes the employee’s anniversary date.

14.01.03 **Longevity**

Upon completion of ten (10) years of continuous regular service employees shall receive a 2 ½% longevity pay increase. Upon completion of fifteen (15) years of continuous regular service, employees shall receive an additional 2% longevity pay increase. Longevity is calculated from the date of hire into a regular status position or a fully benefited special status position. It is understood that longevity pay is considered “additional compensation” for the purposes of PERS and tax computations.

14.02 **Retirement/PERS**

14.02.01 **Employees Hired on or Before September 2, 2011 (Tier I)**

This section 14.02.01 shall apply to members hired on or before September 2, 2011, who are contributing members of CalPERS.

A. **Final Compensation Based on the Single Highest Year**

Upon specific assignment by the Chief of Police or his/her designated representative, an employee may be required to perform the duties of a higher-level classification on a temporary basis due to a termination, vacation, leave of absence, workers’ compensation-, or extended sick leave.

Assignments will be made with the following considerations:

1. All out-of-class assignments scheduled to last for an extended period of time (e.g., more than one pay period), must be implemented and approved on a Personnel Action Form (PAF). Assignments shall be given to employees who currently meet the stated minimum qualification of the higher-level classification. Employees appointed on this basis will receive out-of-class pay beginning on the first day of the assignment.

2. Qualified Police Patrol Officers may be directed by the management personnel on duty to assume the duties of an absent Police Sergeant on an “acting” basis for a given shift. Such assignments can only be made after the officer has been qualified and authorized on a premium pay form to serve as acting Sergeant.

3. An employee must spend a majority of the scheduled shift performing the duties of the higher-level classification. Out-of-class or acting pay will be the next highest pay step in the classification to which the employee is assigned. In all cases, such pay will not be less than a five (5) percent increase.

In accordance with the Public Employees’ Pension Reform Act (PEPRA), working out of classification pay is not pensionable compensation for employees who are “New Members” of CalPERS, as defined by California Government Code Section 7522.04(f).

If an employee is called in less than four (4) hours prior to his/her regular shift, s/he will receive overtime pay only up to the start of the regular shift. If an employee, who was called back to work and has completed his/her assignment and left work is again called back to work, s/he will not receive another minimum if the time of return is within the previous callback minimum.

An employee required to attend court under this provision, will not be required to perform additional station work if the court assignment is less than four (4) hours.

When an employee is called back to work for any reason including a court appearance while the employee is on pre-approved time off using vacation, holiday, or compensatory hours, the employee will be compensated based on these call-back rules.
When an employee has completed an assigned shift, or is on a regular day off, and is called by a superior officer or anyone acting at the direction of a superior officer, the Chief of Police or his/her designee, such employee shall receive compensation in the form of overtime pay. Compensation will be paid in one quarter (.25) hour increments based upon the duration of the call. Officers assigned to cover a special event during their regularly scheduled shift, shall be compensated on a “straight time” basis for all hours which fall within their regular shift. Safety employees shall receive workers’ compensation benefits pursuant to Section 4850 of the Labor Code.

Light duty assignments may be made in accordance with medical authorization.

18.03 Light Duty

The City recognizes the importance of providing support and encouragement to police department employees who are recovering from an injury or illness in an effort to assist in making a complete and healthy recovery. Therefore, the City agrees to temporarily provide at least two (2) light duty assignments which are less strenuous and less hazardous for police department employees who are recovering from an injury or illness, including pregnancy. The availability of additional assignments is at the sole discretion of the Chief of Police. Priority will be given to accommodating temporary light duty requests from employees recovering from work-related injuries or illnesses. The intent of a temporary light duty assignment is to provide modified work duties which are
beneficial to the employee by keeping him/her productively active, involved, and informed in department activities, and beneficial to the City by the employee’s work contributions and involvement during the recovery period. This is not intended to deprive the employee of using accumulated sick time if s/he so desires. The temporary assignment will be consistent with the employee’s physical abilities and department needs. The modified duties will reflect recommendations and limitations prescribed by the attending physician. Following are conditions for providing an employee with a light duty assignment:

1. That the temporary assignment may result in a change of shift but not a change in the employee’s schedule as defined in Section 13.02 (4 Day/10 Hour Plan). An employee may lose shift differential pay as a result of this shift change.

2. That the duties to be performed in said temporary assignment shall be those designated by the Chief of Police provided that the duties shall be consistent with the written recommendations of the employee’s physician.

3. Said employee shall not be increased or reduced in pay or benefit solely by virtue of said temporary assignment but may forfeit incentive pays if they are no longer eligible.

4. Provided that the City may verify said disability by having said employee examined by a physician of City’s choosing at City’s expense.

5. If an employee on temporary light duty assignment is required to remain available by radio, cell phone, or other means, during his/her meal break then the meal break will be paid. If an employee on temporary light duty assignment is not required to remain available as above during his/her meal break, then the meal break will be unpaid. Unpaid meal breaks will not exceed thirty (30) minutes.

18.04 Medical or Personal Leave

Leave of absence without pay may be granted to an employee in a case of extended illness or disability, personal emergency or other situation where such absence would not be contrary to the best interests of the City. Such unpaid leave will only be granted after an employee has depleted all appropriate paid leaves. The department head may grant a leave of absence of up to thirty (30) consecutive calendar days; additional leave may only be granted by the City Manager and may not exceed a total of twelve (12) months. No vacation, holidays, sick leave, or any other paid benefit shall be accrued or earned during such leave. All requests for unpaid leaves of absence must be made in writing and include specific begin and end dates for the leave.

Denials of unpaid leaves of absence shall be given in writing and contain the reason therefore.

18.05 Pregnancy Disability Leave

An employee may take a leave of absence of up to four (4) months in length for the purpose of pregnancy disability leave. The City may request a licensed medical
practitioner’s opinion regarding any work restrictions that may exist prior to or after delivery.

Requests for pregnancy disability leave must be made in writing to the Chief of Police at least thirty (30) days in advance of the anticipated starting date. Such requests must include specific begin and end dates for the leave. Starting dates should be as accurate as possible barring any unforeseen medical issues related to the pregnancy or earlier or later birth than expected. Any requests for extension of pregnancy disability leave must be made in writing to the Chief of Police at least ten (10) calendar days prior to the scheduled end of the existing leave.

The employee may elect to use any appropriate paid leave either before or after an approved pregnancy disability leave, within the use limitations of these leave provisions. No combination of pregnancy disability leave, family leave, sick leave, or vacation may exceed one year total or seven (7) months post-partum.

Any additional post-partum leave, not to exceed one (1) year total, may be approved by the City Manager or his designee after consideration of the nature of the request and the operational needs of the department.

Upon return to work, the employee shall be assigned to the same position but not necessarily to the same assignment.

18.06 Family Leave

In accordance with the Federal Family and Medical Leave Act and the California Family rights Act, the City will grant job protected unpaid family and medical leave to eligible employees for up to twelve (12) weeks, (continuous or cumulative), per twelve-month calendar year period for any one or more of the following reasons:

A. The birth of a child and in order to care for such child or the placement of a child with the employee for adoption or foster care (leave for this reason must be taken within the twelve-month period following the child’s birth or placement with the employee); or

B. In order to care for an immediate family member (spouse, domestic partner, child, or parent) of the employee if such immediate family member has a serious health condition; or

C. The employee’s own serious health condition that makes the employee unable to perform the functions of his/her position.

D. Military family leave.

Conditions covering the leave shall include the following:

E. Eligible employee means having been employed by the City for twelve (12) months and has worked for at least 1,250 hours during the twelve-month period immediately preceding the commencement of the leave;
F. Medical verification is required for employee or ill family member for medical leave period;

G. Employees are required to give at least thirty (30) days written notice in the event of a foreseeable leave. In unexpected or unforeseeable situations, an employee should provide as much written notice as is practicable.

H. Employees are required to use accrued vacation as a part of the family leave period. Use of sick leave is not required, but may be used pursuant to the applicable provisions of this Memorandum of Understanding.

I. Pregnancy disability is not covered under this section and is covered by the California Fair Employment and Housing Act which allows up to four (4) months of leave depending on the actual disability (see Section 14.04).

J. Employees retain “employee” status while on family care leave. The leave does not constitute a break in service for purposes of longevity, and/or seniority. Upon return to work, employee will be reinstated to an equivalent position with equivalent pay and benefits.

K. Any request for additional leave may be made pursuant to Section 14.03. Requests for leave time using multiple time off provisions may not exceed the total amount allowed pursuant to Section 14.03.

L. Any other conditions or interpretations of this leave shall be based upon the Federal Family and Medical Leave Act and the California Family Rights Act.

18.07 Continuation of Insurance Benefits during Unpaid Leaves of Absence

City-sponsored insurance benefits may be continued during unpaid leave of absence under the following conditions:

18.07.01 Personal Leave

The City shall continue to pay benefit premiums during a personal leave of thirty (30) calendar days or less.

For leaves of more than thirty (30) calendar days the following shall apply:

Employees may continue premium payments at their own cost, in accordance with appropriate PERS or other appropriate medical plan provisions.

18.07.02 Family Leave

Benefit premiums shall be made in accordance with the Federal Family and Medical Leave Act and the California Family Rights Act. Under the current law, the City will continue to maintain coverage under the same conditions as coverage would have been provided if the employee had been continuously employed during the leave period.

18.08 Blood Donations

An employee may be granted paid release time of up to a maximum of one (1) hour for donating blood during regularly scheduled hours of work. The length of such leave
must be approved by the supervisor and is dependent upon the nature and scheduling of
the work performed and the travel distance required.

18.09 Absence for Examination

An employee will be granted paid release time to participate in any part of an
examination process for promotion or transfer within the City workforce that is
scheduled during the employee’s regular hours of work. The employee shall notify
his/her immediate supervisor twenty-four (24) hours in advance of such an absence. In
the event operational necessity as determined by the Chief of Police precludes an
employee from being granted paid release time to participate in any part of an
examination process, the city shall make accommodations to offer the affected employee
an opportunity to complete the testing process.

SECTION 19.00 - BENEFITS

19.01 Medical Plan

The City will provide medical insurance through the California Public Employees’
Retirement System (CalPERS). The City will contribute a monthly amount to
CalPERS pursuant to Government Code Section 22892 of the Public Employees Medical
and Hospital Care Act (PEMHCA).

In accordance with IRS Code Section 125, the City will provide a flexible benefits
plan (“cafeteria plan”) to all eligible employees. If an employee elects to participate in a
medical plan, the maximum monthly City contributions to the cafeteria plan is the cost of
the Blue Shield Access+ HMO Plan (for the Bay Area/Sacramento region) less the
following employee contribution amounts:

<table>
<thead>
<tr>
<th>Contribution Description</th>

</thead>
<tbody>
<tr>

<td>$0</td>
</tr>
<tr>
<td>Employee and One Dependent</td>

</tr>
<tr>

<td>$45.00</td>
</tr>
</tbody>
</table>

In no event will the maximum monthly City contribution exceed the premium for the plan
in which the employee is enrolled. In no event will employees be credited with and
receive cash back based on the plan chosen.

Each unit member participating in a medical plan will make an additional $35.00
contribution per pay period towards the cost of health care benefits through the end of
this agreement. This pre-tax contribution is made during pay periods where employee
deductions for health care benefits are taken (24 pay periods).

19.01.01 Optional Benefits

Through the cafeteria plan, employees may enroll in the following optional benefits and
elect to pay premiums on a pre-tax basis:

1. Medical reimbursement account (MRA)
2. Dependent care assistance plan (DCAP)
3. Cancer and Critical Illness Protection Insurance
Employees may also enroll in the following optional benefits and elect to pay premiums on a post-tax basis:

4. Additional life insurance
5. Accident protection insurance
6. Long term care insurance

Employees may elect to waive City medical coverage and receive a cash benefit. In order to receive the medical waiver benefit, the employee must provide proof to the City of other current medical coverage. Full-time employees who waive medical coverage are eligible to receive $200 per month; part-time employees shall receive a pro-rated amount, based upon their full-time equivalency (FTE). The medical waiver amount may be applied toward the purchase of any pre-tax or post-tax optional benefits, or paid as a taxable cash benefit.

Employees receiving the medical waiver benefit must notify the Human Resources Department if they cease to be covered by any other medical plan, thereby making them ineligible for the medical waiver benefit.

19.02 Principal Domestic Partners

The City will provide medical, dental, and vision benefits to employees with Principal Domestic Partners equivalent to those provided to an employee’s spouse. Employees may enroll their eligible Principal Domestic Partners and the eligible dependents of their Principal Domestic Partners subject to eligibility requirements established either by CalPERS or the City and subject to tax regulations of the State of California and the Internal Revenue Service of the United States government.

19.03 Retiree Medical Plan

The City will continue contribute a monthly amount to CalPERS pursuant to Government Code Section 22892 of the Public Employees Medical and Hospital Care Act (PEMHCA).

The City contribution will be:

2013: $115.00 per month
2014 and beyond: CPI adjustment as determined by CalPERS

19.04 Retiree Medical Incentive

Employees currently on the City’s retiree medical plan and future covered employees who receive a regular service retirement from PERS and have at least five (5) years of continued service with the City and are at least fifty (50) years of age will receive a retiree medical incentive in the amount of $139 per month in addition to the City’s contribution listed in Section 19.03 (Retiree Medical Plan). This incentive will continue as long as the employee continues PERS medical coverage through the City of Santa Cruz and until such time the retiree is eligible for Medicare (currently age 65) or other federal or state health programs, solely on account of age.
Retirees eligible for the PERS retiree incentive listed above, with more than twenty (20) years of City service, will have their medical incentive increased to 75% the cost of the employee-only coverage of the second highest PERS HMO plans from only among those plans available in Santa Cruz County at the time of ratification of this agreement (less the contribution listed in 19.03 (Retiree Medical Plan).

counseling utilizing the service of the present provider, except that the City may change providers after consultation with the Police Officer Association.

b. Psychological Counseling
The City agrees to provide sufficient funding for the duration of this contract for psychological counseling services which will address duty related stress/trauma. Counseling services made available will also include an alcohol abuse treatment component. Maintenance of confidentiality will be held within the legal confines of the client-therapist relationship. The provider shall supply, on an annual basis, all current documentation to confirm appropriate credentials and liability coverage. The provider of this service shall be mutually selected by the City and the Police Officers’ Association.

SECTION 20.00 - EMPLOYER RESPONSIBILITY
In case any officer is named in a civil suit resulting from his/her official duties with the City, the City will defend such officer within the limit of the law.

SECTION 21.00 - VESTS
The City agrees to provide safety vests for Police Patrol Officer, Sergeants, and Community Service Officers. Police Patrol Officers and sergeants agree to wear department issued fitted safety vests at all times while in uniform. The wearing of safety vests shall be optional for officers assigned to work in plain clothes. Upon the receipt of sufficient medical evidence, an employee may be exempted from this provision by the Chief of Police.

SECTION 22.00 - SERGEANT PROMOTIONAL EXAM
When a promotional eligible list (as defined in the Personnel Rules and Regulations) is used to fill a Sergeants position and that promotional list includes employees represented by this agreement, the Human Resources Director shall certify the top five (5) eligibles, in alphabetical order, if there be that number, on the relevant promotional list to the Chief of Police. If there be more than one vacancy in the same class, the Human Resources Director shall certify one additional eligible for each additional vacancy, if there be candidates available on the eligible list.

SECTION 23.00 - EMERGENCY MEALS
Employees will be entitled to emergency meals in accordance with current practice and relevant department and City regulations.

SECTION 24.00 - GRIEVANCE PROCEDURE
24.01 Purpose
To assure prompt and fair treatment of employee grievances related to employment. Any employee covered by this Memorandum may file a grievance.
24.02 Definition

A grievance is defined as an alleged violation, misinterpretation or misapplication of the provisions of this Memorandum, the City’s Personnel Rules and Regulations or the department’s general orders.

24.03 Limitations

1. A grievant may be represented by any representative of his or her choosing in preparing and presenting a grievance.

2. No reprisal shall result against any employee who presents a bona fide grievance under this procedure.

3. Time limits may be extended by written mutual agreement of the parties.

4. A grievance shall be considered settled in favor of the other party, if at any step, a decision is not rendered or appealed within the specified time limit.

5. Only upon mutual written agreement between the parties may Step I of the grievance procedure be waived.

24.04 Procedures

Step I

The grievant will first attempt to resolve the grievance through informal discussions with successive levels of supervision beginning with his/her immediate supervisor through the chain of command exclusive of the Chief of Police. These discussions must be initiated within ten (10) workdays of when the employee knew, or reasonably should have known of the incident upon which the grievance is based. Every attempt will be made by the parties to settle the issue at this level.

Step II

If the grievance is not resolved through the informal discussions the employee may, within ten (10) workdays after the informal discussion, submit a written appeal to the Chief of Police.

The written appeal must contain in clear, factual and concise language:

1. A brief statement as to the date of the occurrence on which the grievance is based and the facts as the grievant sees them.

2. The rule, regulation, act or law enforcement code of ethics on which the grievance is based.

3. The action the grievant believes will resolve the grievance.

4. Signature of the employee.

The Chief of Police shall have ten (10) workdays following receipt of the appeal to review the matter and prepare a written response. Copies shall go to the parties involved and the Human Resources Department.
Step III
If the grievance is not resolved, the grievant may, within ten (10) workdays following receipt of the Chief’s response, appeal to the City Manager or his/her representative, stating in writing the basis for the appeal.

The City Manager or his/her representative shall set a hearing within ten (10) working days of receiving the appeal. The grievant, his/her representative and other parties summoned by the City Manager or representative shall attend the hearing and present testimony or evidence concerning the grievance. The parties may bring a reasonable number of witnesses to the hearing.

The City Manager or his/her representative shall render a written decision to all parties directly involved within fifteen (15) working days following the hearing.

Step IV
If the grievance is not resolved to the satisfaction of the grievant at the conclusion of Step III, the grievant may appeal the decision of the City Manager to a neutral arbitrator, provided he/she so informs the City in writing within ten (10) working days following receipt of the City Manager’s decision.

Within ten (10) working days from the date of receipt of the appeal, the parties may mutually agree on a neutral party from an independent source to serve as an arbitrator. In the event the parties fail to agree on the neutral party, they shall immediately thereafter jointly request the California State Mediation and Conciliation Service to submit to them a list of five (5) persons qualified and available to act as arbitrator.

If such a list is requested from the State Mediation and Conciliation Service, the parties within ten (10) working days of receipt of the list, shall mutually agree upon the person on the list who shall be the Arbitrator. If one person is not mutually agreed upon, the parties shall within ten (10) days after receipt of the list of names alternately strike two (2) names from such list with the last remaining name to be the person serving as Arbitrator. The party having first choice to strike a name from the list shall be determined by lot.

The Arbitrator shall have no authority to add to, detract from, alter, amend or modify any provision of this Agreement, or impose on any party hereto a limitation or obligation not explicitly provided for in this Agreement, or to alter any wage rate or wage structure. The decision of the Arbitrator shall be rendered after the evidence and arguments are presented to him/her by the parties in the presence of each other and in post-hearing briefs, if necessary. The decision of the Arbitrator shall be final and binding upon the parties.

The Arbitrator is requested to expedite the decision as the parties normally expect a decision to be issued within fifteen (15) days after the conclusion of the hearing.

The Arbitrator’s expenses, if any, shall be borne equally by the parties. Each party shall bear the cost of its own representation.
SECTION 25.00 - DISCIPLINARY APPEALS PROCEDURE

25.01 Definition

For the purposes of this article, disciplinary action shall mean suspension, demotion, disciplinary reduction in salary or discharge.

The appeal procedure described herein shall apply to cases of disciplinary action affecting regular employees. It shall not be applicable to probationary employees. Employees have the right to representation at any or all stages of the appeal process.

25.02 Pre-Action Procedure

Step I
Prior to imposing disciplinary action, the supervisor shall first provide the employee a preliminary written notice of the proposed action stating the effective date and the specific grounds and particular facts upon which the action will be taken. The employee shall have access to any known written materials, reports or documents upon which the action is based. If the employee decides to exercise his/her right to respond to the charges (Skelly hearing), s/he shall advise the Chief of Police of his/her desire to exercise his/her rights within five (5) working days from receipt of notice. The Chief of Police and the employee (or the employee’s representative) shall then schedule the Skelly hearing within five (5) working days of the employee’s notification of his/her request to have a Skelly hearing. If the department head is personally involved in the initial investigation and notice process, the City Manager or Human Resources Director shall appoint a designee to hear the response.

The employee may request an extension of the time to respond for justifiable reasons.
Failure to respond within the time specified will result in the employee’s waiver or his/her procedural rights and final action will be taken.

Step II
Following a review of a proposed disciplinary action, the Chief of Police, within five (5) working days of receiving the employee’s response, shall render a written decision and send it by registered mail or personal delivery to the employee. A copy shall also be mailed to the employee’s representative.

The employee has the right, within five (5) working days after receiving the decision, to file a request for appeal with the City Manager. The appeal shall be a written statement, signed by the appellant, explaining the matter appealed from, stating the action desired by the appellant, with his/her reasons, therefore, and stating that the pre-action procedures have been exhausted.

If, within the five-day appeal period, the employee involved does not file such appeal, unless good cause for the failure is shown, the Chief of Police’s decision shall be final and shall take effect as prescribed.
25.03 Post Action Appeal

Step III
If the employee files a timely appeal, the City Manager shall, within ten (10) working days after receiving the appeal, designate a hearing officer who shall schedule a hearing not less than ten (10) working days from the date the appeal was received.

The hearing officer may conduct such independent investigation of the matter as he/she deems necessary. The appellant shall be given the opportunity to answer or present evidence in opposition to the findings of this independent investigation.

The appellant shall appear personally at the scheduled hearing unless physically unable to do so. The appellant or his/her representative may produce relevant oral or documentary evidence at the hearing.

Within fifteen (15) working days following the hearing, the hearing officer shall render a written decision to all parties involved. The hearing officer has the authority to affirm, repeal or modify the disciplinary action.

For discipline equivalent to the severity of suspension of three (3) days or less, there shall be no appeal beyond Step III and the City Manager’s decision shall be final.

Step IV
If the appeal (except as exempted above) is not resolved to the satisfaction of the appellant at the conclusion of Step III, the employee may appeal the decision of the City Manager to a neutral arbitrator, provided it so informs the City Manager in writing within ten (10) working days following receipt of the City Manager’s decision.

Within ten (10) working days from the date of receipt of the appeal, the parties may mutually agree on a neutral party from an independent source to serve as an arbitrator. In the event the parties fail to agree on the neutral party, they shall immediately thereafter jointly request the California State Mediation and Conciliation Service to submit to them a list of five (5) persons qualified and available to act as arbitrator.

If such a list is requested from the State Mediation and Conciliation Service, the parties within ten (10) working days of receipt of the list, shall mutually agree upon the person on the list who shall be the arbitrator. If one person is not mutually agreed upon, the parties shall within ten (10) days after receipt of the list of names alternately strike two (2) names from such list with the last remaining name to be the person serving as arbitrator. The party having first choice to strike a name from the list shall be determined by lot.

The arbitrator shall have no authority to add to, detract from, alter, amend, or modify any provision of this agreement, or impose on any party hereto a limitation or obligation not explicitly provided for in this agreement, or to alter any wage rate or wage structure. The decision of the arbitrator shall be rendered after the evidence and arguments are presented to him/her by the parties in the presence of each other and in post-hearing briefs, if necessary. The decision of the arbitrator shall be final and binding.
upon the parties.

The arbitrator is requested to expedite the decision as the parties normally expect a decision to be issued with fifteen (15) days after the conclusion of the hearing.

The arbitrator's expenses shall be borne equally by the parties. Except that each party shall bear the cost of its own representation.

SECTION 26.00 - WRITTEN REPRIMANDS

A written reprimand may be issued by an employee’s supervisor if an employee has violated a City rule, provision of the M.O.U., or if his/her performance is in need of improvement. Written reprimands shall be placed in the employee’s personnel file for a period not to exceed five (5) years, after which they will be destroyed. An employee shall have the right to prepare a written response to the reprimand and have said response placed in his/her personnel file. An employee may appeal the supervisor’s decision to issue a written reprimand to the Chief of Police by filing a written appeal to the Chief of Police within ten (10) working days of receipt of the reprimand. The written appeal may include a request to present the appeal orally to the Chief of Police. If the Chief is not reasonably available, s/he will render a decision from the written appeal. An employee may request an extension of the time to respond for justifiable reasons.

The Chief of Police’s decision regarding the written reprimand shall be final; unless, the reprimand originated with the Chief of Police in which case the employee shall have the right to appeal the department head’s decision to the City Manager.

SECTION 27.00 - ENFORCEMENT OF TERMS

Should any of the provisions herein contained be rendered or declared invalid by reason of State or Federal legislation or court action, such invalidations of such part or portions hereof shall not invalidate the remaining portions hereof and they shall remain in full force and effect, insofar as such remaining portions are severable.

SECTION 29.00 - LAYOFF POLICY & PROCEDURE (SIDE LETTER)

All represented employees shall be subject to the layoff policy and procedure provided in this section.
29.01 Layoffs

Bumping privileges may be exercised within the Police Department. An employee with sufficient seniority to bump an employee in a lower classification shall bump the least senior person in that classification.

For bumping purposes, seniority shall be defined as time in the affected classification added to time in a directly related higher classification.

29.03 Notification

Employees to be laid off shall be given not less than fifteen (15) business days written notice prior to the reduction in force. An employee wishing to bump to a lower classification shall provide written notice to the City within ten (10) days of receiving their layoff notice.

29.04 Reinstatement

Should there be a vacancy in the classification from which an employee was laid off within thirty-six (36) months the employee shall be eligible for reinstatement. It shall be the employee’s responsibility to notify the Human Resources Department of his/her current address. Every effort shall be made to notify the affected individual of any reinstatement opportunity. Reinstatement shall be in the reverse order of layoff.

HISTORY: Revision by Resolution No. NS-28,533 July 24, 2012

(CityPublic)M:\Agenda\View\Council Policies\25-02.doc
SUBJECT: DISCRIMINATION/HARASSMENT POLICY IMPLEMENTATION AND
COMPLAINT PROCEDURE

PURPOSE

The purpose of this document is to confirm the City’s commitment to prohibit and prevent unlawful discrimination and harassment in employment; and provide a City complainant an investigation procedure to resolve complaints of alleged discrimination or harassment in violation of the law or City Council Policy 25.2 (Discrimination and Harassment Policy).

POLICY STATEMENT

It is the policy of the City of Santa Cruz to maintain and promote a working environment free from discrimination and harassment; and to provide all current and prospective employees with equal opportunity in employment regardless of race, creed, color, national origin, ancestry, religion, disability, medical condition, sex, gender (including gender identity and gender expression), physical characteristics, marital status, age, sexual orientation, organizational affiliation, or veteran status (later referred to collectively as “Protected Categories”).

This policy is promulgated in recognition of the fact that discrimination and harassment of the type prohibited by this policy, if allowed to exist, not only violates Federal, State and municipal law but also serves to undermine employee integrity, create low employee morale, reduce employee productivity, and cause skilled and valuable workers to leave their City employment. All of this, in turn, is detrimental to the general health and welfare of the community, which depends upon a highly motivated and skilled body of City employees to deliver essential municipal services.

The City Council acknowledges and understands that in order to implement a non-discrimination/non-harassment policy, it is essential that all persons who witness or experience discrimination or harassment report that discrimination or harassment immediately in order to facilitate early, effective, efficient, and impartial investigation and intervention by the City. Accordingly, any retaliation against a person for filing a discrimination or harassment complaint, reporting discrimination or harassment which he or she has witnessed, or assisting in a discrimination or harassment investigation is strictly prohibited. Employees found to have participated in retaliatory action in contravention of this policy shall, therefore, be subject to disciplinary action up to and including termination.

In implementing the policy, the rights of free speech and association shall be accommodated in a manner consistent with applicable Federal and State law and in a manner consistent with the intent of the policy.
DISSEMINATION OF POLICY AND TRAINING

All employees, supervisors, and managers shall receive a copy of this APO and City Council Policy 25.2 and shall also attend sexual harassment and cultural diversity training according to the following schedule:

1) All new employees – Harassment and Cultural Diversity courses within the first year of hire.
2) Supervisors – Harassment training within six months of gaining supervisory responsibilities and a refresher no less frequently than every two years.

Posters explaining local, State, and Federal non-discrimination laws will be prominently displayed in the Human Resources Office. The City’s EEO Policy will also be posted on the Human Resources Office bulletin board and the City’s internal and external websites.

REASONABLE ACCOMMODATION FOR DISABILITY (as required by the Americans with Disabilities Act)

Disability is defined as: a) a physical or mental impairment that substantially limits one or more major life activities; b) having a documented record of such an impairment; or c) being regarded as having such an impairment.

Accommodation is any change in the work environment or in the way things are customarily done that enables an individual with a disability to enjoy equal employment opportunities. It means modifications or adjustments to: a) a job application process to enable an individual with a disability to be considered for the position; b) the work environment in which a position is performed so that a person with a disability can perform the essential functions of the position; and c) enable individuals with disabilities to enjoy equal benefits and privileges of employment as employees without disabilities enjoy.

1. Inclusions
Accommodation includes making existing facilities and equipment used by employees readily accessible to and usable by individuals with disabilities. Accommodation applies to: a) all employment decisions and to the job application process; b) all services and programs provided in connection with employment; c) non-work facilities provided in connection with employment; and d) known disabilities only.

2. Exclusions
Accommodation is not required if: a) it eliminates essential functions of a position from the person’s job; or b) adjustments or modifications requested are primarily for the benefit of the person with a disability. The law does not require an accommodation that imposes an “undue hardship” on the operation of the City. Undue hardship means significant difficulty or expense incurred in the provision of accommodation relative to the operation of the City’s program and includes, but is not limited to, financial difficulty. Undue hardship refers to any accommodation that would be unduly costly, extensive, substantial, disruptive, or that would fundamentally alter the nature or operation of the City. Whether a particular accommodation will impose an undue hardship is determined on a case-by-case basis. The following factors will be considered in determining whether an accommodation would create undue hardship: a) the nature and cost of the accommodation; b) the financial resources of the City; c) the number of employees; and d) the type of operations of the City, including the composition and functions of its workforce.
3. **Determining the Appropriate Accommodation**
   Where a particular accommodation would result in an undue hardship, the City must determine if another accommodation is available that would not result in an undue hardship. If a qualified individual with a disability requests the provision of a reasonable accommodation, the City shall engage in an informal, interactive process with the person with a disability which identifies the precise limitations resulting from the disability and potential accommodations that could overcome those limitations. The accommodation process shall generally involve five (5) steps.
   - First, the City shall analyze the particular job at issue and determine its purpose and essential functions.
   - Second, the City shall consult with the individual with a disability to ascertain the precise job-related limitations imposed by the individual’s disability.
   - Third, the City shall consult with the individual with a disability and, if desired by the agency, the appropriate rehabilitation or ergonomics consultant to identify potential accommodations and the necessary modifications.
   - Fourth, the City shall assess the effectiveness of each potential accommodation with regard to enabling the individual to perform the essential functions of the position.
   - Finally, the City shall consider the preference of the individual to be accommodated and select and implement the accommodation that is most appropriate for both the employee and the agency.

**DISCRIMINATION AND HARASSMENT COMPLAINT PROCEDURE**

This complaint procedure is available to City of Santa Cruz employees and individuals who believe that they have been subjected to discrimination and/or harassment in relation to employment with the City of Santa Cruz.

Complainants, and employees alleged to have engaged in discrimination or harassment, may choose to be represented at any or all steps in the complaint process.

**I. Filing a Complaint**

Complaints may be submitted to an employee’s immediate supervisor, any supervisor or manager within or outside the department, the department head or the Human Resources Director within one (1) year of the date the alleged action occurred. Any City of Santa Cruz supervisor, manager, or department head who receives a discrimination or harassment complaint shall notify the Human Resources Director immediately upon receipt of the complaint.

Complaints may be presented orally or in writing.

Written complaints should include the following information:
- The name, address, and telephone number of the complainant.
- The basis for the alleged discrimination or harassment (protected category and/or retaliation).
- The specific discriminatory practice(s) or incident(s) that have occurred.
- The names of any persons thought to be responsible for the discrimination/ harassment.
- The remedy the complainant is seeking as a result of the complaint.
- The name, address, and telephone number of the complainant’s representative, if any.
If complainants wish to file the complaint in person and receive assistance, they may contact the Human Resources Department to schedule an appointment with a staff investigator.

II. Investigation and Resolution

After reviewing the discrimination or harassment complaint, the Human Resources Director shall determine if an investigation is necessary to resolve the issues of the complaint and, if so, authorize and supervise the investigation of the complaint. The complainant will be contacted by the investigator upon the investigator’s receipt of the complaint and will be kept apprised of the status of the investigation. Every effort will be made to conclude the investigation within one hundred and twenty (120) calendar days of receipt of the complaint.

The Human Resources Director will not proceed with the investigation of a complaint if the complaint contains no assertion that the alleged acts occurred based on one or more of the protected categories or if a nexus cannot be established between the alleged act(s) and discrimination based on any of the protected categories. When the investigation is completed, the Human Resources Director will determine if there is sufficient evidence to substantiate a violation of the City’s Discrimination and Harassment Policy and if remedial action is necessary to resolve the issues of the complaint. The complainant, alleged perpetrator/harasser, and department head will be notified of the director’s determination. If discipline is imposed, the discipline will not be communicated to the complainant.

If it would present a conflict (or the appearance of such) for the review and investigation of a complaint to be conducted by the Human Resources Department, the City Manager will be responsible for this process.

III. City Manager Review

Complainants who are not satisfied with the Human Resources Director’s determination may request a review by the City Manager (or his/her representative), in writing, within ten (10) workdays following receipt of the Human Resources Director’s determination. The City Manager (or his/her representative) shall review the complainant’s written appeal and the investigative findings and shall render a written decision within thirty (30) workdays following the review.

IV. Additional Remedies

Current City employees covered by a memorandum of understanding that includes arbitration as the final step in the grievance process may request that the matter be taken to arbitration in accordance with the specific procedures contained in the applicable memorandum of understanding.

In addition, all complainants may file complaints of discrimination or harassment with the State of California Department of Fair Employment and Housing and the Federal Equal Employment Opportunity Commission, whether or not complainants choose to use the City of Santa Cruz’ complaint procedure. Time limits for filing complaints with State and Federal compliance agencies vary and those agencies should be contacted directly for specific information. 1001.1 PURPOSE AND SCOPE
It is the policy of this Department to set forth procedures and guidelines for time off requests, absences and injuries, and surrendering departmental equipment in cases of leaves of absence.

1001.2 PROCEDURE

1001.2.1 TIME OFF REQUESTS
The Department will strive to facilitate time off requests in a timely manner. It is necessary to balance employees’ needs for time off with the mandate that the organization provide public safety services for the City of Santa Cruz. In order to do this it is required that time off requests be made sufficiently in advance so that proper consideration may be given to the needs of the employee, City and the Department.

(a) All employees, permanent, part time, or temporary must put in writing their time requests.

(b) Time off requests may be submitted up to one (1) year in advance of the date(s) requested.

(c) Requests shall be for vacation, management vacation, holiday, floating holiday, compensatory time off, maternity leave, leave of absence, military leave, or family leave.

   1. Requests may be for any or a combination of all of the above.

(d) Requests for forty hours or more should be made thirty days in advance of the requested time off.

   1. Reasons of legitimate exigency may be accepted by a supervisor in the event that thirty days notice does not occur.

(e) Requests for more than eighty hours will require approval from the Deputy Chief of Police and should be made a minimum of sixty days in advance of the requested time off.

1001.2.2 RESPONSIBILITIES

(a) The requesting employee is responsible for making the request in a timely manner and for knowing and requesting only that time which they have earned and may, therefore, take legally.

   1. It is the employee’s responsibility to notify the Financial Services Unit/payroll/purchasing clerk of any changes or cancellations of a time off request that was previously submitted.

(b) The unit/detail supervisory is responsible for evaluation staffing levels and for insuring that sufficient staffing is available if the request is approved.
Absences/Time Off

1. Every effort should be made to avoid the use of overtime when granting leave.
2. The supervisor must check the special events calendar, sergeants’ calendar and the master schedule.
3. The staffing available will be listed on the request form by the supervisor so it may be reviewed by the Team Commander.
4. If approved, enter the information on the sergeants’ calendar. If the date is for some time beyond the current four-week period, the Administrative Assistant will enter it on the appropriate four-week schedule.
5. Sign the request form both as to approval and entry on the master schedule.
6. The master schedule and the sergeant’s calendar are the reference documents used to allocate personnel. They must be maintained in an accurate condition at all times.

(c) The managers are responsible for reviewing the requests and insuring that sufficient staffing remains available.

1. Management will strive to provide a maximum of seven (7) day turnaround on all time off requests.
2. An exception may occur if a request is made prior to the master schedule being established.

(d) The Payroll/Purchasing Clerk will log all time off requests on their calendar and be able to provide information to supervisors, managers and employees when it is requested.

1. The Payroll/Purchasing Clerk will insure that approved time off is recorded onto the payroll sheet as required by City Payroll procedures. (This does not negate the employee or supervisor’s responsibility to record it on the time sheet for the affected payroll period.)
2. The time off request forms, once approved, will be maintained by the Payroll/Purchasing Clerk.

1001.2.3 ORGANIZATIONAL INTENT

(a) It is the intent of the organization to facilitate time off requests to the extent economically and operationally feasible.

1. Time of year.
2. Special events.
3. Negative impacts on remaining working employees.
4. Budgetary restraints.
5. Long term impacts on both the organization and the requesting employee.
Absences/Time Off

(d) Employees should strive to take the bulk of vacation or holiday time off during time other than mid-June through August due to the department's summer workload.

(e) Time off requests will be considered in the order in which they are submitted. Seniority in rank will be a determining factor when time off requests are made by more than one person, submitted on the same day and requesting the same time off, or a large percentage of it.
